Literary Research and the British Renaissance and Early Modern Period Jennifer Bowers, Peggy Keeran, 2010-04-13 Recognizing that every literary era presents scholars with particular challenges this volume covers the best practices and describes important reference resources both print and electronic that can be used in conducting literary research of the British Renaissance and Early Modern period Although the primary emphasis is on literature produced in England the guide also covers literature from Scotland Wales and Ireland This book addresses specific research characteristics integral to studying the period including a more inclusive canon and the predominance of Shakespeare a dual environment of print and manuscript production the challenges of reading early modern handwriting a lack of reviewing media the role of translations and researching non standardized genres among others Central to this volume and to literary

research of the era are the equally valid approaches to studying this literature through the more traditional Renaissance lens or through the varying theoretical approaches falling under the rubric early modern Bowers and Keeran explore primary and secondary research resources of this era including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives microfilm and digitization projects 17th century periodicals contemporary reception translations and lexicons genres and electronic texts journals and Web resources A final chapter entitled Researching a Thorny Problem demonstrates how many of the research tools and strategies presented in the volume can be employed to explore a question that perhaps has no definitive answer Each chapter addresses how research methods and tools are best used to extract relevant information and compare and evaluate sources The strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques are also examined making this book an invaluable guide to any scholar of the Renaissance and early modern era *Modern Studies in Property Law, Volume 12*

Natalie Mrockova, Aruna Nair, Luke Rostill, 2023-08-10 This edited collection of papers comes from the well established Modern Studies in Property Law biennial conference It examines a diverse range of topics in property law and uses a wide range of methodological approaches to reflect on a variety of current and emerging themes and important issues that have been overlooked offering new analysis and insights that will be valuable for property lawyers academics and students It considers new developments in property law including those connected with digital assets and the issues that have arisen from co housing The contributors are leading academics and practitioners from several common law jurisdictions which expands the book's focus and enhances its value to the reader **Subject Index of the Modern Books Acquired by the**
