## **Lost Names Scenes From A Korean Boyhood:**

**Lost Names** Richard E. Kim, 1970      *Lost Names* Richard E. Kim, 1988-01-01 Tells the story of a Korean family's suffering and rebellion under Japanese rule from the invasion in 1932 to the end of World War II      **Kori** Heinz Insu Fenkl, Walter K. Lew, 2002-05-10 Since the 1930s Korean American writers have come to maintain an important place in our national literature publishing some of the most exciting fiction of the twentieth century The stories in this first anthology of Korean American fiction represent the very best work of these writers including several pieces published for the first time Contributors include Patti Kim Chang rae Lee Susan Choi Heinz Insu Fenkl Leonard Chang Nora Okja Keller and Richard E Kim      **Born Again** Timothy S. Lee, 2009-12-09 Known as Asia's evangelical superpower South Korea today has some of the largest and most dynamic churches in the world and is second only to the United States in the number of missionaries it dispatches abroad Understanding its evangelicalism is crucial to grasping the course of its modernization the rise of nationalism and anticommunism and the relationship between Christians and other religionists within the country Born Again is the first book in a Western language to consider the introduction development and character of evangelicalism in Korea from its humble beginnings at the end of the nineteenth century to claiming one out of every five South Koreans as an adherent at the end of the twentieth In this thoughtful and thorough study Timothy S Lee argues that the phenomenal rise of this particular species of Christianity can be attributed to several factors As a religion of salvation evangelicalism appealed powerfully to multitudes of Koreans arriving at a time when the country was engulfed in unprecedented crises that discredited established social structures and traditional attitudes Evangelicalism attracted and empowered Koreans by offering them a more compelling worldview and a more meaningful basis for association Another factor is evangelicalism's positive connection to Korean nationalism and South Korean anticommunism It shared in the aspirations and hardships of Koreans during the Japanese occupation and was legitimated again during and after the Korean conflict as South Koreans experienced the trauma of the war Equally important was evangelicals' relentless proselytization efforts throughout the twentieth century Lee explores the beliefs and practices that have become the hallmarks of Korean evangelicalism kibok this worldly blessing saebyok kido daybreak prayer and kumsik kido fasting prayer He concludes that Korean evangelicalism is distinguishable from other forms of evangelicalism by its intensely practical and devotional bent He reveals how after a long period of impressive expansion including the mammoth campaigns of the 1970s and 1980s that drew millions to its revivals the 1990s was a decade of ambiguity for the faith On the one hand it had become South Korea's most influential religion affecting politics the economy and civil society On the other it found itself beleaguered by a stalemate in growth the shortcomings of its leaders and conflicts with other religions Evangelicalism had not only risen in South Korean society it had also for better or worse become part of the establishment Despite this significance Korean evangelicalism has not received adequate treatment from scholars outside Korea Born Again will therefore find an eager audience among English speaking

historians of modern Korea scholars of comparative religion and world Christianity and practitioners of the faith

Historical Dictionary of the Republic of Korea James E. Hoare, 2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth edition of Historical Dictionary of the Republic of Korea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Korea **Asian**

**American History and Culture: An Encyclopedia** Huping Ling, Allan W. Austin, 2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set

*Minor Transpacific* David S. Roh, 2021-07-27 There is a tendency to think of Korean American literature and Asian American literature writ large as a field of study involving only two spaces the United States and Korea with the same being true in Asian studies of Korean Japanese Zainichi literature involving only Japan and Korea This book posits that both fields have to account for three spaces Korean American literature has to grapple with the legacy of Japanese imperialism in the United States and Zainichi literature must account for American interventions in Japan Comparing Korean American authors such as Younghill Kang Chang rae Lee Ronyoung Kim and Min Jin Lee with Zainichi authors such as Kaneshiro Kazuki Yi Yang ji and Kim Masumi *Minor Transpacific* uncovers their hidden dialogue and imperial concordances revealing the trajectory and impact of both bodies of work *Minor Transpacific* bridges the fields of Asian studies and Asian American studies to unveil new connections between Zainichi and Korean American literatures Working in Japanese and English David S Roh builds a theoretical framework for articulating those moments of contact between minority literatures in a third national space and proposes a new way of conceptualizing Asian American literature

*The Making of Modern Korea* Adrian Buzo, 2004-08-02 This new revised edition of this popular text provides an accurate

balanced and readable history of Korea from 1910 to the present day      **Asian American Society** Mary Yu Danico, 2014-08-19 Asian Americans are a growing minority population in the United States After a 46 percent population growth between 2000 and 2010 according to the 2010 Census there are 17.3 million Asian Americans today Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions Asian American Society An Encyclopedia provides a thorough introduction to the wide ranging and fast developing field of Asian American studies Published with the Association for Asian American Studies AAAS two volumes of the four volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social cultural psychological economic and political dimensions of the Asian American experience The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time Features More than 300 articles authored by experts in the field organized in A to Z format help students understand Asian American influences on American life as well as the impact of American society on reshaping Asian American identities and social structures over time A core collection of primary documents and key demographic and social science data provide historical context and key information A Reader's Guide groups related entries by broad topic areas and themes a Glossary defines key terms and a Resource Guide provides lists of books academic journals websites and cross references The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader's Guide detailed index and cross references Available in both print and online formats this collection of essays is a must have resource for general and research libraries Asian American ethnic studies libraries and social science libraries      *A History of Korea* Michael J. Seth, 2010-10-16 In this comprehensive yet compact book Michael J Seth surveys Korean history from Neolithic times to the present He explores the origins and development of Korean society politics and its still little known cultural heritage from their inception to the two Korean states of today Telling the remarkable story of the origins and evolution of a society that borrowed and adopted from abroad Seth describes how various tribal peoples in the peninsula came together to form one of the world's most distinctive communities He shows how this ancient culturally and ethnically homogeneous society was wrenched into the world of late nineteenth century imperialism fell victim to Japanese expansionism and then became arbitrarily divided into two opposed halves North and South after World War II Tracing the past seven decades the book explains how the two Koreas with their deeply different political and social systems and geopolitical orientations evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive

economy a democratic political system and a cosmopolitan and dynamic culture North Korea by contrast became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Seth describes and analyzes the radically different and historically unprecedented trajectories of the two Koreas formerly one tight knit society Throughout he adds a rich dimension by placing Korean history into broader global perspective and by including primary readings from each era All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book

**A Concise History of Modern Korea** Michael J. Seth, 2016-03-03 Now in a fully revised and updated edition this comprehensive and balanced history of modern Korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century Placing this formerly insular society in a global context Michael J Seth describes how this ancient culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism and then was arbitrarily divided in half after World War II Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture By contrast North Korea became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Considering the radically different and historically unprecedented trajectories of the two Koreas Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and cogent book

**The Koreans** Michael Breen, 1999-12-28 In this absorbing and enlightening account Breen provides compelling insight into the history and character of one of the most important yet least understood countries in the world

**Encyclopedia of Asian-American Literature** Seiwoong Oh, 2015-04-22 Presents a reference on Asian American literature providing profiles of Asian American writers and their works

**A Concise History of Korea** Michael J. Seth, 2024-01-04 This comprehensive book surveys Korean history from Neolithic times to the present Michael J Seth explores the origins and development of Korean society politics and still little known cultural heritage from their inception to the two Korean states of today Throughout he adds a rare dimension by placing Korean history into broader global perspective All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book

**The Cambridge History of Asian American Literature** Rajini Srikanth, Min Hyung Song, 2015-12-01 The Cambridge History of Asian American Literature presents a comprehensive history of the field from its origins in the nineteenth century to the present day It offers an unparalleled examination of all facets of Asian American writing that help readers to understand how authors have sought to make their experiences meaningful Covering subjects from autobiography and Japanese American internment literature to contemporary drama and social protest performance this History traces the

development of a literary tradition while remaining grounded in current scholarship It also presents new critical approaches to Asian American literature that will serve the needs of students and specialists alike Written by leading scholars in the field The Cambridge History of Asian American Literature will not only engage readers in contemporary debates but also serve as a definitive reference for years to come *A History of Japan, 1582-1941* L. M. Cullen, 2003-05-15 This 2003 book offers a distinctive overview of the internal and external pressures responsible for the emergence of modern Japan **Japanese Assimilation Policies in Colonial Korea, 1910-1945** Mark E. Caprio, 2011-07-01 From the late nineteenth century Japan sought to incorporate the Korean Peninsula into its expanding empire Japan took control of Korea in 1910 and ruled it until the end of World War II During this colonial period Japan advertised as a national goal the assimilation of Koreans into the Japanese state It never achieved that goal Mark Caprio here examines why Japan's assimilation efforts failed Utilizing government documents personal travel accounts diaries newspapers and works of fiction he uncovers plenty of evidence for the potential for assimilation but very few practical initiatives to implement the policy Japan's early history of colonial rule included tactics used with peoples such as the Ainu and Ryukyuan that tended more toward obliterating those cultures than to incorporating the people as equal Japanese citizens Following the annexation of Taiwan in 1895 Japanese policymakers turned to European imperialist models especially those of France and England in developing strengthening its plan for assimilation policies But although Japanese used rhetoric that embraced assimilation Japanese people themselves from the top levels of government down considered Koreans inferior and gave them few political rights Segregation was built into everyday life Japanese maintained separate communities in Korea children were schooled in two separate and unequal systems there was relatively limited intermarriage and prejudice was ingrained Under these circumstances many Koreans resisted assimilation By not actively promoting Korean Japanese integration on the ground Japan's rhetoric of assimilation remained just that Politics and Leadership in North Korea Adrian Buzo, 2017-09-08 Politics and Leadership in North Korea now fully updated in this second edition presents an accessible and comprehensive account of North Korea's political economic and foreign policies since its creation in 1945 Moving away from media representations of North Korea as dangerously erratic and dysfunctional Adrian Buzo provides a thorough analysis of Kim Il Sung's vision for the DPRK and demonstrates the consistency of the successive leaderships approach to politics economics and international affairs This second edition has been fully revised and takes into account all the important events of the last fifteen years in North Korea such as endemic food shortages the steady growth of military emphasis in both politics and ideology the acquisition and continued development of nuclear capabilities the implementation and eventual failure of South Korea's sunshine policy the growth of private enterprise and a consumer economy As such it will continue to be an essential resource for students of North Korea East Asian Politics and International Politics Korea: A Very Short Introduction Michael J. Seth, 2020-01-23 Having spent centuries in the shadows of its neighbours China and Japan Korea is now the object of considerable interest for

radically different reasons the South as an economic success story and for its vibrant popular culture the North as the home to one of the world's most repressive regimes at once both bizarre and menacing This Very Short Introduction explores the history culture and society of a deeply divided region Michael Seth considers what it means to be Korean and analyses how the various peoples of the Korean peninsula became one of the world's most homogeneous nations before exploring how this nation evolved in a single lifetime into today's sharply contrasting societies He also discusses how Korea fits into the larger narrative of both East Asian and world history economically politically and socially ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

*In the Ruins of Empire* Ronald Spector, 2008-07-08 The New York Times said of Ronald H Spector's classic account of the American struggle against the Japanese in World War II No future book on the Pacific War will be written without paying due tribute to *Eagle Against the Sun* Now Spector has returned with a book that is even more revealing *In the Ruins of Empire* chronicles the startling aftermath of this crucial twentieth century conflict With access to recently available firsthand accounts by Chinese Japanese British and American witnesses and previously top secret U S intelligence records Spector tells for the first time the fascinating story of the deadly confrontations that broke out or merely continued in Asia after peace was proclaimed at the end of World War II Under occupation by the victorious Allies this part of the world was plunged into new power struggles or back into old feuds that in some ways were worse than the war itself *In the Ruins of Empire* also shows how the U S and Soviet governments as they secretly vied for influence in liberated lands were soon at odds At the time of the peace declaration international suspicions were still strong Joseph Stalin warned that crazy cutthroats might disrupt the surrender ceremony in Tokyo Bay Die hard Japanese officers plotted to seize the emperor's palace to prevent an announcement of surrender and clandestine relief forces were sent to rescue thousands of Allied POWs to prevent their being massacred *In the Ruins of Empire* paints a vivid picture of the postwar intrigues and violence In Manchuria Russian liberators looted raped and killed innocent civilians and a fratricidal rivalry continued between Chiang Kai shek's regime and Mao's revolutionaries Communist resistance forces in Malaya settled old scores and terrorized the indigenous population while mujahideen holy warriors staged reprisals and terror killings against the Chinese hundreds of innocent civilians were killed on both sides In Indochina a nativist political movement rose up to oppose the resumption of French colonial rule one of the factions that struggled for supremacy was the Communist Viet Minh led by Ho Chi Minh Korea became a powder keg with the Russians and Americans entangled in its north and south And in Java as the Indonesian novelist Idrus wrote people brutalized by years of Japanese occupation worshipped a new God in the form of bombs submachine guns and mortars Through impeccable research and provocative analysis as well as compelling accounts of American British Indian and Australian soldiers charged

with overseeing the surrender and repatriation of millions of Japanese in the heart of dangerous territory Spector casts new and startling light on this pivotal time and sets the record straight about this contested and important period in history

## Unveiling the Power of Verbal Art: An Psychological Sojourn through **Lost Names Scenes From A Korean Boyhood**

In a global inundated with displays and the cacophony of quick conversation, the profound power and emotional resonance of verbal artistry frequently fade into obscurity, eclipsed by the continuous onslaught of noise and distractions.
