PIETY & POLITICS IN THE
NEW CHRISTIAN RIGHT

MICHAEL LIENESCH

Redeeming America Piety And Politics In The New Christian Right

Benjamin E. Park

Redeeming America Piety And Politics In The New Christian Right:

Redeeming America Michael Lienesch,1993 This balanced and comprehensive study of Christian conservative thinking focuses on the 1980s when the New Christian Right appeared suddenly as an influential force on the American political scene only to fade from the spotlight toward the end of the decade In Redeeming America Michael Lienesch identifies a cyclical redemptive pattern in the New Christian Right s approach to politics and he argues that the movement is certain to emerge again Lienesch explores in detail the writings of a wide range of Christian conservatives including Jerry Falwell Pat Robertson Phyllis Schlafly and Tim and Beverly LaHaye in order to illuminate the beliefs and ideas on which the movement is based Depicting the thinking of these writers as a set of concentric circles beginning with the self and moving outward to include the family the economy the polity and the world Lienesch finds shared themes as well as contradictions and tensions He also uncovers a complex but persistent pattern of thought that inspires periodic attempts to redeem America alternating with more inward looking intervals of personal piety

The Wiley Blackwell Companion to Religion and Politics in the U.S. Barbara A. McGraw,2016-04-15 The Wiley Blackwell Companion to Religion and Politics in the U S provides a broad inclusive and rich range of chapters in the study of religion and politics Arranged in their historical context chapters address themes of history law social and religious movements policy and political theory Broadens the parameters of this timely subject and includes the latest work in the field Draws together newly commissioned essays by distinguished authors that are cogent for scholars while also being in a style that is accessible to students Provides a balanced and inclusive approach to religion and politics in the U S Engages diverse perspectives from various discourses about religion and politics across the political and disciplinary spectra while placing them in their larger historical context

Religious Responses to Marriage Equality Luke Perry,2018-05-11 The Supreme Court ruling in Obergefell v Hodges 2015 ended a 20 year political battle over same sex marriage in the USA The ruling in favor of a constitutional right for gays and lesbians to marry reflected growing social acceptance and political rights for gays and lesbians At the same time America remains a deeply religious country and many religious organizations have long opposed same sex marriage How do religious organizations interpret process and respond to shifting attitudes and public policy toward the LGBT community Examining how religious groups in America have responded theologically and politically to the legalization of same sex marriage the book provides case studies from across the American religious spectrum to explore how each group understands same sex marriage and has reacted theologically socially and politically to its new standing as a constitutional right Each case study focuses on formal statements made by church leaders incorporates original data gathered from interviews with regional and local religious authorities and analyzes existing polling data of adherents at large Offering a comprehensive examination of religious responses to marriage equality in the USA this book will interest scholars and students in the fields of religion and politics civil rights social change and public policy

The Lost Soul of American Protestantism D. G. Hart,2004-08-27 In The Lost Soul of American

Protestantism D G Hart examines the historical origins of the idea that faith must be socially useful in order to be valuable Through specific episodes in Presbyterian Lutheran and Reformed history Hart presents a neglected form of Protestantism confessionalism as an alternative to prevailing religious theory He explains that unlike evangelical and mainline Protestants who emphasize faith s role in solving social and personal problems confessional Protestants locate Christianity s significance in the creeds ministry and rituals of the church Although critics have accused confessionalism of encouraging social apathy Hart deftly argues that this form of Protestantism has much to contribute to current discussions on the role of religion in American public life since confessionalism refuses to confuse the well being of the nation with that of the church The history of confessional Protestantism suggests that contrary to the legacy of revivalism faith may be most vital and influential when less directly relevant to everyday problems whether personal or social Clear and engaging D G Hart s groundbreaking study is essential reading for everyone exploring the intersection of religion and daily life [A Time of Paradox](#) Glen

Jeansonne,2006-03-02 In this lively and provocative synthesis distinguished historian Glen Jeansonne explores the people and events that shaped America in the twentieth century Comprehensive in scope A Time of Paradox offers a balanced look at the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period Designed with the student in mind this cogent text provides the most up to date analysis available offering insight into the divisive election of 2004 the War on Terror and the Gulf Coast hurricanes Substantive biographies on figures ranging from Samuel Insull to Madonna give students a more personalized view of the men and women who influenced American society over the past hundred years **The Columbia**

Guide to Religion in American History Paul Harvey,Edward Blum,2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter s chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data [A Companion to American Religious History](#) Benjamin E. Park,2021-02-09 A collection of original essays exploring the history of the various

American religious traditions and the meaning of their many expressions The Blackwell Companion to American Religious History explores the key events significant themes and important movements in various religious traditions throughout the nation's history from pre colonization to the present day Original essays written by leading scholars and new voices in the field discuss how religion in America has transformed over the years explore its many expressions and meanings and consider religion's central role in American life Emphasizing the integration of religion into broader cultural and historical themes this wide ranging volume explores the operation of religion in eras of historical change the diversity of religious experiences and religion's intersections with American cultural political social racial gender and intellectual history Each chronologically organized chapter focuses on a specific period or event such as the interactions between Moravian and Indigenous communities the origins of African American religious institutions Mormon settlement in Utah social reform movements during the twentieth century the growth of ethnic religious communities and the rise of the Religious Right An innovative historical genealogy of American religious traditions the Companion Highlights broader historical themes using clear and compelling narrative Helps teachers expose their students to the significance and variety of America's religious past Explains new and revisionist interpretations of American religious history Surveys current and emerging historiographical trends Traces historical themes to contemporary issues surrounding civil rights and social justice movements modern capitalism and debates over religious liberties Making the lessons of American religious history relevant to a broad range of readers The Blackwell Companion to American Religious History is the perfect book for advanced undergraduate and graduate students in American history courses and a valuable resource for graduate students and scholars wanting to keep pace with current historiographical trends and recent developments in the field

Straight to Jesus Tanya Erzen, 2006 Erzen is sensitive savvy and provocative Her mastery of historical sources ethnographic technique and accessible writing style are evident throughout She illuminates aspects of conservative Christianity central to the culture wars deepening our understanding of the movement's internal struggles over sexuality gender and family issues Erzen has written a wonderful book Diane Winston author of *Red Hot and Righteous The Urban Religion of the Salvation Army* Tanya Erzen's wonderful and timely book provides us with a compelling cultural history of the Christian right in the post war period from the cold war to family and sexual politics as well as remarkable ethnographic insight into the dynamics of Exodus International With compassion humor and insight Erzen takes the reader through the ideological organizational and daily practices used in efforts to change people's theological and sexual orientations from self help to conversion testimony Faye Ginsburg Professor of Anthropology New York University author of *Contested Lives* [Jimmy Carter, the Politics of Family, and the Rise of the Religious Right](#) J. Brooks Flippen, 2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private

matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter s faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter s struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day *Religion & Politics in America* Dr. Mohamad Arif Zakaullah,2011-09-14 This study discusses the dimensions and interactions of both religion and politics in the United States of America USA and with special refer to the strong influential role of Christian Evangelists in determining the US policies Though the subject was previously explored by several writers this book is special distinguished analyzing the historical background and the roots of Christian Evangelism all the way till their present status and power Remarkably the author presents in perfect doses a blend of ideology and events past and present updated till late 2006 all tied up in a well organized concise academic approach **The Politics of Gay Rights** Craig A. Rimmerman,Kenneth D. Wald,Clyde Wilcox,2000-07 The contributors to this volume thoroughly investigate the politics of the gay and lesbian movement beginning with its political organizations and tactics The essays also address the strategies and ideology of conservative opposition groups **Terror in the Mind of God, Fourth Edition** Mark Juergensmeyer,2017-03-28 Why would anybody believe that God could sanction terrorism Why has the rediscovery of religion s power in recent years manifested in such a bloody way What if anything can be done about it Terror in the Mind of God now in its fourth edition answers these questions and more Thoroughly revised and expanded the book analyzes in detail terrorism related to almost all the world s major religious traditions European Christians who oppose Muslim immigrants American Christians who support abortion clinic bombings and militia actions Muslims in the Middle East associated with the rise of ISIS al Qaeda and Hamas Israeli Jews who support the persecution of Palestinians India s Hindus linked to assaults on Muslims in the state of Gujarat and Sikhs identified with the assassination of Indira Gandhi and Buddhist militants in Myanmar affiliated with anti Muslim violence and in Japan with the nerve gas attack in Tokyo s subway Drawing from extensive personal interviews Mark Juergensmeyer takes readers into the mindset of those who perpetrate and support violence in the name of religion Identifying patterns within these cultures of violence he explains why and how religion and

violence are linked and how acts of religious terrorism are undertaken not only for strategic reasons but to accomplish a symbolic purpose *Terror in the Mind of God* continues to be an indispensable resource for students of religion and modern society

In the Ruins of Neoliberalism Wendy Brown, 2019-07-16 Across the West hard right leaders are surging to power on platforms of ethno economic nationalism Christianity and traditional family values Is this phenomenon the end of neoliberalism or its monstrous offspring In the Ruins of Neoliberalism casts the hard right turn as animated by socioeconomically aggrieved white working and middle class populations but contoured by neoliberalism's multipronged assault on democratic values From its inception neoliberalism flirted with authoritarian liberalism as it warred against robust democracy It repelled social justice claims through appeals to market freedom and morality It sought to de democratize the state economy and society and re secure the patriarchal family In key works of the founding neoliberal intellectuals Wendy Brown traces the ambition to replace democratic orders with ones disciplined by markets and traditional morality and democratic states with technocratic ones Yet plutocracy white supremacy politicized mass affect indifference to truth and extreme social disinhibition were no part of the neoliberal vision Brown theorizes their unintentional spurring by neoliberal reason from its attack on the value of society and its fetish of individual freedom to its legitimation of inequality Above all she argues neoliberalism's intensification of nihilism coupled with its accidental wounding of white male supremacy generates an apocalyptic populism willing to destroy the world rather than endure a future in which this supremacy disappears

Terror in the Mind of God Mark Juergensmeyer, 2003-09 Completely revised and updated this new edition incorporates the events of September 11 2001 into Mark Juergensmeyer's landmark study of religious terrorism

Parties, Power, and Change Jessica Hejny, Adam Hilton, 2025-09-09 No detailed description available for Parties Power and Change

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

[A Companion to Ronald Reagan](#) Andrew L. Johns, 2015-04-20 *A Companion to Ronald Reagan* evaluates in unprecedented detail the events policies politics and people of Reagan's administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and

domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

Rise of Baptist Republicanism Oran P. Smith, 2000-05 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision

A Companion to Lyndon B. Johnson Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

Evangelical News Anja-Maria Bassimir, 2022-05-24 This work is an innovative treatise on the evangelical magazine market during the 1970s and 1980s and how it sustained religious community and ideology Bassimir argues that community can be produced in discourse especially when shared rhetoric concepts and perspectives signal belonging The 1970s and 1980s were a tumultuous period in United States history In suit with a dramatic political shift to the right evangelicalism also entered the public discourse as a distinct religious movement and was immediately besieged by cultural appropriations and internal fragmentations This was also a time when Americans in general and evangelicals in particular grappled with issues and ideas such as feminism and legal abortion restructuring traditional roles for women and the family The Watergate Crisis and the newly emerging Christian Right also threw politics into turmoil During this time there was a surge of readership for evangelical magazines such as Christian Today Moody Monthly Eternity and Post Americans Sojourners While each of these magazines and many other publications contributes to and participates in the overall dissemination of evangelical ideology they all also have their own outlooks and political leanings when it comes to hot button issues Evangelical Visions through a thoroughly researched lens makes important correctives to common understandings of evangelical discourse particularly regarding the key political initiatives of the religious right Bassimir demonstrates that within the pages of these periodicals evangelicals hashed out a number of competing views on feminism abortion reproductive technologies and political involvement itself To accomplish this Evangelical Visions traces the emergence of evangelical social and political awareness in the 1970s to the height of its power as a political program The chapters in this monograph also delve into such topics as how evangelicals re envisioned gender norms and relations in light of the feminist movement and the use of childhood as a symbol of unspoiled innocence and the pure potential of humanity Presently most accounts of evangelicalism cite evangelical magazines only very selectively and virtually no studies make substantive use of those magazines as objects of investigation

Bassimir's *Evangelical Visions* makes a much needed contribution to our understanding of evangelicalism in the late twentieth century by providing a nuanced picture of a religious subculture that is too often reduced to caricature. This study is located at the intersection of history, religious studies, and media studies and will appeal to scholars and students of all of these fields.

Adopting the Track of Term: An Mental Symphony within **Redeeming America Piety And Politics In The New Christian Right**

In some sort of consumed by monitors and the ceaseless chatter of immediate transmission, the melodic elegance and psychological symphony developed by the published word usually diminish into the backdrop, eclipsed by the relentless noise and distractions that permeate our lives. Nevertheless, set within the pages of **Redeeming America Piety And Politics In The New Christian Right** a charming fictional prize filled with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden melodies and profound affect resonating within each carefully crafted phrase. Within the depths with this poignant evaluation, we can discover the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Redeeming America Piety And Politics In The New Christian Right Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Redeeming America Piety And Politics In The New Christian Right free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Redeeming America Piety And Politics In The New Christian Right free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles

or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Redeeming America Piety And Politics In The New Christian Right free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Redeeming America Piety And Politics In The New Christian Right. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Redeeming America Piety And Politics In The New Christian Right any PDF files. With these platforms, the world of PDF downloads is just a click away.
