

Paper Boats

Day by day I float my paper boats one by one down the running stream.

In bid black letters I write my name on them and the name of the village where I live.

I hope that someone in some strange land will find them and know who I am.

I load my little boats with shiuli flower from our garden, and hope that these blooms of the dawn will be carried safely to land in the night.

I launch my paper boats and look up into the sky and see the little clouds setting thee white bulging sails.

I know not what playmate of mine in the sky sends them down the air to race with my boats!

When night comes I bury my face in my arms and dream that my paper boats float on and on under the midnight stars.

The fairies of sleep are sailing in them, and the lading ins their baskets full of dreams.

heart of nature where we all belong **The Poems of Shelley: Volume Three** Jack Donovan, Cian Duffy, Kelvin Everest, Michael Rossington, 2014-05-22 Percy Bysshe Shelley 1792-1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language. This is the third volume of the five-volume *The Poems of Shelley* which presents all of Shelley's poems in chronological order and with full annotation. Date and circumstances of composition are provided for each poem and all manuscript and printed sources relevant to establishing an authoritative text are freshly examined and assessed. Headnotes and footnotes furnish the personal literary, historical and scientific information necessary to an informed reading of Shelley's varied and allusive verse. Most of the poems in the present volume were composed between autumn 1819 and autumn 1820. The poems written in response to the political crisis in England following the Peterloo massacre in August 1819 feature largely among them: *The Mask of Anarchy* and *An Ode Arise, arise, arise*. The popular songs which Shelley intended to gather into a volume to inspire reformers from the labouring classes, several accompanied by significantly new textual material recovered from draft manuscripts, are included, as are the important political works *Ode to Liberty*, *Ode to Naples* and *Oedipus Tyrannus*. Shelley's burlesque Greek tragedy on the Queen Caroline affair, *Other major poems featured include* *The Sensitive Plant*, *Ode to the West Wind*, *Letter to Maria Gisborne*, an exuberant translation from the ancient Greek of the Homeric Hymn to Mercury and the brilliantly inventive *The Witch of Atlas*. In addition to accompanying commentaries, there are extensive bibliographies, a chronology of Shelley's life and indexes to titles and first lines. Leigh Hunt's informative Preface of 1832 to *The Mask of Anarchy* is also included as an Appendix. The volumes of *The Poems of Shelley* form the most comprehensive edition of Shelley's poetry available to students and scholars.

Poems in a Line Iosefina Schirger, *The Light Color and Sound of Words* Iosefina Schirger writes and dreams touching the light color and sound of words with her fingers. Entire poems seem to come from a universe where beauty floats in the air. Wherever you start reading poetry, it extends a hand; you pass through the labyrinth of love together, then linger in meditation and contemplation. The painting is created with the heart. You dream. Before writing, Iosefina contemplates the world and resonates with things. Once penetrated into us, her poetry takes on other dimensions: horizons we would never have suspected, transcendence, demiurgic discourse, symbol. Iosefina's poetry is a continuous flame; it doesn't extinguish, only illuminates, dispels shadows, sadness, unfulfillment. The flame that burns with an open fire or smolders within us is love itself, a continuous oscillation between the inner self and the surrounding world. It is Ana herself from the immortal legend, built with faith and tears in a poem and now emerging from the wall like a mirage of infinity. Poetry is indeed the art of baring your soul, of coexisting in love. Marin Rada, *Transcending the Ordinary*. In the intricate universe of *Poems in a Line* by Iosefina Schirger, a poet of love, togetherness and longing, we embark on a lyrical journey that transcends the ordinary and invites us into the realm of dreams, symbolism and introspection. This poetry volume, woven with words that dance between reality and imagination, unveils the enigmatic landscapes of the poet's mind. *The Kite Collection* sets the stage where words

become kites soaring through the vast expanse of emotions Schirger crafts verses that are more than mere linguistic expressions they are ethereal messages carried by the wind of creativity Each poem a delicate string tethered to the soul paints a vivid picture of dreams longing and the pursuit of meaning As we delve into Whirligigs we are swept into a whirlwind of thoughts and reflections The poet invites us to question the nature of existence to contemplate the whimsical whirligigs of life and to navigate the complexities of the human experience The verses echo with a timeless rhythm mirroring the cyclical nature of our journey through joy and sorrow Talks on the Limit invites contemplation on boundaries both tangible and intangible Schirger explores the edges of reality pushing against the limits of perception and understanding The poems become a conversation with the universe challenging the constraints that bind our thoughts and aspirations Exercises against Falling introduces a delicate balance between vulnerability and resilience The poet guides us through exercises of the soul teaching us to navigate the precarious landscapes of love loss and self discovery The verses become a testament to the strength found in embracing our vulnerabilities and learning to stand tall even in the face of adversity In Green Horses the poet takes us on a surreal journey through landscapes painted with shades of nature and imagination The green horses gallop through the verses symbolizing the untamed spirit of creativity Schirger encourages us to ride alongside these mythical creatures embracing the wild and untethered aspects of our own artistic endeavors The Garden from a Test Tube blossoms with metaphors and allegories inviting us into a garden of possibilities Here the poet explores the genesis of ideas the cultivation of imagination and the artistry involved in nurturing creativity Each sentence becomes a seed planted in the fertile soil of the mind promising a harvest of profound insights and poetic beauty Spring Happiness celebrates the rejuvenating spirit of spring both in the natural world and within the human heart Schirger's verses bloom with the vibrancy of the season inviting us to revel in the joy of renewal growth and the eternal cycle of rebirth The poem becomes a lyrical ode to the ever changing canvas of life Noise in My Head delves into the cacophony of thoughts emotions and memories that inhabit the poet's mind Through a symphony of words Schirger invites us to listen to the internal noise to decipher the melodies and dissonances that shape our inner worlds The poems become a reflection of the chaotic beauty found within the depths of the human psyche Simulating the Concentration challenges us to confront the distractions that vie for our attention in a world filled with constant stimuli Schirger invites us to engage in the delicate dance of concentration to simulate the focus required to navigate the complexities of modern existence The verses become a meditation on the delicate balance between presence and distraction The Poems Drawer opens a portal to the poet's repository of verses a drawer filled with the treasures of language and emotion Each passage carefully folded and placed within becomes a testament to the power of words to capture moments emotions and the essence of the human experience Schirger's poetic drawer becomes a sanctuary for the soul a place where the echoes of the heart find a home As we navigate the poetic landscapes of Poems in a Line we discover a wealth of emotion imagination and profound introspection Iosefina Schirger invites us to embark on a journey

where each poem is a step into the vast terrain of the human experience The collection becomes not only a series of verses but also a lyrical odyssey that transcends the boundaries of language inviting readers to immerse themselves in the poetic magic crafted by the author May these poems resonate with your own experiences stir your emotions and invite you to explore the boundless possibilities that poetry offers Vasile Poenaru **Paper Boats** Tom Bierovic,2020-07-07 Note to readers Most of the haiku in Paper Boats were previously published in Tom Bierovic s larger book of poems Blink of a Duck s Eye a collection of haiku senryu and tanka poetry Readers primarily interested in haiku may want to order Paper Boats while readers who are also interested in senryu and tanka poetry may want to order Blink of a Duck s Eye You may have been introduced to haiku in elementary or middle school by a well meaning teacher who told you that haiku is a type of poem from Japan set in nature and written in three lines of five seven and five syllables However haiku is really more challenging more subtle and more intriguing than just saying something poetic about nature in three lines and 17 syllables Haiku focus on a specific moment that catches the poet s attention and that sparks an imaginative leap a haiku moment Today most haiku written in English and many other languages throughout the world are shorter than the traditional 17 syllables and although most are still written in three lines it s not unusual to see a haiku presented in just one or two lines Here s one of Tom Bierovic s haiku from Paper Boats gathering clouds in the pelican s beak a PB in fact the best haiku are unfinished until the reader adds what s sometimes called the fourth line his or her own creative leap only hinted at by the poem itself Here s another of Tom s haiku from Paper Boats melting icicle a sparrow showers drip by drip This poem won Runner up in the British Haiku Society s awards contest for 2019 and was published in the prestigious journal Blithe Spirit Contest judge David Lanoue offered this commentary about the poem The melting icicle haiku is exquisite in its observation and suggestiveness of feeling One drip at a time the sparrow patiently showers shaking its head I imagine ruffling its feathers and then waiting for more I imagine that it is also waiting for springtime heat and the resurgence of life that the melting of winter ice betokens I sense such warmth compassion and camaraderie Issa like for the little bird Paper Boats has already earned its place among the finest collections of modern English language haiku Readers of all ages and backgrounds will be sure to enjoy Tom Bierovic s intriguing perceptive and beautifully crafted poems About the Author Tom Bierovic M Ed M Div is a widely published and award winning poet In his free time Tom enjoys reading playing backgammon playing Native American flutes and Irish whistles and drumming on bongos and djembe He and his wife Laurie make their home in DeLand Florida **Poems and Short Stories** Sangharakshita,2020-04-07 This volume contains all of Sanghrakshita s poems and six short stories It is prefaced by a foreword and two essays introducing the poems in different ways It also includes edited versions of two talks Sangharakshita gave about specific poems and a sequence of conversations about his poetry that were recorded towards the end of his life *Windmills and Paper Boats* writers worldwide,Catherine Broughton,Jeseca R Lowell,2016-09-09 Stories poems for kids
