Redefining Russian Society And Polity:

Redefining Russian Society And Polity Mary E.a. Buckley,1993-10-31 Offering a reflection of the complexities of the situation in Russia today this book aims to show how glasnost provided citizens with an initially intoxicating freedom and glut of information yet in a context of failed economic reform also brought some extreme reactions

The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union Melanie Ilic,2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre revolutionary Russia the Soviet Union and the post Soviet Russian Federation For the Soviet period in particular individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East Tatarstan Central Asia Kazakhstan Tajikistan and Uzbekistan and the Baltic States Estonia Latvia and Lithuania Within the boundaries of the Russian Federation the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions Krasnodar Novosibirsk rural societies and village life Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis a vis men in Soviet political institutions the workplace and society more generally This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies The origins of the individual contributions can be identified in a range of conventional subject disciplines history literature sociology political science cultural studies but the chapters also adopt a cross and inter disciplinary approach to the topic of study This handbook therefore builds on and extends the foundations of Russian women s and gender studies as it has emerged and developed in recent decades and demonstrate the international indeed global reach of such research

The Politics of Gender after Socialism Susan Gal,Gail Kligman,2012-01-06 With the collapse of communism a new world seemed to open for the peoples of East Central Europe The possibilities this world presented and the costs it exacted have been experienced differently by men and women Susan Gal and Gail Kligman explore these differences through a probing analysis of the role of gender in reshaping politics and social relations since 1989 The authors raise two crucial questions How are gender relations and ideas about gender shaping political and economic change in the region And what forms of gender inequality are emerging as a result The book provides a rich understanding of gender relations and their significance in social and institutional transformations Gal and Kligman offer a systematic comparison of East Central European gender relations with those of western welfare states and with the presocialist bourgeois past Throughout this essay the authors attend to historical comparisons as well as cross regional interactions and contrasts Their work contributes importantly to the study of postsocialism and to the broader feminist literature that critically examines how states and political economic processes are gendered and how states and markets regulate gender relations

The NEBI YEARBOOK 2003 Pertti Joenniemi,Lars Hedegaard,Heikki Eskelinen,Bjarne Lindström,Karin Peschel,Carl-Einar Stalvant,2012-12-06 Bjllrn Tore

Godal Norwegian Ambassador to Germany Chairman of the Editorial Advisory Board Several of the contributions to the present volume of The NEBI Yearbook have been inspired by the fact that roughly speaking ten years have passed since the first steps were taken to initiate cross border co operation in the Barents and Baltic Sea areas One of the most important co operative organisations in the European Northeast i e The Council of the Baltic Sea States was launched in 1992 The Barents Euro Arctic Council was established in 1993 An avalanche of co operative and cross border initiatives has since hit this part of Europe with all kinds of actors participating states regional and municipal authorities univer sities national organisations businesses and private interests Even international organisations and actors from outside the immediate NEBI area have taken a special interest in this dynamic part of the world Among the most important is the European Union whose Finnish inspired Northern Dimension initiative has become a permanent fixture As many of the chapters in NEBI 2003 testify integration in the NEB I area across old political and ideological borders and cultural and socio economic divides that are among the most pronounced anywhere in the world has on the whole been a great success

Modern Tsars and Princes Jeremy Lester,1995-11-17 This study offers an account of political life in Russia since the fall of communism as ultra nationalists nostalgic communists Westernizers and administrative centrists seek to control the destinies of a deeply troubled society and state

Inappropriate Relationships Robin Goodwin,Duncan Cramer,2005-04-11 In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in areas across the social sciences including those working in the fields of social psychology family studies social anthropology cultural studies and communication

Women and Political Change Sue Bridger,2016-07-27 This collection of essays looks at the impact on women of the political changes which have taken place in East Central Europe

since the 1930s It is unusual in combining a strong contemporary focus with re evaluations of what the socialist experience has meant for women It brings together specialists from both East and the West to offer insights into women s lives and responses to change in countries which have a shared legacy of state socialism yet are as culturally diverse as Russia and Germany Poland and Estonia **Global Responses to Terrorism** Mary Buckley,Rick Fawn,2004-02-24 This book examines how the world has reacted to and been affected by the terrorist attacks on September 11th the ensuing war in Afghanistan and President George Bush s declaration of a war on terror as the first war of the 21st Century New Zealand and the Soviet Union, 1950-1991 A. C. Wilson,2004 This study follows the history of the relationship between New Zealand and the Soviet Union especially between the years 1950 and 1991 The emphasis is on the official government to government relations that defined the context and tone of political and commercial dealings between countries These official relations however shed light on the unofficial relations and the book examines how trade union contacts the intellectual cultural climate and pro and anti Soviet lobbies all impacted on the relationship Back cover Why Did the Soviet Union Collapse?: Understanding Historical Change Robert Strayer,2016-06-16 Taking the Soviet collapse the most cataclysmic event of the recent past as a case study this text engages students in the exercise of historical analysis interpretation and explanation In exploring the question posed by the title the author introduces and applies such organizing concepts as great power conflict imperial decline revolution ethnic conflict colonialism economic development totalitarian ideology and transition to democracy in a most accessible way Questions and controversies and extracts from documentary and literary sources anchor the text at key points This book is intended for use in history and political science courses on the Soviet Union or more generally on the 20th century **Democracy and the Media** Richard Gunther,Anthony Mughan,2000-08-28 This book presents a systematic overview and assessment of the impacts of politics on the media and of the media on politics in authoritarian transitional and democratic regimes in Russia Spain Hungary Chile Italy Great Britain Germany Japan the Netherlands and the United States Its analysis of the interactions between macro and micro level factors incorporates the disciplinary perspectives of political science mass communications sociology and social psychology These essays show that media s effects on politics are the product of often complex and contingent interactions among various causal factors including media technologies the structure of the media market the legal and regulatory framework the nature of basic political institutions and the characteristics of individual citizens The authors conclusions challenge a number of conventional wisdoms concerning the political roles and effects of the mass media on regime support and change on the political behavior of citizens and on the quality of democracy Democracy, Gender, and Social Policy in Russia Andrea Chandler,2015-12-17 Through compelling and insightful analysis of the Russian case this book explores the role that social welfare plays in regime transitions It examines the role that gender and social welfare has played in Russia s post communist political evolution from Yeltsin s assumption of the presidency to Putin s return for a third term as president in 2012 Media and the Politics of

Failure L. Roselle, 2006-09-02 Roselle analyzes how political leaders of powerful states use media to explain military defeats. The cases of the United States in Vietnam and the Soviet Union in Afghanistan highlight the role of great power identity, domestic politics and media structure.

Kosovo Mary Buckley, Sally Cummings, 2001-01-01 Nato intervention in Kosovo marked a major turning point in post cold war international relations. While some western commentators argued that it was the first war to be fought on purely moral grounds, Serbian, Russian and Chinese assessments were sharply different. This highly original addition to the literature on Kosovo highlights the importance of perspective to an understanding of both the causes and consequences of war. It makes clear that the conceptual lenses, paradigms or frameworks through which political actors view reality in turn affect their understanding of the behaviour of others and their reactions to it. The authors, a team of regional experts on the countries covered, examine the way the war has been understood in countries involved in and peripheral to the conflict. Their aim is to provide a broad yet highly nuanced picture of this focal point of Balkan unrest. The book opens with an introduction to the historical and regional context of the conflict. The authors go on to present twelve case studies ranging from Serbia and the other former Yugoslav republics to the USA and to China. These detailed regional studies highlight the considerable variation in the key states' perceptions of their national interest and their perceptions of what constitutes legality or legitimacy. In each case, domestic constraints are explored and the ways in which differing perspectives of political and military leadership fed into the crisis are examined. Further thematic chapters determine the war's consequences and the lessons to be drawn in terms of the wider issues of refugees, humanitarian intervention, European security and geopolitics.

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada and around the world.

Post-Soviet Women Mary Buckley, 1997-07-13 This volume is the first to take a systematic look at the position of women in the post Soviet states of the former USSR.

The Soviet Transition Ottorino Cappelli, Rita di Leo, Stephen White, 2014-04-08 Of course we watched it all on television day by day as the Evil Empire transmuted into the Circus Bear, but seeing it and knowing what to think about it are not the same. Scholars from eastern and western Europe and North America help out in 14 papers from an April 1992 conference in Naples.

Soviet Fates and Lost Alternatives Stephen F. Cohen, 2009-06-23 In this wide ranging and acclaimed book, Stephen F. Cohen challenges conventional wisdom about the course of Soviet and post Soviet history. Reexamining leaders from Nikolai Bukharin, Stalin's preeminent opponent, and Nikita Khrushchev to Mikhail Gorbachev and his rival Yegor Ligachev, Cohen shows that their defeated policies were viable alternatives and that their tragic personal fates shaped the Soviet Union and Russia today. Cohen's ramifying arguments include that Stalinism was not the predetermined outcome of

the Communist Revolution that the Soviet Union was reformable and its breakup avoidable and that the opportunity for a real post Cold War relationship with Russia was squandered in Washington not in Moscow This is revisionist history at its best compelling readers to rethink fateful events of the twentieth and early twenty first centuries and the possibilities ahead In his new epilogue Cohen expands his analysis of U S policy toward post Soviet Russia tracing its development in the Clinton and Obama administrations and pointing to its initiation of a new Cold War that he implies has led to a fateful confrontation over Ukraine

Gender and housing in Soviet Russia Lynne Attwood, 2013-07-19 This book explores the housing problem throughout the 70 years of Soviet history looking at changing political ideology on appropriate forms of housing under socialism successive government policies on housing and the meaning and experience of home for Soviet citizens She examines the use of housing to alter gender relations and the ways in which domestic space was differentially experienced by men and women Much of Attwood's material comes from Soviet magazines and journals which enables her to demonstrate how official ideas on housing and daily life changed during the course of the Soviet era and were propagandised to the population Through a series of in depth interviews she also draws on the memories of people with direct experience of Soviet housing and domestic life Attwood has produced not just a history of housing but a social history of daily life which will appeal both to scholars and those with a general interest in Soviet history
