Tomás Ó Crohan Mairiad Nic Craith charts the development of Criomhthain as an author, the writing, illustration and publication of the memoir in Irish and the reaction to its portrayal of an authentic Gaelic lifestyle in Ireland. As she probes the appeal of an island fisherman's century-old life story to readers in several languages, considering the memoir's global reception in human literary and artistic terms, Nic Craith uncovers the indelible marks of Criomhthain's writing. Closer to home, the Blasket Island Interpretive Centre, which seeks to institutionalize the experience evoked by the memoir, and a widespread writerly habit amongst the diasporic population of the Island. Through the overlapping frames of literary analysis, archival work, interviews and ethnographic examination, nostalgia emerges and re-emerges as a central theme expressed in different ways by the young Irish state, by Irish American descendants of Blasket Islanders in the US today, by anthropologists and beyond. **Anita Loos Rediscovered** Anita Loos, 2025-03-18 Anita Loos 1888-1981 was one of Hollywood's most respected and prolific screenwriters as well as an acclaimed novelist and playwright. *Hollywood v. Beauty and the Synchronicity of the Six* Kirk Henderson, 2020-05-04 *Hollywood v. Beauty and the Synchronicity of the Six* presents the biographies of six movie actresses from the 1920s to the 1970s, with a single actress representing her decade of activity: Louise Brooks (1920s), Jean Harlow (1930s), Hedy Lamarr (1940s), Barbara Payton (1950s), Jean Seberg (1960s) and Sondra Locke (1970s). The synchronicity between the lives of these women is phenomenal, and their stories are as dramatic and exciting as any to come from that town, stretching all the way from complete ruination to thrilling triumph. Along the way, the story of movies in the Golden Age unfolds as six movie actresses try to survive in the most

artificial place on Earth The power elite of Hollywood could transform unknowns into movie stars or erase the famous into oblivion Since beauty has its own innate power it is inevitable these two entities would face off
