Rethinking Decision-Making Strategies and Tools Maria Palazzo, Alessandra Micozzi, 2024-02-16 Readers will be enabled to compare contrast and comprehend how the decision making strategies and tools from different lenses are delivered in different parts of the world The text includes an interesting mix of theory primary research findings and practice that will appeal to students academics and practitioners alike **Compendium of Knowledge Solutions** , Financial Strategies for Distressed Companies Salvatore Ferri, Federica Ricci, 2021-02-23 The financial markets have undergone a significant development process both qualitatively and quantitatively and partly induced by major pushes for globalization and deregulation In this context finance has taken on an increasingly central role for companies and is now on par with production and sales which have always been the cornerstones of business management The effects of these structural and functional changes are not limited to the way companies operate but also imply a change in corporate cultures one consequence of this phenomenon is the large percentage of managers from the world of finance at the top tiers of corporate organizations Moreover environmental turbulence has forced companies to increasingly face negative situations characterized by economic and financial imbalances that may require far reaching strategic changes The purpose of this book therefore is to investigate the possible financial strategies that companies in distress can adopt in this regard it approaches financial strategies as opportunities to resolve and prevent difficult situations for the company After having

systematized the financial strategies and policies used in the governance of companies the book analyzes both crises and turnaround processes describing the path until the financial balance is restored Finally the authors analyze essential tools for the financial management of companies in trouble focusing in particular on operational tools for managing the crisis the recovery plan and its monitoring
