MacArthur, 2015-10-27 Discover how Jesus parables can help you better understand God s Word and how to live today Have you ever wondered why Jesus often spoke in parables Are you curious about what lessons we can learn from these parables today Pastor and bestselling author John MacArthur breaks down the parables and teaches you how we can apply these deceptively simple stories to modern Christianity Jesus was a master storyteller and the parables he often told were no exception Beneath these unassuming stories were deeply profound spiritual lessons that were designed to reach all who heard them from the faithful to the faithless and they re still relevant

today In Parables MacArthur argues that these short memorable stories represented more than just symbolism or a clever teaching style they were carefully crafted tales that made the mysteries of the Gospel more accessible to everyday believers Parables will help you see Jesus teachings in a brand new light addressing some of the most common questions on the topic including When did Jesus start teaching in parables What makes parables so accessible How can we interpret these stories What common threads link each of the parables together What do parables teach us about the kingdom of God John MacArthur has spent a lifetime sharing the Word of God in clear and comprehensible terms with believers of all walks of life Let him be your guide as he sheds light on the essential lessons contained in the most infamous and influential short stories the world has ever known

The Parables Brad H. Young,2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty

The Bible in a Day Mike Whiting,2016-04-21 Are you familiar with the whole Bible Have you read it all Answers of no would not be surprising It s not uncommon for people to find the prospect of reading the whole Bible daunting There are plenty of reading plans to be found on the internet but despite the

variety of advice available it can still remain a struggle to decide how best to approach the task Having made a decision sticking to the chosen plan is a challenge It isn't helped by the numerous Bible passages that don't make for enjoyable reading there are thirty three begats in Genesis 10 and 11 alone It takes about 72 hours to read it all and when you've finished how much will you remember Probably not much So why spend that length of time trying to familiarise yourself with the Bible when you can do it in around just seven hours Or if you do it in one sitting just a day That's what *The Bible in a Day* does for you This is primarily achieved by a precis of the history books the plot if you will from Genesis to Revelation This is followed by the New Testament epistles to build on what has just been read about Jesus and the early church then finally a return to the Old Testament for the Prophets and Poetry and Wisdom books Of course not all the Bible can be reduced to a precis Once we move away from the history books then the others vary from a precis to a summary dependent on content Read this book once and you will have a good feel for what's in the Bible Read it a few times and it will all become very familiar to you This helpful and informative summary of the Bible will particularly appeal to new Christians who may be feeling overwhelmed as well as those established in their faith who wish to refresh their knowledge

Surprised by the Parables Michelle Lee Barnewall, 2020-01-22 Jesus parables can't simply be interpreted they must be experienced In the gospels Jesus used parables to teach transformative lessons and convey deep spiritual truths about the kingdom of God But he often used them to confront and challenge his audience as well forcing them to open or close their hearts to the kingdom Jesus understood the power of stories but there are some things lost in translation when we try to interpret those same stories thousands of years removed from their original context The unexpected twists and surprises in the parables might be missed by a modern audience because they're unfamiliar with the underlying points of reference In

Surprised by the Parables Michelle Lee Barnewall explores the ancient context these parables drew from These stories of grace reveal many of the mysteries central to God s character and understanding the ancient world behind them will help us see the parables from a new perspective *The Parables Illustrated: a Series of Addresses to Children* Thomas Bond BISHOP,1870
