Lotta And The Unitarian Service Committee Story:

Lotta and the Unitarian Service Committee Story Clyde Sanger, 1986 **The Westminster Handbook to Women in American Religious History** Susan Hill Lindley, Eleanor J. Stebner, 2008-01-01 The Westminster Handbook to Women in American Religious History provides an affordable and accessible reference to over 750 outstanding individual women and women's organizations in American religious history From publisher description **Information and Intrigue** Colin B. Burke, 2014-05-16 An account of Herbert Field's quest for a new way of organizing information and how information systems are produced by ideology as well as technology In Information and Intrigue Colin Burke tells the story of one man's plan to revolutionize the world's science information systems and how science itself became enmeshed with ideology and the institutions of modern liberalism In the 1890s the idealistic American Herbert Haviland Field established the Concilium Bibliographicum a Switzerland based science information service that sent millions of index cards to American and European scientists Field's radical new idea was to index major ideas rather than books or documents In his struggle to create and maintain his system Field became entangled with nationalistic struggles over the control of science information the new system of American philanthropy powered by millionaires the politics of an emerging American professional science and in the efforts of another information visionary Paul Otlet to create a pre digital worldwide database for all subjects World War I shuttered the Concilium and postwar efforts to revive it failed Field himself died in the influenza epidemic of 1918 Burke carries the story into the next generation however describing the astonishingly varied career of Field's son Noel who became a diplomat an information source for Soviet intelligence as was his friend Alger Hiss a secret World War II informant for Allen Dulles and a prisoner of Stalin Along the way Burke touches on a range of topics including the new entrepreneurial university Soviet espionage in America and further efforts to classify knowledge **Canada's Global Villagers** Ruth Compton Brouwer, 2013-09-27 Established in 1961 the same year as the US Peace Corps Canadian University Service Overseas CUSO became the first Canadian NGO to undertake development work from a secular stance and in a context of rapid decolonization Over the next twenty five years nine thousand volunteers many of them women travelled to over forty countries and became Canada's face in the Global South Drawing on more than one hundred interviews Brouwer tells the story of how these young Canadians responded to the challenges of underdevelopment Moving beyond their initial naiveté they sought to fit into the host communities that had invited them and to provide social services particularly in education Returning home they brought unique skills to the Canadian International Development Agency CIDA and other development organizations and a new level of global consciousness and cultural diversity to Canadian society At a time when many are concerned about Canada's waning reputation for global humanitarianism this book reminds us of an earlier more hopeful time **Rescue and Flight** Susan Elisabeth Subak, 2010-05-01 When Susan Elisabeth Subak discovered that members of the Unitarian Church had helped her Jewish father immigrate to the United States she was unaware of the impact the

organization had made during World War II After years of research Subak uncovers the little known story of the Unitarian Service Committee which rescued European refugees during World War II and the remarkable individuals who made it happen The Unitarian Service Committee was among the few American organizations committed to helping refugees during World War II The staff who ran the committee assisted those endangered by the Nazi regime from famous writers and artists to the average citizen Part of a larger network of American relief workers the Unitarian Committee helped refugees negotiate the official and legal channels of escape and when those methods failed the more complex underground channels From their offices in Portugal and southern France they created escape routes through Europe to the United States South America and England and rescued thousands often at great personal risk

Notable American Women with Czechoslovak Roots

Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

Canada and the Korean War

Andrew Burtch,Tim Cook,2024-05-01 Korea was the first hot war of the Cold War It was also Canada's most significant military engagement of the twentieth century following the two world wars Canada and the Korean War gathers leading scholars to explore the key themes and battles of a seminal yet understudied conflict Canada had little stake and less interest in Korea before 1950 but the risk the conflict posed to the fragile postwar order was deemed too great for the country to stand on the sidelines Alongside their allies more than 30 000 Canadian service personnel fought a determined and skilled enemy The armistice that ended the war left Korea devastated and divided and it remains a dangerous hotspot today This timely collection synthesizes Canadian and international perspectives on a conflict that shaped not only the Canadian armed forces but also the evolving Canada Korea relationship In the process Canada and the Korean War sheds light on how the war has been framed and reframed in public memory

The Top Books of the Year Lotta And The Unitarian Service Committee Story The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Lotta And The Unitarian Service Committee Story : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
