Signs of the Signs

William Brevda, 2011-05-16 This book is a study of signs in American literature and culture It is mainly about electric signs but also deals with non electric signs and related phenomena such as movie sets The sign is considered in both the architectural and semiotic senses of the word It is argued that the drama and spectacle of the electric sign called attention to the semiotic implications of the sign In fiction poetry and commentary the electric sign became a sign of manifold meanings that this book explores a sign of the city a sign of America a sign of the twentieth century a sign of modernism a sign of postmodernism a sign of noir a sign of naturalism a sign of the beats a sign of signs systems the Bible to Broadway a sign of tropes the Great White way to the neon jungle a sign of the writers themselves a sign of the sign itself If Moby Dick is the great American novel then it is also the great American novel about signs as the prologue maintains The chapters that follow demonstrate that the sign is indeed a sign of American literature After the electric sign was invented it influenced Stephen Crane to become a nightlight impressionist and Theodore Dreiser to make the fire sign his metaphor for the city An actual Broadway sign might have inspired F Scott Fitzgerald s The Great Gatsby In Manhattan Transfer and U S A John Dos Passos portrayed America as just a spectacular sign William Faulkner s electric signs are full of sound and fury signifying modernity The Last Tycoon was a sign

of Fitzgerald's decline The signs of noir can be traced to Poe's The Man of the Crowd Absence flickers in the neons of Raymond Chandler's Los Angeles The death of God haunts the neon wilderness of Nelson Algren Hitler's empire was an non intentional parody of Nathanael West's California The beats reinvented Times Square in their own image Jack Kerouac's search for the center of Saturday night was a quest for transcendence Tatsuki's Visions Lloyd Leon,2025-06-26 Tatsuki's life emerged against a backdrop rich in historical and cultural significance reflecting the complexities of Japanese society during his time Born into a period marked by rapid change Tatsuki witnessed the transition from traditional feudal systems to more modern societal structures This tumultuous environment not only shaped his worldview but also influenced the prophetic messages he would later convey The interplay between these historical elements and his personal experiences would ultimately inform the essence of his prophecies and their interpretations *Nuclear Science Abstracts* ,1971
