**Redneck Liberation** David Fillingim, 2003 In this unique book David Fillingim explores country music as a mode of theological expression Following the lead of James Cone s classic *The Spirituals and the Blues* Fillingim looks to country music for themes of theological liberation by and for the redneck community The introduction sets forth the book s methodology and relates it to recent scholarship on country music Chapter 1 contrasts country music with Southern gospel music the sacred music of the redneck community as responses to the question of theodicy which a number of thinkers recognize as the central question of marginalized groups The next chapter *The Gospel according to Hank* outlines the career of Hank Williams and follows that trajectory through the work of other artists whose work illustrates how the tradition negotiates Hank s legacy *The Apocalypse according to Garth* considers the seismic shifts occurring during country music s popularity boom in the 1980s Another chapter is dedicated to the women of country music whose honky tonky feminism parallels and intertwines with mainstream country music which was dominated by men for most of its history Written to entertain as well as educate and advance *Redneck Liberation* will appeal to anyone who is interested in country music Southern religion American popular religiosity or liberation theology

**Buying In** Rob Walker, 2010-01-05 Brands are dead Advertising no longer works Consumers are in control Or so we re told In *Buying In* Rob Walker argues that this accepted wisdom misses a much more important cultural shift including a practice he calls *murketing* in which people create brands of their own and participate in unprecedented ways in marketing campaigns for their favorites Yes rather than becoming immune to them we are rapidly embracing brands Profiling

Timberland American Apparel Pabst Blue Ribbon Red Bull iPod and Livestrong among others Walker demonstrates the ways in which buyers adopt products not just as consumer choices but as conscious expressions of their identities Part marketing primer part work of cultural anthropology Buying In reveals why now more than ever we are what we buy and vice versa

**Redneck Heaven** Bethany Ewald Bultman,1996 Exploring the redneck culture in all its in your face glory this richly illustrated book is a cross between Studs Terkel and White Trash Cooking From Velveeta Fudge to values virtually all expressed in the lyrics of country music songs to snake handling ministers and gun mania Redneck Heaven captures the redneck spirit in all its exuberance 80 photos *Mock Stars: Indie Comedy and the Dangerously Funny (Easyread Large Edition)* John Wenzel,2009-12 MOCK STARS TWO DRINK MINIMUMS AND POTATO SKINS bad Clinton jokes on late night these used to be the hallmarks of comedy an art relegated to the controlled environs of comedy clubs and network TV In the late nineties a daring breed of comedians **From Hip-Hop to Hyperlinks** Joanna N. Paull,2009-03-26 From Hip Hop to Hyperlinks is a text designed to invigorate composition teachers classroom approaches for getting students to better understand American culture s The contributors share their strategies from their classrooms including such exciting topics as food comedy music technology and photography Readers may use this collection in a pragmatic way or as inspiration for developing and revising their current cultural curriculum In general these essays trace semester long course structures to allow readers to see how one assignment leads into the next often offering student writing samples along the way There is not another collection out there quite like this one Ideal for graduate students learning strategies for teaching new teachers seeking some effective strategies or even seasoned professors looking for new teaching ideas From Hip Hop to Hyperlinks is an exciting addition to any composition instructor s collection of teaching texts **Cutting to the Point** Desmond Fennell,2003 For almost forty years Desmond Fennell has written lucidly and cogently on a variety of issues concerning Ireland and the Western world often clashing with the liberal revisionist ascendancy In this new collection he ranges across a broad spectrum delving into literature art history religion politics nationalism linguistics academia and the media as well as taking the temperature of Irish society and Western civilization in general Whether he is writing about a train journey across Europe cleansing Irish literature of Irishness or his translation of a Rilke poem he writes with wit reflection and an unwavering eye for things often unsaid **Climbing** ,1988 *Press Summary - Illinois Information Service* Illinois Information Service,1989 *The Financial Post Survey of Markets* ,1979 *Unraveled* Maxine Bedat,2021-06-01 Longlisted for the FT McKinsey Business Book of the Year Award A groundbreaking chronicle of the birth and death of a pair of jeans that exposes the fractures in our global supply chains and our relationships to each other ourselves and the planet Take a look at your favorite pair of jeans Maybe you bought them on Amazon or the Gap maybe the tag says Made in Bangladesh or Made in Sri Lanka But do you know where they really came from how many thousands of miles they crossed or the number of hands who picked spun wove dyed packaged shipped and sold them to get to you The fashion industry

operates with radical opacity and it's only getting worse to disguise countless environmental and labor abuses. It epitomizes the ravages inherent in the global economy and all in the name of ensuring that we keep buying more while thinking less about its real cost. In *Unraveled*, entrepreneur researcher and advocate Maxine B. Dat follows the life of an American icon, a pair of jeans, to reveal what really happens to give us our clothes. We visit a Texas cotton farm figuring out how to thrive without relying on fertilizers that poison the earth. Inside dyeing and weaving factories in China where chemicals that are banned in the West slosh on factory floors and drain into waterways used to irrigate local family farms. Sewing floors in Bangladesh and Sri Lanka are crammed with women working for illegally low wages to produce garments as efficiently as machines. Back in America, our jeans get stowed, picked, and shipped out by Amazon warehouse workers pressed to be as quick as the robots primed to replace them. Finally, those jeans we had to have get sent to landfills or, if they've been donated, shipped back around the world to Africa where they're sold for pennies in secondhand markets or buried and burned in mountains of garbage. A sprawling, deeply researched and provocative tour de force, *Unraveled* is not just the story of a pair of pants but also the story of our global economy and our role in it. Told with piercing insight and unprecedented reporting, *Unraveled* challenges us to use our relationship with our jeans and all that we wear to reclaim our central role as citizens to refashion a society in which all people can thrive and preserve the planet for generations to come. *Wrong's What I Do*

*Best* Barbara Ching, 2001-07-19 This is the first study of hard country music as well as the first comprehensive application of contemporary cultural theory to country music. Barbara Ching begins by defining the features that make certain country songs and artists hard. She compares hard country music to high American culture, arguing that hard country deliberately focuses on its low position in the American cultural hierarchy, comically singing of failures to live up to American standards of affluence while mainstream country music focuses on nostalgia, romance, and patriotism of regular folk. With chapters on Hank Williams Sr. and Jr., Merle Haggard, George Jones, David Allan Coe, Buck Owens, Dwight Yoakam, and the Outlaw Movement, this book is written in a jargon-free, engaging style that will interest both academic as well as general readers.

*A Marriage in Middlebury* Anita Higman, 2013-11-05 Charlotte Rose Hill has been serving up country delicacies uniquely blended teas and matchmaking advice for her quirky but beloved customers for more than 10 years. But for her marriage seems like an elusive butterfly always out of reach. At 18, Charlotte fell in love with a young man, Sam Wilder, but his family convinced her to walk away from their relationship. She did, and then became engaged to another man who later died before they were married. Now more than a decade later, Charlotte finds that she still has feelings for her first love. Initially thrilled to learn that Sam has come home to Middlebury, Texas, Charlotte is devastated to learn that he's brought someone with him, his fiancée. But all is not lost when the townsfolk decide to get involved. Will Charlotte and Sam find their way back to each other? *Framing the South* Allison Graham, 2003-05-01 What patterns emerge in media coverage and character depiction of Southern men and women, blacks and whites in the years between 1954 and 1976? How do portrayals of the region and the

equal rights movement illuminate the spirit and experience of the South and of the nation as a whole In *Framing the South* Allison Graham examines the ways in which the media particularly television and film presented Southerners during the period of the civil rights revolution Graham analyzes depictions of southern race and social class in a wide range of Hollywood films including *A Streetcar Named Desire* *The Three Faces of Eve* and *A Face in the Crowd* from the 1950s later films like *Cool Hand Luke* *In the Heat of the Night* and *Mississippi Burning* and MGM's Elvis Presley vehicles She traces how films have confronted or avoided issues of racism over the years paralleling Hollywood depictions with the tamer characterization of the likeable hillbilly popularized in television's *The Real McCoys* and *The Andy Griffith Show* Graham reinforces the political impact of these fictional representations by examining media coverage of civil rights demonstrations including the documentary *Crisis Behind the Presidential Commitment* which reported the clash between Robert Kennedy and Governor George Wallace over the integration of the University of Alabama She concludes with a provocative analysis of *Forrest Gump* identifying the popular film as a retelling of post World War II Southern history
