Red White And Blue Paradise The American Canal Zone In Panama

John A. Cope

Red White And Blue Paradise The American Canal Zone In Panama:

Red, White, and Blue Paradise Herbert Knapp, Mary Knapp, 1984 Panama and the United States Michael L. Conniff, 2012-12 After Panama assumed control of the Panama Canal in 1999 its relations with the United States became those of a friendly neighbor In this third edition Michael L Conniff describes Panama s experience as owner operator of one of the world s premier waterways and the United States adjustment to its new smaller role He finds that Panama has done extremely well with the canal and economic growth but still struggles to curb corruption drug trafficking and money laundering Historically Panamanians aspired to have their country become a crossroads of the world while Americans sought to tame a vast territory and protect their trade and influence around the globe The building of the Panama Canal 1904-14 locked the two countries in their parallel quests but failed to satisfy either fully Drawing on a wide array of sources Conniff considers the full range of factors political social strategic diplomatic economic and intellectual that have bound the two countries together *Historical Dictionary of Panama* Thomas M. Leonard, 2014-11-18 This Historical Dictionary of Panama covers Panama s unique history from the time of its Spanish colonization through its connection to Colombia in the nineteenth century and its long period of U S presence Throughout these periods Panama drew the outside world s attention as a transit route that first connected the west coasts of Latin America and the United States to Western Europe Thus in the long history of the isthmus its transit route has served to move cargo people and culture throughout the world The rich history of Panama is covered through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Panama **Borderland on the Isthmus** Michael E. Donoghue, 2014-04-23 The construction maintenance and defense of the Panama Canal brought Panamanians U S soldiers and civilians West Indians Asians and Latin Americans into close even intimate contact In this lively and provocative social history Michael E Donoghue positions the Panama Canal Zone as an imperial borderland where U S power culture and ideology were projected and contested Highlighting race as both an overt and underlying force that shaped life in and beyond the Zone Donoghue details how local traditions and colonial policies interacted and frequently clashed Panamanians responded to U S occupation with proclamations protests and everyday forms of resistance and acquiescence Although U S Zonians and military personnel stigmatized Panamanians as racial inferiors they also sought them out for service labor contraband sexual pleasure and marriage The Canal Zone he concludes reproduced classic colonial hierarchies of race national identity and gender establishing a model for other U S bases and imperial outposts around the globe *International Military Education and Training* John A. Cope, 1995

Portrait of the Panama Canal William Friar, 2016-10-11 This classic from William Friar about the Panama Canal has been completely updated and revised in time for the opening of the expanded locks This engaging collection of contemporary

and archival photographs is illuminated by Friar's lively and informative text. Though the dream began as early as 1513 when Vasco Nu ez de Balboa first crossed the isthmus and saw the Pacific Ocean, it was not until 1914 that the Panama Canal became a reality. The French had started excavation for the Canal in 1869 but the work was beset by earthquakes and landslides, disease (malaria, yellow fever, cholera, beriberi, smallpox, and typhoid fever) and wild animals (from pumas and jaguars to a whole menagerie of poisonous snakes). By 1889 the money ran out and the whole enterprise collapsed in a cloud of scandal and bankruptcy that drove the French government from power. Some fifteen years later, on November 12, 1904, after much debate and political maneuvering, the first Americans arrived and the work began again. The Canal opened less than ten years later, on August 15, 1914. For sixty-five years the United States operated the Canal, but 1979 saw the start of a twenty-year transition. On December 31, 1999, control and day-to-day operations were turned fully over to the Republic of Panama. In the past fifteen years, the following changes have taken place in the Canal: widening the Gaillard Cut so two PANAMAX ships can pass each other; deepening the navigational channel in Gatun Lake to increase the capacity of the water reservoir; adding a new vessel traffic management system that uses satellite Global Positioning System technology; the construction of two new sets of single-lane, three-step locks, one set at the Atlantic entrance and one at the Pacific; and adding two new navigational channels to connect the new locks to existing channels. In words and in photographs, both historical and contemporary, *Portrait of the Panama Canal* traces the story of the Canal from its beginnings as just a dream to its present reality as one of the wonders of the world.

Moon Panama William Friar, 2013-04-02. Writer and Panama native William Friar offers unique tips for visiting this up-and-coming destination, from lounging in the Caribbean islands of Bocas del Toro to hiking the highlands of Boquete and exploring Panama City. Friar uses his local knowledge to craft unique trip strategies, such as The 14-day Outdoor Adventure and Six Days for History Buffs. Complete with details for navigating jungle trails, finding cheap taxis and underground bars, and planning a river expedition, *Moon Panama* gives travelers the tools they need to create a more personal and memorable experience.

Decentering America Jessica C. E. Gienow-Hecht, 2007. This is an introduction for academics, students, and political analysts to some of the latest trends in the study and state of culture and international history: modernity, NGOs, internationalism, cultural violence, the Romance of Resistance, and the culture of diplomacy.

Box 25 Julie Greene, 2025-01-07.

Cuba's Revolutionary World Jonathan C. Brown, 2017-04-24. As Castro's democratic reform movement veered off course, a revolution that seemed to signal the death knell of dictatorship in Latin America brought about its tragic opposite. Jonathan C. Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century's most transformative events.

Encyclopedia of U.S. Military Interventions in Latin America Alan McPherson, 2013-07-08. This unique reference shows how the United States has intervened militarily, politically, and economically in Central America, South America, and the Caribbean from the early 19th century to the present day. What do baseball, American war crimes, and a slice of watermelon have in common in the annals of Latin American history? Believe it

or not this disparate grouping reflects the cultural and historical remnants of America's military and political involvement in the region. As early as 1811 the United States began intervening in the affairs of Central America, South America, and the Caribbean, and it hasn't stopped since. This compelling reference analyzes both the major interventions and minor conflicts stemming from our nation's military operations in these areas and examines the people, places, legislation, and strategies that contributed to these events. In addition to documented facts and figures, the alphabetically organized entries in *Encyclopedia of U.S. Military Interventions in Latin America* present fascinating anecdotes on the subject, including why the United States once invaded Panama over a slice of watermelon, how an intervention in Nicaragua landed our country on trial for war crimes, and how the popularity of baseball in Latin America is a direct result of American influence. Primary source documents and visual aids accompany the content.

Erased Marixa Lasso, 2019-02-25 Cutting a path from the Atlantic to the Pacific, the Panama Canal set a new course for the development of Central America, but at considerable cost to Panamanians. Sleuth and scholar Marixa Lasso recounts how the canal's American builders displaced 40,000 residents and erased entire towns in the guise of bringing modernity to the tropics.

Sovereign Acts Katherine A. Zien, 2017-09-08 Winner of the 2018 Gordon K. and Sybil Farrell Lewis Book Prize from the Caribbean Studies Association, Winner of the 2017 Annual Book Prize from the Canadian Association of Latin American and Caribbean Studies (CALACS). *Sovereign Acts* explores how artists, activists, and audiences performed and interpreted sovereignty struggles in the Panama Canal Zone from the Canal Zone's inception in 1903 to its dissolution in 1999. In popular entertainments and patriotic pageants, opera, concerts, and national theatre, white U.S. citizens, West Indian laborers, and Panamanian artists and activists used performance as a way to assert their right to the Canal Zone and challenge the Zone's sovereignty, laying claim to the Zone's physical space and imagined terrain. By demonstrating the place of performance in the U.S. Empire's legal landscape, Katherine A. Zien transforms our understanding of U.S. imperialism and its aftermath in the Panama Canal Zone and the larger U.S. Caribbean world.

Background Notes, Panama, 1989

The Weak and the Powerful Jonathan C. Brown, 2024-03-19 Panama is a country whose geopolitical importance outweighs its size because of the volume of trade that passes the Central American isthmus through the canal. For nearly a century, the United States occupied and controlled the Panama Canal Zone and its shipping operations. In 1999, control was passed to Panama's Canal Authority. This peaceful transfer was a result of the 1977 Torrijos-Carter Treaties. *The Weak and the Powerful* studies how a weak country negotiated the Cold War and how a strongman navigated between competing power blocs. Omar Torrijos took power in Panama through a 1968 coup d'état and ruled that country until his death in 1981. He committed his country to the Non-Aligned Movement (NAM), which purported to stand for noninterference and against imperialism. Jonathan C. Brown looks at how Torrijos and the NAM were able to mobilize world opinion of the weak against the powerful to pressure the United States to live up to its democratic and international ideals regarding sovereignty of the canal. The author also demonstrates how world opinion was unable to address the problems of ideologically motivated

warfare in neighboring Central American states Remapping Citizenship and the Nation in African-American Literature Stephen Knadler, 2009-09-10 Through a reading of periodicals memoirs speeches and fiction from the antebellum period to the Harlem Renaissance this study re examines various myths about a U S progressive history and about an African American counter history in terms of race democracy and citizenship Reframing 19th century and early 20th century African American cultural history from the borderlands of the U S empire where many African Americans lived worked and sought refuge Knadler argues that these writers developed a complicated and layered transnational and creolized political consciousness that challenged dominant ideas of the nation and citizenship Writing from multicultural contact zones these writers forged a new black politics one that anticipated the current debate about national identity and citizenship in a twenty first century global society As Knadler argues they defined created and deployed an alternative political language to re imagine U S citizenship and its related ideas of national belonging patriotism natural rights and democratic agency **Dreams of Paradise, Visions of Apocalypse** J. Verheul, 2004 The book explores the fundamental and multifaceted dialectic between utopian dreams and dystopian nightmares within American culture The utopian mindset in constructing and imagining different futures for society is reflected in a wide range of differential cultural texts and narratives such as novels short stories political discourses and treatises journalism and scholarly and intellectual debates Often these combine social criticism and satire political rhetoric religious belief systems and biblical metaphors Approaching the topic from various angles and throughout different historical periods the essays in this volume collectively show how fascinating and rewarding the exploration of this utopian discourse of for an understanding of American culture **United States Foreign Policy 1945-1968** Michael Wayne Santos, 2020-01-17 Between 1945 and 1968 the possibility of Mutual Assured Destruction led to a host of odd realities including the creation of an affable cartoon turtle named Bert who taught millions of school children that nuclear war was survivable if they simply learned how to duck and cover Meanwhile fear of Communism played out against the backdrop of potential Armageddon to provide justification for a variety of covert operations involving regime change political assassination and sometimes bizarre plot twists United States Foreign Policy 1945 1968 The Bomb Spies Stories and Lies takes a fresh look at this complex often confusing and frequently farcical period in American and world history Modern Panama Michael L. Conniff, Gene E. Bigler, 2019-05-09 Provides a comprehensive overview of the political and economic developments in Panama from 1980 to the present day **Deep Cut** Christine Keiner, 2020-08 HISTORY Modern 20th Century SCIENCE History TECHNOLOGY ENGINEERING History

The Enigmatic Realm of **Red White And Blue Paradise The American Canal Zone In Panama**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Red White And Blue Paradise The American Canal Zone In Panama** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.
