Modern Manners Philip Howard,2013-11-14 For many years Philip Howard has delighted Times readers with his wildly popular Modern Times column answering questions on contemporary etiquette and acting as confidant and gleeful guide to those attempting to avoid the pitfalls and perils of modern life Now drawing on that wealth of wisdom he offers solutions to modern day mysteries and solves all manner of social dilemmas From sartorial suggestions to gastronomic guidance and with tips on how best to deal with noisy neighbours irritating in laws and pesky pets Philip Howard will prevent you from ever putting a foot wrong Witty informative and often hilarious and with delightful cartoons by Jonathan Pugh Modern Manners is the perfect companion piece to life in the twenty first century and the quintessential gift book **Performance and Posthumanism** Christel Stalpaert,Kristof van Baarle,Laura Karreman,2021-09-02 Recent technological and scientific

developments have demonstrated a condition that has already long been upon us We have entered a posthuman era an assertion shared by an increasing number of thinkers such as N Katherine Hayles Rosi Braidotti Donna Haraway Bruno Latour Richard Grusin and Bernard Stiegler The performing arts have reacted to these developments by increasingly opening up their traditionally human domain to non human others Both philosophy and performing arts thus question what it means to be human from a posthumanist point of view and how the agency of non humans be they technology objects animals or other forms of being works on both an ontological and performative level The contributions in this volume brings together scholars dramaturgs and artists uniting their reflections on the consequences of the posthuman condition for creative practices spectatorship and knowledge

Unmaking Waste Sarah Newman,2023-05-26 In *Unmaking Waste* Sarah Newman asks what happens when there are disagreements about what constitutes waste and what one should do with it both at singular moments in time for example when ideas about waste collide in emerging colonial contexts and across time such as between those who left things behind in the past and the archaeologists who recover them Newman examines ancient Mesoamerican understandings of waste Euro American perceptions of waste in New Spain and early modern European ideals of civility and Christian understandings of good and bad expressed metaphorically through cleanliness and filth These differing perceptions Newman argues demands that we rethink centuries of assumptions imposed on other places times and peoples so long as waste remains a category misunderstood to be common sensical and stable archaeological methods will prove unequal to their task Newman instead proposes anamorphic archaeology an approach that emphasizes the possibility that archaeological objects have multiple physical and conceptual lives
