The New Nomads Felix Marquardt, 2021-07-08 We have lost the plot when it comes to migration In our collective consciousness the term migration conjures up images of hordes of refugees fleeing their country escaping on rafts and coming to invade ours When we think of migration we think of largely unwanted immigration and its ills We've got it all wrong Far from being abnormal the act of going in search of a better life is at the core of the human experience And now a new kind of nomad is emerging What used to be a movement largely from east to west south to north developing to developed country is becoming more of a multilateral phenomenon with each passing day Young people from everywhere are moving everywhere Or rather they are moving to where they expect to improve their lives and are turning the world into a beauty contest of cities and regions and companies vying to attract them They are doing so because movement has become a key to their emancipation After centuries of becoming sedentary the future of humanity and the key to its enlightenment in the 21st century lies in embracing nomadism Migration fosters the qualities that will allow our children to flourish and succeed Our times require more migration not less Part memoir part generational manifesto The New Nomad is both the chronicle of this revolution and a call to embrace it Lou Petrucci, 2006-02-01 Nicky Palmieri self-conscious and resentful over the scars left from cleft palate surgery learns lessons about life death friendship and family over the course of one baseball filled summer

Camp '67 Brendan Whitt, 2016-10-12 From Brendan Whitt the author of A Summer In Harlem and When the Crows Come Home comes his dramatic and episodic story about friendship During the summer of 1967 a wealthy widow known as Ms Cathy opens Camp Hope N Oak a progressive summer camp for children ages 11 to 13 Her hope is to create an environment where children can be free from the racial atmosphere they are subjected to in everyday life In Cabin No 20 two black campers from different backgrounds bunk with two white campers The new cabin mates get off to a rough start when one of them faces his own prejudices Once over their racial misconceptions and assumptions Cabin No 20 goes in search of a secret hangout that the counselors go to when all of the campers are asleep On their way to completing the mission each one of the boys must fight his own personal battles including the death of a close friend and fellow camper
