ready to unpack your worldview and embrace a supracultural gospel **This is your hour** John Carter Wood,2019-05-02 In the 1930s and 1940s amid the crises of totalitarianism war and a perceived cultural collapse in the democratic West a high profile group of mostly Christian intellectuals met to map out middle ways through the age of extremes Led by the missionary and ecumenist Joseph H Oldham the group included prominent writers thinkers and activists such as T S Eliot John Middleton Murry Karl Mannheim John Baillie Alec Vidler H A Hodges Christopher Dawson Kathleen Bliss and Michael Polanyi The Oldham group saw faith as a uniquely powerful resource for social and cultural renewal and it represents a fascinating case study of efforts to renew freedom in a dramatic confrontation with totalitarianism The group s story will appeal to those interested in the cultural history of the Second World War and the issue of applying faith to the modern social order **Gospelbound** Collin Hansen,Sarah Eekhoff Zylstra,2021-04-06 A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture from two respected Christian storytellers and thought leaders Offers neither spin control nor image maintenance for the evangelical tribe but genuine hope Russell Moore president of ERLC As the pressures of health warnings economic turmoil and partisan politics continue to rise the influence of gospel focused Christians seems to be waning In the public square and popular opinion we are losing our voice right when it s needed most for Christ s glory and the common good But there s another story unfolding too if you know where to look In Gospelbound Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy Discover how in these dark times the light of Jesus shines even brighter You haven t heard the whole story And that s good news

Oscar Penn Fitzgerald,1902 The New Testament as Canon Robert W. Wall,Eugene Lemcio,1992-09-01 This wide ranging collection of essays provides the reader with a critical introduction to the New Testament as the church's canon The authors conviction is that the Bible belongs first of all to the community of believers rather than to the guild of biblical scholars But that does not make the tools and tasks of modern biblical criticism unimportant Rather they are the constructive means by which the scholar discerns the nature of the ongoing conversation between the church and its biblical canon and helps form the church into a community of worship and witness Whether from a particular composition's point of origin or from the various properties added to it during the canonizing process or from its location within the final canonical product the scholars recover multiple clues from the ancient church's dialogue with its scriptures that help delimit the boundaries and establish the aims of the same dialogue between today's faith community and its biblical canon **Imperial Fault Lines** Jeffrey Cox,2002 This book tells the history of Christian missionary encounters with non Christians as British and American missionaries spread out from Delhi into the heartland of Punjaba part of the world where there were no Christians at all until the advent of British imperial rule in the early 19th century **The Cross-Cultural Process in Christian History** Andrew F. Walls ,2015-02-26 Walls shows how the demographic transformation of the church has brought us to a new Ephesian moment The church is challenged as never before to become one global body with its many cultural and ethnic members contributing their gifts Former patterns of domination need to be superseded His seer's eyes probe beneath the surface to bring the reader insights into Pentecostalism African traditional religion and the ironic ways in which the Western missionary movement often accomplished things both for good and for ill that its agents never dreamed of *The Pathfinder, a journal of independent religious reform, conducted by P.W.
