Night Of Ghosts And Lightning:

Night of Ghosts and Lightning Robyn Tallis, 1988-11-01 Six teenagers whose encounter in the Catalan Mountains has left them with inexplicable powers are all that stands between the city of Ambora and total destruction *The Ghosts of Meeker Hollow* C. H. Crane, 2013-12-31 When Tim cousin Natalie and the Weaver twins are invited to Stretch's grandparents a fun day of swimming and eating birthday cake turns into an evening of thunderstorms and darkness Once the power goes out there really is not much to do Until the kids decide to tell ghost stories Sitting in a circle with the glow of their flashlights outlining the shadows of their faces they're not too impressed with each other's stories That is when Stretch's grandfather joins the group and describes how a real ghost story goes Grandpa shares a tale of a mystery that happened many many years ago in their own hollow A tale of some evil entity buried in the old cemetery Is this story just a tall tale Or is it perhaps something more something that may have really happened all those years ago Join the gang in this new adventure as they investigate the Ghosts of Meeker Hollow and find out firsthand what happens when daylight fades into darkness

A Print Of A Man Edmond Alcid,2007 I had walked out of the bush an old man How Old I did not know The years had passed without the need to celebrate the remembrance of a birth date There was something familiar about the place I stood Slowly faint memories recalled past moments of my life As a young man I had walked across this field many times I noticed a man rocking lazily on an open porch across the field I know the man approaching there is a twinkle in his eye We pause and stop our eyes studying each and every feature of the other He is familiar I search my memory for names to place with the face before me Thomas Yes I am Thomas Chapais Thomas I am Nicolas Two old men stood there dumb founded with nothing to say but to repeat each other s name with favour contempt anger sadness and an undying love that only kinship knows Without an embrace nor a handshake we bonded as brothers need to Our eyes were reluctant to gaze away for fear of the image disappearing

The Ghost of Thailand Rick Mercer,2013-03-04 This book is a tale about a girl who was born into an unexpected reality We laugh at the unexplained and tend to mock what we dont understand This girl was born into a world that didnt want her She found love with her Grandmother in the northeastern farms of Thailand At the age of six she encountered a near death experience that forever changed her life During the course of her first seventeen years she experienced coming back from the other side She witnessed a public suicide and an old man being publically beaten to drive out a spirit that people believed made him ill She was visited by spirits that would give even the strongest person nightmares The book is very entertaining when you see how this child copes with everyday life experiences as well as the supernatural experiences At the age of thirteen she was able to catch a thief At an older age she was able to deal with spirits that wanted nothing more than to do harm I mean physical harm This book is about a little girl with more inner strength than most of us can possibly comprehend She tapped into her inner self and found the courage to accept and to rationalize their very existence This book is about a little girl named by a nurse because no one was around to give her a name Her name is Nongnooch Mercer

Staging the Ghost Story Kelly

Jones, 2025-06-29 *Staging the Ghost Story* is the first book to offer a critical appraisal of the centuries long relationship between the ghost story and the English stage. The book balances a critical consideration of the ghost story in performance, its history, its cultural politics, and its generic conventions with practical insight regarding the valency of live representations of the supernatural, the challenges of embodiment, and the power of storytelling. Throughout it draws upon accompanying interviews with prominent directors, playwrights, performers, and stage designers in the industry, including Mark Gatiss, Robin Herford, Michael Holt, Danny Robins, Robert Lloyd Parry, Rebecca Vaughan, Tajinder Singh Hayer, Glen Neath, Adam Z. Robinson, Richard Sutton, Paul Voodini, and Jonathan Goodwin. With a focus upon the seminal elements of theatrical performance—time, space, bodies, devices, and audience—the book invites the elusive shadows of the ghost story to take centre stage.
