hundred dollars in his pocket and unable to speak a word of English he came in a cargo military plane as a poor immigrant in the United States. He was forced into menial labor in a filthy environment in order to survive from his humble determination to learn the English language on a statue of Moses in Washington Park Albany NY. The decades after his migration from Cuba in October of 1962 had helped to block out the horrific realities of the revolution but not the sadness and unrest he still experienced. From childhood and through his adult life Maximo Gomez questioned what his life was meant for and not receiving an answer he found peace only in retreat and solitude. In September of 1997 as he grieved his father's death he received an otherworldly commission from his ancestors to pen down his family's history. A story that would span almost one hundred years forcing him to relive the anguish and despair of every generation he uncovered. During his quest Maximo Gomez returned to Cuba wrote letters to the Vatican and genealogical societies in Spain. Curiously and yet cautiously the author moved through a maze of politics affluence betrayal death and privation that he later came to recognize as a journey of rediscovery. In this dramatized often funny historical fiction Max Gomez puts his phantoms to rest finding the door of reconciliation between his future and his past. Diplomatic Days and A Diplomat's Wife in Mexico Edith O'Shaughnessy, Though the events recorded in these letters are

known to all the world they may perhaps take on another significance seen through the eyes of one who has loved Mexico for her beauty and wept for the disasters that have overtaken her The time has not yet come for a full history of the events leading to the breaking off of diplomatic relations but after much pondering I have decided to publish these letters They were written to my mother day by day after a habit of long years to console both her and me for separation and without any thought of publication In spite of necessary omissions they may throw some light on the difficulties of the Mexican situation which we have made our own and which every American wishes to see solved in a way that will testify to the persistence of those qualities that made us great Victoriano Huerta the central figure of these letters is dead and many with him but the tragedy of the nation still goes on So above all thought of party or personal expediency and because of vital issues yet to be decided I offer this simple chronicle The Mexican book is still open the pages just turned are crumpled and ensanguined New and momentous chapters for us and for Mexico are being written and I should be forever regretful had courage failed me to write my little share It is two years ago to day that diplomatic relations were broken off between the two republics It is more than two years since the Constitutionalists under Villa and Carranza have had our full moral and material support The results have been a punitive expedition sent into Mexico to capture Villa and very uncertain and unsatisfactory relations with the hostile de facto government under Carranza As for beautiful Mexico her industries are dead her lands laid waste her sons and daughters are in exile or starving in the treasure house of the world What I here give forth and the giving is not easy I offer only with a trembling hope of service **My Heart Lies South** Elizabeth Borton De Trevino, 2000-10-01 What happens when a thoroughly twentieth century American lady journalist becomes a Mexican se ora in nineteen thirties provincial Monterrey She finds herself sometimes hilariously coping with servants daily food allowances bargaining and dramatic Latin emotions In this vivid autobiography Newbery Award winning author Elizabeth Borton de Trevi o brings to life her experiences with the culture and the faith of a civilization so close to the United States but rarely appreciated or understood This special young people s edition presents the humor and the insights of a remarkable woman and her contact with an era which is now past but not to be forgotten The Bellman ,1914 Wilson Library Bulletin ,1969-02
