Lost in Wonder S. T. Kimbrough, 1987 *A Faith That Sings* Paul W. Chilcote, 2016-11-15 This book examines the primary biblical themes in the lyrical theology of Charles Wesley the master hymn writer and cofounder of the Methodist movement Methodism was born in song and it is highly doubtful whether without the hymns of Charles Wesley there could have been a Methodist revival Charles s hymns have exerted a monumental influence on Methodist doctrine and Methodist people through the years They are essentially mosaics of biblical texts in singing these hymns Methodists have sung the grand narrative of redemption and restoration in the biblical witness A summary list of key biblical texts drawn from the 1780 Collection of Hymns for the Use of the People Called Methodists serves as a summa of Charles Wesley s theology and points to the doctrinal concerns that shaped his life most fully Intended as an exploration of Wesleyan theology through the lens of sung doctrine this study demonstrates the world making and life shaping effect of hymns and the way in which they emanate from Charles Wesley s life of prayer and evoke a life of service **Historical Dictionary of Methodism** Jennifer Woodruff Tait, Christopher J. Anderson, 2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries Its history illuminates our understanding of modern culture ethics literature politics Christian mission women s studies and many related topics Historical Dictionary of Methodism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important institutions events doctrines and people who have contributed to the movement and to broader society in the three centuries since it was founded This book is an excellent resource for students researchers and anyone wanting to know more about Methodism as a global movement Orthodox and Wesleyan Spirituality S. Christian Theologies of the Sacraments Justin S. Holcomb, David A. Johnson, 2017-07-25 Delves into the ancient debate regarding the nature and purpose of the seven sacraments What are the sacraments For centuries this question has elicited a lively discussion and among theologians and a variety of answers that do anything but outline a unified belief concerning these fundamental ritual structures In this extremely cohesive and well crafted volume a group of renowned scholars map the theologies of sacraments offered by key Christian figures from the Early Church through the twenty first century Together they provide a guide to the variety of views about sacraments found throughout Christianity showcasing the variety of approaches to understanding the sacraments across the Catholic Protestant and Orthodox faith traditions Chapters explore the theologies of thinkers from Basil to Aquinas Martin Luther to Gustavo Gutierrez Rather than attempting to distill their voices into a single view the book addresses many of the questions that theologians have tackled over the two thousand year history of Christianity In doing so it paves the way for developing theologies of sacraments for present and future contexts The text places each theology of the sacraments into its proper sociohistorical context illuminating how the church has used the sacraments to define itself and its congregations over time The definitive resource on theologies of the sacraments this volume is a must read for students theologians and spiritually interested readers alike

Lectionary Worship Workbook, Series II, Cycle C Wayne H. Keller, 2000-06 The most impressive thing about Wayne Keller's body of ideas for worship throughout the Christian Year is his boldness He is bold in demanding that we his colleagues in liturgical leadership plan worship that has to do with the reality of our congregations experience in the world rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week He is bold in challenging us to bring that real world with its pains and its pleasures its hungers and its feasts its beauty and its ugliness to exposure

before the living God And he is bold in helping us shine the strong exposing light of the transforming Word on our real lives and on that real world so that we may move beyond planning worship as a nice safe feel good routine from which we depart the same people we were when we arrived We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship Thank God for Wayne Keller and for his deep respect for the central act of the Christian community the blessed and life transforming experience of the worship of God Richard Avery and Donald Marsh Port Jervis New York Wayne Keller s method creates not only a contemporary appeal but also effects a congregational involvement so necessary today within the liturgical context His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background Keller has the ability to appeal to the everydayness of congregational experience Donald Macleod Francis L Patton Professor Emeritus Princeton Theological Seminary The good humor of Wayne Keller s work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves Wayne s work encourages hope and faith with the way we are Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union A cascade of insights ideas suggestions and plans for stimulating the working pastor s imagination and guiding in worship planning Robert Coote Professor San Francisco Theological Seminary Editor Mustard Seed Churches Wayne Keller elevates us to an authentic bring your warts and smiles encounter with the living God a remarkable year round resource for the entire worship team Paul Hackett Former pastor and member First Presbyterian Church Puyallup Washington Keller says I have seen people bored to death in worship seemingly because they come to worship as spectators not as participants For me no spectators are allowed Soren Kierkegaard s analogy of worship as drama has guided my thinking and planning Wayne H Keller graduated from Monmouth College in Monmouth Illinois and Pittsburgh Theological Seminary He has served pastorates in Pennsylvania Washington and Oregon and has also been the director of a halfway house for recovering mental patients A member of the Presbyterian Writers Guild Keller has published several books and numerous articles and has been a columnist for the Bellingham Herald He has also appeared frequently on radio and television programs and co hosted a call in counseling program and talk show

Living Grace Dr. Manfred Marquardt, Dr. Walter Klaiber, 2002-01-01 Living

Grace is the most comprehensive expression of systematic theology for United Methodism to appear in the 1990 s Its authors Bishop Walter Klaiber and Dr Manfred Marquardt are leading theologians of continental European United Methodism Their work meets the long felt need to provide partners in ecumenical dialog a clearer exposition of Methodism s theology as founded upon biblical witness apostolic heritage the Protestant Reformation and the Wesleyan Revival The authors concede that Methodists are often regarded more as specialists in evangelization ecclesial organization or social engagement than as representatives of a cogently articulated theology Further United Methodists today are frequently at the forefront of facilitating interchurch cooperation in worship and social outreach It is the authors hope that a clearer exposition of our common understanding could offer a foundation upon which the vital Wesleyan accent could better direct the Christian witness we are offering in the world Their response to the challenge has produced a thoughtful attempt to find a solid theological basis for our identity as a church that will not only accent our distinctiveness but will also assist other faith communities to articulate their profiles of faith In this first English edition the work has been adapted for the American historical and social milieu As such it becomes a pathbreaking effort to articulate for our American constituency the global dimensions of a United Methodist theology in which the American church is increasingly called to participate Four emphases of the book are Responsible Proclamation Basics of a UMC theology Universal Salvation Personal Faith and Fullness of Christian Life and the Reality of Love
