

REDISCOVERING AMERICA'S SACRED GROUND

*Public Religion and Pursuit
of the Good in a Pluralistic America*

BARBARA A. MCGRAW

Rediscovering Americas Sacred Ground

Ann W. Duncan, Steven L. Jones

Rediscovering Americas Sacred Ground:

Rediscovering America's Sacred Ground Barbara A. McGraw, 2012-02-01 Returning to the ideas of John Locke and the Founders themselves Barbara A McGraw examines the debate about the role of religion in American public life and unravels the confounded rhetoric on all sides She reveals that no group has been standing on proper ground and that all sides have misused terminology religion secular dichotomies public private and concepts separation of church and state in ways that have little relevance to the original intentions of the Founders She rediscovers a theology underlying the founding documents of the nation that is neither anyone's particular religion nor one requiring religion Instead it justifies freedom of conscience for all and provides a two tiered public forum a civic public forum and a conscientious public forum for the debate itself and the actions that debate inspires America's Sacred Ground this theology and its public forum determines the meaning of freedom and the ways in which Americans can pursue the good good government good communities good families good relations between individuals and good individuals from a plurality of perspectives By exploring our past McGraw answers the critical question Who are we as a people and what do we stand for Rediscovering America's Sacred Ground Barbara A. McGraw, 1999 *Church-State Issues in America Today* Ann W. Duncan, Steven L. Jones, 2007-12-30 Church and state issues are in the news now more than ever before Political and religious leaders alike are negotiating shaky ground as they balance their religious moral and political perspectives with their roles as leaders New technologies push the boundaries of moral consensus by creating new controversies such as those involving stem cell research and medical measures to sustain or end the lives of the terminally ill The Supreme Court continues to work to clarify the fuzzy line between religion and politics as it addresses cases regarding abortion school prayer and the Pledge of Allegiance among other issues Further controversies only lead to further divisions among Americans Church and state issues are in the news now more than ever before Political and religious leaders alike are negotiating on shaky ground as they balance their religious moral and political perspectives with their roles as leaders New technologies push the boundaries of moral consensus by creating new controversies such as those involving stem cell research and medical measures to sustain or end the lives of the terminally ill The Supreme Court continues to work to clarify the fuzzy line between religion and politics as it addresses cases regarding abortion school prayer and the Pledge of Allegiance among other issues Further controversies only lead to further divisions among Americans At the beginning of the 21st century there are as many interpretations of this separation as there are interpretations of particular issues such as abortion or school vouchers This three volume collection summarizes the history and current status of issues involving the separation of church and state through chapters examining the backgrounds relevant constitutional concerns and variety of perspectives on specific controversies Framed by a general discussion of the history of the separation between church and state and through careful attention to subjects such as capital punishment gay marriage and clergy support of political leaders there emerges an incredibly complex enlightening and provocative picture

for anyone with an interest in the unique nature of religion in the United States of America First Pure, Then Peaceable
 Margaret Aymer, Margaret P. Aymer, 2008-05-06 An examination of Frederick Douglass use of the epistle of James to support his nineteenth century abolitionist speeches **The Oxford Handbook of Church and State in the United States** Derek H. Davis, 2010-11-18 Study of church and state in the United States is incredibly complex Scholars working in this area have backgrounds in law religious studies history theology and politics among other fields Historically they have focused on particular angles or dimensions of the church state relationship because the field is so vast The results have mostly been monographs that focus only on narrow cross sections of the field and the few works that do aim to give larger perspectives are reference works of factual compendia which offer little or no analysis The Oxford Handbook of Church and State in the United States fills this gap presenting an extensive multidimensional overview of the field Twenty one essays offer a scholarly look at the intricacies and past and current debates that frame the American system of church and state within five main areas history law theology philosophy politics and sociology These essays provide factual accounts but also address issues problems debates controversies and where appropriate suggest resolutions They also offer analysis of the range of interpretations of the subject offered by various American scholars This Handbook is an invaluable resource for the study of church state relations in the United States **With God on All Sides** Douglas A. Hicks, 2010-12-15 Perhaps no other nation is or has ever been as religiously diverse as the United States For elected officials school principals corporate leaders and many others this diversity poses unique challenges Leaders bring their own faiths to public life and they daily encounter followers of similar and different faiths Good leadership must draw together people from varied backgrounds in order to achieve something in common This is no simple task How should leaders deal with menorahs and crosses veils and turbans prayers and holidays How do they and their followers turn the cacophony of beliefs and practices into a kind of citizenship worthy of the American tradition of religious freedom How can they honor the religious convictions of all Americans In *With God on All Sides* Douglas A Hicks provides a roadmap for leaders as they traverse the post 9 11 landscape Although the devout possess moral and spiritual resources that can enrich civic life leaders must also be prepared to cope with nearly inevitable conflicts between people of different faiths Yet wise leaders can find ways to transform the problem of diversity into an opportunity Drawing on their moral and spiritual resources Americans of all creeds have the capacity to enhance the quality of our civic debate Their faith based practices create occasions for mutual learning Hicks tells the stories of how diverse Americans have transformed public controversies into cases of cooperation The key to good leadership Hicks writes is to engage one another across lines of difference with a spirit of humility build communication and trust and offer an inclusive vision that is true to America's principles Based on years of research and practical experience *With God on All Sides* provides an invaluable and thought provoking guide to leadership and citizenship in our devout and diverse nation **That Godless Court?** Ronald Bruce Flowers, 2005-01-01 The religion clauses of the First Amendment which seem simple and clear

have been and continue to be controversial in their application Church state issues have never been more complex controversial and divisive than they are today In this helpful and instructive book Ronald B Flowers explains clearly and concisely the intricacies and implications of Supreme Court decisions in the volatile area of church state relations This is an ideal primer for those Americans who have listened to the debates about what the Supreme Court has and has not said about the relationship between church and state and where the boundaries between the two have been eroded It is also ideal for use in the classroom specifically in undergraduate courses in religion and the court introductions to U S constitutional law constitutional law and politics and the Supreme Court The book is also a helpful tool for pastors clarifying contemporary church state issues that impact their churches and parishioners directly and indirectly Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Limitations of religious freedom by privileged state religions (ecclesiae) - particularly in authoritarian states but also in democracies Gerhard Besier, 2021-11-18 The volume deals with the topic of Religious Freedom in Europe and North America although not exclusively The contributions argue that a clear separation of State and Church prevents privileged religions as well as evangelical movements supported by state interests from becoming power political factors that seek to mould a society according to their own values and to their benefit All too often politicians are happy to accept ideological support on behalf of a religious community or a religious grouping and then seek to further the interests and to promote these groups Even though the two countries demonstrate differences such

constellations may be identified in both the USA and in Russia *Commercial Providence* Patrick Mendis,2012-07-10 What is behind the success of America Does America manifest its destiny by other means Author Patrick Mendis explores unseen forces that have guided America to global dominance He details how the creation of Madison s Universal Empire through Hamilton s Federalism realizes Jefferson s Empire of Liberty The author then unveils America s Masonic endgame of universal brotherhood E Pluribus Unum *Sexuality and the World's Religions* David Wayne Machacek,Melissa M. Wilcox,2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals what the world s great faiths East and West preach about sexuality with a special emphasis on American religion What do the world s most important religious texts have to say about one of humanity s favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented *Sexuality and the World s Religions* explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion s most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues *Challenging Religion* James A. Beckford,James T. Richardson,2003-09-02 Leading scholars examine the growth of new religious movements or cults in the US and Europe over the last 50 years and state attempts to monitor and control them debating the political practical and ethical issues which arise *God in the Corridors of Power* Michael Ryan,Les Switzer,2009-08-25 *God in the Corridors of Power* Christian Conservatives the Media and Politics in America is a comprehensive study of Christian conservative power in America s political culture how it was achieved how it is maintained and where it is going It came about in part because of an enduring influence in the school room the seminary and in the pulpit and in part because conservatives are so skilled at using commercial and non commercial media including religious media to disseminate their views to broader audiences Though their power has waxed and waned they continue to be a potent force in public policy today The authors argue that the astonishing electoral successes of Christian conservatives at all levels of national state and local government was made possible by linking political social media and religious interests with an emerging consensus about what constitutes a conservative mindset in American politics Christian conservatives unquestionably have been the most significant component in a coalition of religious conservatives traditionalist conservatives and neoconservatives that has driven the Republican Party now for almost two generations This multifaceted understanding of Christian conservative activists in religion and politics traces the impact Christian conservatives have had on American Christianity as a whole while also examining the

limitations imposed on the Christian conservative agenda by American civil religion the Constitution and case law The authors explore women s reproductive rights in the debate over contraception and abortion and gay civil rights in the debate over gay marriage and family rights The debate over intelligent design and evolution is examined in the context of the campaign to transform public school education The run up to the wars in Afghanistan and Iraq is scrutinized against the background of the declared war on terrorism While the conservative religious and secular coalition within the Republican Party began to fragment even before the end of George W Bush s first term in office it remained a powerful force in the 2004 and 2008 elections The book concludes with some thoughts about the impact of Christian conservatives in politics media and religion in the future

George G. Higgins and the Quest for Worker Justice John J. O'Brien, 2005 George G Higgins and the Quest for Worker Justice The Evolution of Catholic Social Thought in America is a comprehensive and fascinating examination of the Catholic Church s involvement in social issues from the late 19th to the end of the 20th century through the lens of the life career writings and ministry of the legendary Monsignor Higgins Inspiring to both the clergy and laity Msgr George G Higgins put a human face on the institutional commitments of the Church advocated the role of the laity remained loyal to the vision of the Second Vatican Council and took the side of the working poor in his movement with organized labor Much more than a limited biography author John O'Brien offers a sweeping history of the social questions facing America over the past 100 years the thought behind one of the leading figures in the worker justice movement and a moving application of the rich heritage of Catholic Social Thought

Polemical Encounters Olav Hammer, Kocku Von Stuckrad, 2007 In its historical development from late antiquity to the present western esotericism has repeatedly been the issue of polemical discourse This volume engages the polemical structures that underlie both the identities within and the controversy about esoteric currents in European history From Jewish and Christian kabbalah through heretical discourse and interconfessional polemics in early modernity to the legitimization of esoteric identity in modern culture the 12 chapters accompanied by an editors introduction provide a cornucopia of relevant cases that are interpreted in a framework of polemical discourse and Othering This volume sheds new light on the ultimately polemical structure of western esotericism and thus opens new vistas for further research into esoteric discourse

Religion on Trial Phillip E. Hammond, David W. Machacek, Eric Michael Mazur, 2004 The free exercise of conscience is under threat in the United States Already the conservative bloc of the Supreme Court is reversing the progress of religious liberty that had been steadily advancing And this danger will only increase if more conservative judges are nominated to the court This is the impassioned argument of Religion on Trial Against Justices Scalia Thomas and Chief Justice Rehnquist the authors argue that what the First Amendment protects is the freedom of individual conviction not the rights of sectarian majorities to inflict their values on others Beginning with an analysis of the origins of the Constitution and then following the history of significant church state issues Religion on Trial shows that the trajectory of American history has been toward greater freedoms for more Americans

freedom of religion moving gradually toward freedom of conscience regardless of religion But in the last quarter century conservatives have gained political power and they are now attempting to limit the ability of the Court to protect the rights of individual conscience Writing not just as scholars but as advocates of church state separation Hammond Machacek and Mazur make the strong case that every American needs to pay attention to what is happening on the Supreme Court or risk losing the liberties of conscience and religion that have been gained so far

Roger Sherman and the Creation of the American Republic Mark David Hall, 2013 One of leading figures of his day Roger Sherman was a member of the five man committee that drafted the Declaration of Independence and an influential delegate at the Constitutional Convention As a Representative and Senator in the new republic he had a hand in determining the proper scope of the national government's power as well as drafting the Bill of Rights In *Roger Sherman and the Creation of the American Republic* Mark David Hall explores Sherman's political theory and shows how it informed his many contributions to America's founding A close examination of Sherman's religious beliefs provides insight into how those beliefs informed his political actions Hall shows that Sherman like many founders was influenced by Calvinist political thought a tradition that played a role in the founding generation's opposition to Great Britain and led them to develop political institutions designed to prevent corruption promote virtue and protect rights Contrary to oft repeated assertions that the founders advocated a strictly secular policy Hall argues persuasively that most founders believed Christianity should play an important role in the new American republic

Interreligious/Interfaith Studies Eboo Patel, Jennifer Howe Peace, Noah Silverman, 2018-08-21 A groundbreaking academic anthology that explores the emerging field of interreligious interfaith studies As it is now backed by an impressive number of courses academic programs and centers faculty positions journals and publications funding and professional partnerships there is no longer a question as to whether the interreligious interfaith field exists But its meaning and import are still being debated How is this field distinct from yet similar to other fields such as religious or theological studies What are its signature pedagogies and methodologies What are its motivations and key questions In other words what is the shape of interfaith and interreligious studies and what is its distinct contribution These questions are the driving force behind this anthology

Secularism and State Policies Toward Religion Ahmet T. Kuru, 2009-04-27 Comparing policy in America France and Turkey this book analyzes the impact of ideological struggles on public policies toward religion

Secularization, Desecularization, and Toleration Vyacheslav Karpov, Manfred Svensson, 2020-10-22 This book challenges the modern myth that tolerance grows as societies become less religious The myth inseparably links the progress of toleration to the secularization of modern society This volume scrutinizes this grand narrative theoretically and empirically and proposes alternative accounts of the varied relationships between diverse interpretations of religion and secularity and multiple secularizations desecularizations and forms of toleration The authors show how both secular and religious orthodoxies inform toleration and persecution and how secularizations and desecularizations engender repressive or pluralistic regimes

Ultimately the book offers an agency focused perspective which links the variation in toleration and persecution to the actors of secularization and desecularization and their cultural programs

Immerse yourself in the artistry of words with Crafted by is expressive creation, **Rediscovering Americas Sacred Ground** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Rediscovering Americas Sacred Ground Introduction

In today's digital age, the availability of Rediscovering Americas Sacred Ground books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rediscovering Americas Sacred Ground books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rediscovering Americas Sacred Ground books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rediscovering Americas Sacred Ground versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rediscovering Americas Sacred Ground books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rediscovering Americas Sacred Ground books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rediscovering Americas Sacred Ground books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rediscovering Americas Sacred Ground books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rediscovering Americas Sacred Ground books and manuals for download and embark on your journey of knowledge?

FAQs About Rediscovering Americas Sacred Ground Books

1. Where can I buy Rediscovering Americas Sacred Ground books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rediscovering Americas Sacred Ground book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rediscovering Americas Sacred Ground books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Rediscovering Americas Sacred Ground audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rediscovering Americas Sacred Ground books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
