Rediscovery Of The Old Testament:

The Rediscovery of the Old Testament H H Rowley, 2012-02-23 A reprint of a classic exposition of the understanding of the Old Testament Rowley brings the Old Testament back to the forefront of Scholarship and finds rich meaning in much of what has previously been buried Increasingly men are turning their thoughts to the deeper message of the Old Testament and finding richer meaning in the light of all work that has been done The Old Testament need not to be buried beneath the weight of scholarship but may rather stand on the foundation of scholarship sustained by it and firmly upheld before men from the Preface

Re-Discovery of the Old Testament (Classic Reprint) Harold Henry Rowley, 2018-01-25 Excerpt from Re Discovery of the Old Testament For Biblical quotations I have kept largely to familiar words though I have frequently modified the translation to some extent for reasons which are not stated since they would distract the general reader In no case has a change been introduced for a priori or dogmatic reasons but only where philological or textual support could be provided to justify the change It is a deep grief to me that while this book has been in the press Principal H Wheeler Robinson has passed from our midst I have left the Dedication unchanged I have to thank Professor A R Johnson for his help in reading the proofs and for his stimulating friendship which has yielded many suggestions embodied in this book I have also to thank Professor T W Manson for reading my work in proof and for many other kindnesses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reading the Old Testament with the Ancient Church (Evangelical Ressourcement) Ronald E. Heine, 2007-09-01 The contemporary church dismisses Christianity's foundational Scriptures at its own peril However the teachings of the Old Testament are less and less at the center of congregational preaching and conversation The early church fathers visionaries such as Augustine Origen and Tertullian embraced the Hebrew Scriptures allowing the Old Testament to play a central role in the formation of their beliefs As today's Christians struggle to relate to concepts such as the Jewish law and the prophets pastors and laypersons benefit from looking through the lenses of these thoughtful pioneers This latest volume in the Evangelical Ressourcement series helps the Old Covenant to come alive

Haynes, Stephen Haynes whose volume *The Bonhoeffer Phenomenon* probed the many conflicting ways in which Bonhoeffer has been understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer s relationship to Jews and the Jewish people Haynes s text analyzes the historical record and Bonhoeffer s maturing theology and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust

BOOK JACKET Literacy, Bible Reading, and Church Growth Through the Ages Morris G. Watkins,1978-06-01 The story of Christianity from apostolic times to the present reveals that in virtually every country of the world a Bible reading laity was an important factor in the growth of the church both numerically and spiritually The importance of the Bible in actual history is a challenge to the church today **The Re-discovery of the Old Testament** H. H. Rowley,1940 Pluralistic Approaches to Art Criticism Douglas Emerson Blandy,Kristin G. Congdon,1991 Contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups The essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies *European-language Writing in Sub-Saharan Africa* Albert S. Gérard,1986 The first major comparative study of African writing in western languages *European language Writing in Sub Saharan Africa* edited by Albert S G rard falls into four wide ranging sections an overview of early contacts and colonial developments Under Western Eyes chapters on Black Consciousness manifest in the debates over Panafricanism and Negritude a group of essays on mental decolonization expressed in Black Power texts at the time of independence struggles and finally *Comparative Vistas* sketching directions that future comparative study might explore An introductory e Pondering the Spade David B. Schreiner,2019-04-17 The close relationship between the Old Testament and archaeology goes without saying However the methodological nuances involved are often either underappreciated or ignored Using William Dever s idea of convergence this work attempts to flesh out details on how archaeology and Old Testament studies merge It examines some of the most important archaeological finds to date and determines that whether through a broad or narrow convergence the history of research has shown that these two separate disciplines exhibit a tendency to inform one another In the case of Old Testament studies these convergences may even be paradigm shifting In every case the convergences are historically and culturally informative and therefore illuminate the depth of the biblical text **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1910 Ugarit and the Old Testament Peter C.

Craigie, 2019-04-08 In 1929 a remarkable discovery was made by archaeologists at Ras Shamra in Syria beneath the soils of a small hill they discovered the remains and libraries of the ancient city of Ugarit which had been destroyed by barbarian invaders shortly after 1200BC This book tells the story of that discovery and describes the life and civilization of the ancient city of Ugarit In addition to updating the story with more recent archaeological finds this study recounts and assesses the extraordinary impact that the rediscovery has had on the last 50 years of the Old Testament studies Written in a non technical fashion Ugarit and the Old Testament should be of interest to all readers of the Bible particularly students and pastors concerned with the impact of contemporary archaeological discoveries on Old Testament studies
