Lots Of Feelings:

Lots of Feelings Shelley Rotner,2003-08-01 You can read a book but did you know that you can also read a face A face can tell you what someone is feeling In this expressive photo essay simple text and photographs introduce basic emotions happy grumpy thoughtful and more and how people show them Whether shared with a group parents or a counselor individually or in a class this title provides the tools to facilitate discussion about children and their feelings School Library Journal [Lots of Feelings](#) ,2011 [Lots and Lots of Feelings](#) Jennifer Moore-Mallinos,2018-03 A reassuring explanatory guide to emotions from joy and guilt to excitement and sadness for young children who may be struggling to deal with or process their feelings The brief conversational text and colourful illustrations will make the subject fun engaging and unintimidating Children and adults can read the large format book together and use it as the basis for conversations about feelings and personal issues Topics covered include joy anger jealousy laziness sadness grief anxiety shame embarrassment guilt impatience shyness love pride disappointment and mischievousness **The Monster Book of Feelings** Amie Taylor,2022-02-21 This book is designed to help children to understand and articulate the emotions they might experience feelings of anxiety and worry pride joy and excitement sadness anger and jealousy and provides simple strategies for managing their mental health Full of monster themed stories activities and downloadable worksheets it is ideal to use individually or in group settings with ages 5 9 Children will meet characters like Thomas the big purple monster who has a heavy backpack full of his worries and Geronimo who inconveniently creates small floods with his tears all around Icicle Island The second part of the book is a detailed guide for adults with explanations of key concepts support for delivering the activities suggested discussion points and drama activities to consolidate learning **TMI** Madison Penner,2020-01-09 TMI Truthful Marriage Insights is an intimate candid view into one woman s marriage offered to help others benefit from the lessons she s learned The book is aimed at encouraging newly married couples who are navigating the struggles that early marriage can endure The main theme is to seek God s help in establishing a Christ centred marriage whose values feature communication prayer and transparency For people looking forward to marriage and married couples TMI is a loaded toolbox The book is part memoir and it draws heavily from the author s personal stories This is a woman s honest authentic approach to marriage delivered alongside humble revelations she invites the reader to share This is documented proof that marriage can be fantastic with work an enduring focus on God and acceptance of your own imperfections And this is too much information in the best way a tell all real life contemplation of best practices for a Christ honouring marriage **A Pocketful of Feelings** Susie Barbaran,2016-08-15 The purpose of this book is to allow children to become familiar with and to hopefully use in their everyday language many adjectives that describe feelings Too many children when they see the face of a character in a book describe what that character may be feeling as good happy sad or mad I have taught Title 1 children from the first to the sixth grade for the past eleven years and these are my findings I also hope that parents and children

alike after reading this book will come to realize that being annoyed can end happily that someone who is teasing someone else will realize that all people are important that its okay to be cranky once in a while and that your cranky face probably is not as pretty as your happy face This book *A Pocketful of Feelings* is a collection of six short stories featuring an adjective describing a feeling These are adjectives that are not as commonly used as they could be I hope you enjoy these stories as much as I do

A Theory of Feelings Agnes Heller,2009-01-01 *A Theory of Feelings* examines the problem of human feelings widely understood from phenomenological analytic and historical perspectives It begins with an analysis of drives and affects and pursues the nature of feeling itself in all of its variability through a close study of the distinctive categories of emotions emotional dispositions orientive feelings and the passions As such the starting point of the analysis entails an examination of the characteristics of human involvement or our ways of being in the world Building upon this assessment of the conditions of human involvement the philosophical history and emotional economy characteristic of modern relationships is treated and the nature of expression social division suffering and responsibility is evaluated in light of the theory of feeling presented here Book jacket
