Jerusalem Merav Mack, Benjamin Balint, 2019-05-14 A captivating journey through the hidden libraries of Jerusalem where some of the world's most enduring ideas were put into words In this enthralling book Merav Mack and Benjamin Balint explore Jerusalem's libraries to tell the story of this city as a place where some of the world's most enduring ideas were put into words The writers of Jerusalem although renowned the world over are not usually thought of as a distinct school their stories as Jerusalemites have never before been woven into a single narrative Nor have the stories of the custodians past and present who safeguard Jerusalem's literary legacies By showing how Jerusalem has been imagined by its writers and shelved by its librarians Mack and Balint tell the untold history of how the peoples of the book have populated the city with texts In their hands Jerusalem itself perched between East and West antiquity and modernity violence and piety comes alive as a kind of labyrinthine library *The World of a Renaissance Jew* David B. Ruderman, 1981-12-31 Within the Italian city states of the fifteenth and sixteenth centuries a relatively high degree of mutual tolerance and tranquility existed between the enlightened Christian majority and the small Jewish minority With the prevalence of favorable political social and economic circumstances for Jewish life in Italy a considerable number of Jews participated freely in Renaissance culture while upholding an intense awareness of their own particular identity This work is a study of the life and thought of one such Jew Abraham b Mordecai Farissol 1452 ca 1528 While born in Avignon Farissol spent most of his life in Italy close to the cultural centers of Renaissance society primarily in Ferrara but also in Mantua Florence and other Italian cities As scribe educator cantor communal leader polemicist Biblical exegete and geographer Farissol developed variegated interests and associations which provide exciting vantage points from which to view his cultural and social world As one of the first

comprehensive studies of any Italian Jewish figure of the period this book represents an important contribution to an understanding of Jewish society and culture But the significance of this study of Farissol s life extends beyond what can be learned about the man and his immediate community of co religionists Utilizing the life and thought of one person it explores and explicates the dialogue between Judaism and the culture of the Italian Renaissance Despite its intrinsic interest Jewish intellectual history in the Renaissance has remained an underdeveloped field Many sources still remain unexamined monographs on specific themes and figures have yet to be written David Ruderman s study breaks new ground by making use of extensive yet previously unpublished sources on Farissol and his society and by integrating them into the broader context of Jewish and Renaissance culture The work is of particular interest to historians of the Jews and of Renaissance Italy It also offers the general reader an excellent case study of the symbiotic relationship between Western culture and its Jewish minority in one of the most fertile periods of European civilization In dramatic fashion it illustrates how Jews not only survived but creatively flourished in a pluralistic setting by appropriating from the outside new forms and ideas which they integrated into their own vital cultural experience

The Debilitating Duo Roche Coleman,2023-10-02 Is it possible to violate God s moral law without experiencing guilt and shame Can a person silence their conscience from the strange emotions that emerge when one sin An examination of the original design of humanity in the imago Dei suggests one cannot sin and avoid the debilitating duo Humanity is created to live within the moral structure established by God Therefore a violation of the divine laws which is sin leads to guilt and shame The strange emotions were innate sensation imparted to humanity to stop rebellion against the moral laws and to compel an offender to acknowledge the offense through the confession of sin Unconfessed sin debilitates the physical and mental functions of a person created in the image of God Guilt and shame are the strange emotions that serve as mental guardians for an individual as well as for the society in general The duo was given as silent deterrents to immoral behaviors

The Apostles of Jesus Christ C. David Jones,2010-10-25 THE RABBI JESUS of Nazareth chose twelve men to form his own itinerant minyan to travel with him wherever he went throughout his earthly ministry A minyan is the number of adult Jews required to form a synagogue or to conduct Hebrew worship as a congregation Today the quorum is ten Originally the number was twelveth the same number of the original twelve tribes of Israel This book provides new materials based upon historical research analysis and an examination of the sociological interpersonal and group dynamics of this amazing group of Jesus s apostles The Appendices include a unique Minyan Sociogram maps and a new Readers Guide that offers additional resources for the reader A Leaders Manual with a DVD is also available for leaders of youth and adult Bible Study groups and church Sunday School classes Dr C David Jones has given us a marvelous and expansive piece of Research work and writing in this book in which he tells the fascinating story of the original twelve men and then the thirteen men who joined them to form a very special minyan their lives changed the world from the Introduction to the book by Dr Maxie D Dunnam past President and current Provost of Asbury Theological

From the Dust of the Earth Matthew J. Ramage, 2022-05-06 In this book the author's fourth dedicated to applying Joseph Ratzinger Benedict XVI's wisdom to pressing theological difficulties Matthew Ramage attempts to square advances in the field of evolutionary biology with the Bible as interpreted through the teaching of the Catholic Church Distinguishing between evolutionary theory properly speaking and materialist philosophy Ramage's work both addresses the challenge of evolutionary science to Catholic teaching on human origins and argues that discoveries in evolutionary biology yield precious insight into the mystery of God's saving plan in Christ applying Ratzinger's principles to such issues as the meaning of man's special creation the relationship between sin and death and the implications of evolution for eschatology
