## **Reducing Adolescent Risk Toward An Integrated Approach:**

**Reducing Adolescent Risk** Daniel Romer, 2003-04-01 What an extraordinary volume This book brings together current research integrating adolescent risk and protection across a wide range of topics and disciplines It is a major contribution to the field Robert Wm Blum MD MPH PhD Professor and Director Center for Adolescent Health and Development University of Minnesota This book is clearly the best source now available on the topic of adolescent risk taking and its prevention With chapters written by the very best people in the field describing the latest thinking and findings it is an essential guide and resource for prevention researchers and program developers Bruce Simons Morton EdD MPH Chief Prevention Research Branch Division of Epidemiology Statistics and Prevention Research National Institute of Child Health and Human Development This report shines a bright light on the road our nation has taken to improve adolescent health the approaching fork and the path most likely to attain our destination Lloyd J Kolbe PhD Director Division of Adolescent and School Health U S Centers for Disease Control And Prevention *Reducing Adolescent Risk Toward an Integrated Approach* weaves together current research findings with prevailing prevention strategies to shed further light on the developmental pathways leading to a variety of interrelated adolescent risk behaviors In doing so the authors skillfully make the case for more integrated policy approaches and for comprehensive programming at the community level that both recognizes the connections between risk behaviors and maximizes young people s positive potential Karen Pittman Executive Director The Forum for Youth Investment President Impact Strategies Inc Many risk behaviors have common developmental pathways However most prevention strategies approach adolescent risk behaviors as individual problems requiring separate solutions This policy of treating one behavior at a time encourages a fractured approach to adolescent health *Reducing Adolescent Risk Toward an Integrated Approach* focuses on common influences that result in a number of interrelated risk behaviors in order to design more unified comprehensive prevention strategies Edited by Daniel Romer this book summarizes presentations and discussions held at the Adolescent Risk Communication Institute of the University of Pennsylvania Annenberg Public Policy Center Concentrating on common causes for varied risk behaviors a group of leading researchers and intervention specialists from different health traditions synthesize current knowledge about risks to adolescent health in several areas including drugs and alcohol tobacco unprotected sex suicide and depression and gambling Promoting healthy adolescent development this innovative volume includes Results of the National Risk Survey Contributions from experts on adolescent decision making and problem solving Research agendas for programs that reduce multiple risks Potential intervention strategies to reduce more than one risk at a time Major findings from the conference that should be pursued in future research Primarily intended for graduate students scholars and researchers in psychology sociology social work and public health *Reducing Adolescent Risk* is also an extraordinary resource for policy makers in government organizations and foundations

*Reducing Adolescent Risk* Daniel Romer, 2003-04 Current policies treat adolescent risk behaviours as separate problems

requiring separate solutions ignoring the overlap of many risk behaviours This text seeks to move beyond the fractured approach of preventing one kind of behaviour at a time and suggests more comprehensive prevention strategies *Leading Psychoeducational Groups for Children and Adolescents* Janice L. DeLucia-Waack, 2006-05-03 This book provides readers with direction on how to organize psychoeducational groups while also helping them enhance skills for effectively leading such groups all in one comprehensive volume Offering an applied pragmatic approach author Janice L DeLucia Waack uniquely integrates research and practice to suggest valuable leadership strategies while addressing special issues such as children of divorce anger management bullying behaviors and much more Religion, Family, and Chinese Youth Development Jerf W. K. Yeung, 2020-12-30 Religion is a fundamental cultural factor profoundly influential on human mental health and behavioural choices and in addition family is the most proximal and intimate socialization agent contributive to youth development Religion Family and Chinese Youth Development explores how religious involvement of Chinese parents affects their psychological health and family socialization which leads to various aspects of the development of Chinese youths Specifically a structural relationship between religion family socialization and youth development was constructed theoretically and tested empirically in the Chinese context which can portray the linked lives of religious involvement of Chinese parents parental psychological health family processes parenting practices the development of psychosocial maturity and the internalizing and externalizing outcomes of Chinese youths Undeniably the findings of this book provide insightful social and policy implications for researchers and human service practitioners related to Chinese societies By clearly depicting and empirically testing the connections between religion family and Chinese youth development the book can be a reference for clergy family practitioners researchers policy makers management of NGOs and graduate students of social sciences *Community Interventions and AIDS* Edison J. Trickett, Willo Pequegnat, 2005-09-01 As news headlines report staggering numbers of people infected with HIV or AIDS across the globe and as stereotypes of typical AIDS patients become less and less specific to particular sexual orientations and ethnic backgrounds the AIDS pandemic shows little sign of relenting AIDS crosses geopolitical and social barriers and social and behavioral scientists are confronted with the new challenge of developing scientific inquiry and corresponding interventions around participatory community based and community focused methods These interventions are increasingly targeting the contextual influences on individual behavior such as peer groups social networks and support systems and community norms Community level interventions also draw on local resources and are respectful of sociocultural circumstances and traditions This book articulates how the social and behavioral sciences can respond to HIV AIDS It is written for all who have a stake in AIDS research stimulating discussion and debate about the natures of community research and intervention broadly across such disciplines as public health community health education urban planning psychology sociology anthropology and philosophy of science The book proposes alternative perspectives on means of ascertaining knowledge about the HIV AIDS pandemic and the inclusion of community
