Red Thunder Tropic Lightning The World Of A Combat Division In Vietnam:

Red Thunder, Tropic Lightning Eric M Bergerud, 2019-08-16 This BOOK EXAMINES the world confronted by the men of an American combat division during the Vietnam War Although the unit in question is the 25th Infantry Division this is not a unit history or standard military chronology Instead I try to view all of the major parts of the soldiers world including subjects as diverse as climate living conditions deadly combat and morale The world inhabited by the soldiers of the 25th Division was not theirs alone the men and women who served with other frontline units in Vietnam will immediately recognize the major landmarks Using the 25th Division as a focal point I hope to help the people of today better understand what the Vietnam War was like in fact not fiction This work is based on a variety of sources The documentary foundations come from a great number of 25th Division records generated during the war the most important of which are the large quarterly Division reports They in turn are complemented by the quarterly reports that came from II Field Force Vietnam the Army headquarters for the units operating in the provinces near Saigon The Center of Military History Department of the Army provided these documents to me while I was doing research on the village war in a Vietnamese province I used this research to write *The Dynamics of Defeat The Vietnam War in Hau Nghia Province* Westview Press 1991 which deals with the political and military struggle waged by both sides in an important part of the 25th Division's area of operations [Our Year of War](#) Daniel P. Bolger, 2025-05-01 Two brothers Chuck and Tom Hagel who went to war in Vietnam fought in the same unit and saved each other's life They disagreed about the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots ravaged our cities Assassins shot our political leaders Black fought white young fought old fathers fought sons And it was the year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each saved the other's life under fire But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century Following the brothers paths from the prairie heartland through a war on the far side of the world and back to a divided America *Our Year of War* tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united **Armies, Corps, Divisions, and Separate Brigades**, 1987

Armies, Corps, Divisions, and Separate Brigades, 1999 Includes the lineages and honors for all armies corps divisions and separate combined arms brigades in order to perpetuate and publicize their traditions honors and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army Army Reserve and Army of the United States since the beginning of World War II Included in this edition is the 12th Infantry Division formerly the Philippine Division which did not appear in the earlier one The lineages are current though 1 October 1997 Brigade

Making Peace with the 60s David Burner, 2021-07-13 David Burner s panoramic history of the 1960s conveys the ferocity of debate and the testing of visionary hopes that still require us to make sense of the decade He begins with the civil rights and black power movements and then turns to nuanced descriptions of Kennedy and the Cold War the counterculture and its antecedents in the Beat Generation the student rebellion the poverty wars and the liberals war in Vietnam As he considers each topic Burner advances a provocative argument about how liberalism self destructed in the 1960s In his view the civil rights movement took a wrong turn as it gradually came to emphasize the identity politics of race and ethnicity at the expense of the vastly more important politics of class and distribution of wealth The expansion of the Vietnam War did force radicals to confront the most terrible mistake of American liberalism but that they also turned against the social goals of the New Deal was destructive to all concerned Liberals seemed to rule in politics and in the media Burner points out yet they failed to make adequate use of their power to advance the purposes that both liberalism and the left endorsed And forces for social amelioration splintered into pairs of enemies such as integrationists and black separatists the social left and

mainline liberalism and advocates of peace and supporters of a totalitarian Hanoi Making Peace with the 60s will fascinate baby boomers and their elders who either joined denounced or tried to ignore the counterculture It will also inform a broad audience of younger people about the famous political and literary figures of the time the salient moments and above all the powerful ideas that spawned events from the civil rights era to the Vietnam War Finally it will help to explain why Americans failed to make full use of the energies unleashed by one of the most remarkable decades of our history [The Lost Boys](#) Tim Potter,2008-01-15 The Lost Boys A Parochial Novel of the Vietnam Generation deals with a group of Vietnam Veterans who enter return to college after leaving the service and the problems they encounter in attempting to readjust to civilian life Set primarily in Southern California from the late 1960s to mid 70s the novel follows the path of the traditional mythological heros journey as seen from the viewpoints of ten Lost Boys Exhaustively researched Lost Boys is an emotional odyssey through one of the most dramatic and painful periods in Americas recent past *Where the Domino Fell* James S. Olson,Randy W. Roberts,2011-09-23 Where the Domino Fell recounts the history of American involvement in Vietnam from the end of World War II clarifying the political aims military strategy and social and economic factors that contributed to the participants actions Provides an accessible concise narrative history of the Vietnam conflict A new final chapter examines Vietnam through the lens of Oliver Stone s films and opens up a discussion of the War in popular culture A chronology a glossary and a bibliography all serve as helpful reference points for students **Understanding and Teaching the Vietnam War** John Day Tully,Matthew Masur,Brad Austin,2013-10-07 Part One Reflections on Teaching the Vietnam War Part Two Methods and Sources Part Three Understanding and Teaching Specific Content **Vietnam War Almanac** James H. Willbanks,2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly [Term Paper Resource Guide to Twentieth-Century United States History](#) Ron Blazek,Teri Maggio,Robert Muccigrosso,1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments

Mitchell K. Hall, 2009-05-20 An insightful look into the immediate and long term impact of the Vietnam War on a wide range of people and social groups both Americans in the United States and in Vietnam This collection of essays by highly respected social historians looks at the Vietnam War era through the eyes of the ordinary citizens caught up in those tumultuous times Focusing on the period between 1961 and 1975 from the dramatic U S military escalation to the fall of Saigon it offers fresh insight on the impact of the war on individuals on the home front and the battlefield Each chapter of *Vietnam War Era People and Perspectives* examines how a particular group of Americans interacted with the war and its related issues among them military advisors and soldiers the silent majority and antiwar activists women labor unions African Americans students government leaders veterans the media and religious communities The authors draw clear connections between the stories of individual lives and the larger social movements that defined the era s human drama *The Tet Offensive* James H. Willbanks, 2008 In the Tet Offensive of 1968 Viet Cong and North Vietnamese forces launched a massive countrywide attack on South Vietnam Though the Communists failed to achieve their tactical and operational objectives James Willbanks claims Hanoi won a strategic victory The offensive proved that America s progress was grossly overstated and caused many Americans and key presidential advisors to question the wisdom of prolonging combat Willbanks also maintains that the Communists laid siege to a Marine combat base two weeks prior to the Tet Offensive known as the Battle of Khe Sanh to distract the United States It is his belief that these two events are intimately linked and in his concise and compelling history he presents an engaging portrait of the conflicts and singles out key problems of interpretation Willbanks divides his study into six sections beginning with a historical overview of the events leading up to the offensive the attack itself and the consequent battles of Saigon Hue and Khe Sahn He continues with a critical assessment of the main themes and issues

surrounding the offensive and concludes with excerpts from American and Vietnamese documents maps and chronologies an annotated list of resources and a short encyclopedia of key people places and events An experienced military historian and scholar of the Vietnam War Willbanks has written a unique critical reference and guide that enlarges the debate surrounding this important turning point in America s longest war *Looking for a Hero* Peter Maslowski, Don Winslow, 2020-10-08

Widely acclaimed as the Vietnam War s most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia *Looking for a Hero* extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper s war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper s medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army s inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America s defeat becomes clear *After Vietnam* Charles E. Neu, 2000-06-16

Efforts to understand the impact of the Vietnam War on America began soon after it ended and they continue to the present day In *After Vietnam* four distinguished scholars focus on different elements of the war s legacy while one of the major architects of the conflict former defense secretary Robert S McNamara contributes a final chapter pondering foreign policy issues of the twenty first century In the book s opening chapter Charles E Neu explains how the Vietnam War changed Americans sense of themselves challenging widely held national myths the war brought frustration disillusionment and a weakening of Americans sense of their past and vision for the future Brian Balogh argues that Vietnam became such a powerful metaphor for turmoil and decline that it obscured other forces that brought about fundamental changes in government and society George C Herring examines the postwar American military which became nearly obsessed with preventing another Vietnam Robert K Brigham explores the effects of the war on the Vietnamese as aging revolutionary leaders relied on appeals to revolutionary heroism to justify the communist party s monopoly on political power Finally Robert S McNamara aware of the magnitude of his errors and burdened by the war s destructiveness draws lessons from his experience with the aim of preventing wars in the future **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war

housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist

Supplement to Vietnam 1964-1973 ,2005 The Vietnam War on Film David Luhrssen,2019-05-10 Vietnam War on Film illustrates how to employ film as a teaching tool It also stands on its own as an account of the war and the major films that have depicted it Even for many people who experienced the Vietnam War first hand memories of that conflict have often been shaped by the popular films that depicted it The Quiet American The Green Berets The Deer Hunter Coming Home Platoon Full Metal Jacket and Apocalypse Now among others Vietnam War on Film examines how the war is portrayed through a selection of ten iconic films that represent the war through dramatization and storytelling as opposed to through documentary footage The book includes an introduction to the war s history and a timeline of events followed by ten chapters each of which focuses on a specific Vietnam War movie Chapters offer a uniquely detailed level of historical context for the films weighing their depiction of events against the historical record and evaluating how well or how poorly those films reflected the truth and shaped public memory and discourse over the war A final section of resources provides a comprehensive annotated bibliography of print and electronic sources to aid students and teachers in further research

Poetic Healing Mark E. Huglen,Basil B. Clark,2004-11-28 Recounts the poetic healing of a Vietnam veteran with poetry and plays Describes the five phases of healing through commentary and explores intrapersonal and interpersonal conflict dialectic and metaphysics as well as suicide and anti relational and relational communication
