Song of the Shenandoah Brenda George,2013-05-23 Jed Buchanan is one of the Blue Ridge mountain people displaced by the formation of the Shenandoah National Park Through a quirk of fate he is offered a job as a farm manager on one of the loveliest farms in the Shenandoah Valley Though he loves the life dire danger lurks in the form of a fanatical old style Ku Klux Klan klavern that has been operating in the rural areas of Northern Virginia Jed falls in love with two very different women the beautiful sultry sophisticate Virginia Chadwick whom he saves from being savaged by a vicious dog This leads to the humble hillbilly giving regular lectures to one of the most powerful groups in Washington DC Then theres lovely spunky Sage Kelly who has left three men at the altar However Jed has good reason to suspect that she and her brother Tom are members of the Ku Klux Klan Sequel to the widely acclaimed *Falling Leaves and Mountain Ashes* this compelling epic novel set in the 1940s and 1950s displays once again what a master storyteller George is **History of the Lower Shenandoah Valley Counties of Frederick, Berkeley, Jefferson and Clarke** J. McCaul, Jr.,2023-09-19 During the Civil War the Shenandoah Valley was the scene of 326 engagements many taking place around Winchester The city was occupied and evacuated 72 times and six major battles were fought in the vicinity including First and Second Kernstown and Cedar Creek Geography was a crucial factor in the struggle to control Winchester which was key to controlling Virginia Confederate occupation gave them psychological dominance of the central valley and enabled them to disrupt enemy operations When Union forces prevailed they dictated the tempo of operations in the region The decisive Union capture of the city in 1864 foretold the end of the Confederacy Drawing on the Official Records of the Union and Confederate Armies this book chronicles the strategic battle for the heart of the Shenandoah Valley The United Church of Christ in the Shenandoah Valley H. Cavalcanti,2010-08-20 While congregational studies have expanded our understanding of American religion little is known about the local practices of a single denomination at its smallest jurisdiction This book explores how national denominational commitments are affecting the practices of local United Church of Christ congregations inside a single association in the Shenandoah Valley Nationally the UCC defines itself as a united and uniting church in its ecumenical work as multiracial and multicultural in its diversity as accessible to all in welcoming those with disabilities as open and affirming for its LGBT members and as a just peace church in its support of social justice So how fully have local congregations embraced these commitments Might congregations be more attached to their older identities particularly in areas where the church s predecessors were strongly rooted Or are the national church s commitments being lived out at the grassroots level The book measures congregational life in one of the UCC s oldest and smallest associations Books on congregational studies either focus on a case study of a particular congregation or large scale surveys of U S congregations that explore aggregate data to explain their work This book looks instead at a group of local congregations inside a small judicatory the Shenandoah Association of the United Church of Christ to explain religious life at the grassroots level *Serene of the Shenandoah* L.

Black typified the thousands of volunteers who fought for the Union during the Civil War Born in 1834 and raised on his family's farm near Allegheny Township Pennsylvania Black taught school until he like many Pennsylvanians rushed to defend the Union after the attack on Fort Sumter in April 1861 He served with the Twelfth Pennsylvania Cavalry one of the Union's most unruly maligned and criticized units Consistently outperformed early in the conflict the Twelfth finally managed to salvage much of its reputation by the end of the war Throughout his service Black penned frequent and descriptive letters to his fianc e and later wife Jennie Leighty Black This welcome volume presents this complete correspondence for the first time offering a surprisingly full record of the cavalryman's service from 1862 to 1865 and an intimate portrait of a wartime romance In his letters Black reveals his impassioned devotion to the cause frequently expressing his disgust toward those who would not enlist and his frustration with friends who were not appropriately patriotic Despite the Twelfth Pennsylvania's somewhat checkered history Black consistently praises both the regiment's men and their service and demonstrates a strong camaraderie with his fellow soldiers He offers detailed descriptions of the regiment's vital operations in protecting Unionists and tracking down and combating guerrillas in particular John Singleton Mosby and his partisan rangers providing a rare first person account of Union counterinsurgency tactics in the Lower Shenandoah Valley In the midst of portraying heated and chaotic military operations Black makes Jennie a prominent character in his war illustrating the various ways in which the conflict altered or nurtured romantic relationships One of the few compilations of letters by a long term Yankee cavalry member and the only such collection by a member of the Twelfth Pennsylvania A Yankee Horseman in the Shenandoah Valley provides new insights into the brutal confused guerrilla fighting that occurred in northwestern Virginia Moreover these letters make a significant contribution toward an emerging consensus that Yankee cavalry often maligned and contrasted with their celebrated Confederate foes became a superior fighting force as the war progressed David J Coles professor of history at Longwood University is the associate editor of the Encyclopedia of Civil War coauthor of Sons of Garibaldi in Blue and Gray and coeditor of the Encyclopedia of the American Civil War Stephen D Engle professor of history at Florida Atlantic University is the author of Yankee Dutchman The Life of Franz Sigel Don Carlos Buell Most Promising of All and Struggle for the Heartland The Campaigns from Fort Henry to Corinth
