Reevaluating Eisenhower American Foreign Policy In The Fifties:

Reevaluating Eisenhower Richard A. Melanson, 1987

Reevaluating Eisenhower David Allan Mayers, 1988-01-15

These essays offer diverse opinions and provocative insights They are a welcome reflection of current scholarly assessments of Eisenhower Dulles foreign policies Journal of American History Probably the most balanced analysis of Eisenhower s handling of foreign and national security policy that has yet appeared this book deserves to be widely read Highly recommended Choice

George Kennan and the Dilemmas of US Foreign Policy David Mayers, 1990-04-12 One of a select group of American foreign service officers to receive specialized training on the Soviet Union in the late 1920s and early 1930s George Frost Kennan eventually became the American government s chief expert on Soviet affairs during the height of the Cold War Drawing upon a wealth of original research David Mayers fascinating life of George Kennan examines his high level participation in foreign policy making and interprets his political and philosophical development within a historical framework Mayers presents an engaging and lucid account of Kennan s training his rise to prominence during the late 1940s and his policy failures and his later roles as critic of America s external policy advocate of détente with the Soviet Union and proponent of nuclear arms limitation Mayers also explores Kennan s complicated relationships with such important political figures and analysts as Dean Acheson John Foster Dulles and Walter Lippmann

History of American Foreign Policy, Volume 2 Jerald A Combs, 2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Dwight Eisenhower and American Foreign Policy during the 1960s Richard M. Filipink Jr., 2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office Eisenhower sought to influence his successors policies for a number of reasons including his underrated partisanship his desire to protect the reputation of his administration and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests Despite his steadily declining health Eisenhower played both a public and behind the scenes role in shaping American foreign policy during the 1960s that had long term consequences for the country This book traces the interactions between Eisenhower and his two successors from the pre inaugural meetings with John F Kennedy their direct contacts on Cuba the use of intermediaries such as John McCone and General Andrew Goodpastor and the constant contact initiated by Lyndon B Johnson Through these direct and indirect contacts Eisenhower constrained the

choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life

The History of American Foreign Policy from 1895 Jerald A. Combs, Jessica Elkind, 2024-04-01 Now in its fifth edition this volume offers a clear concise and nuanced history of U S foreign relations since the Spanish American War and places that narrative within the context of the most influential historiographical trends and debates The History of American Foreign Policy from 1895 includes both revised and new sections that incorporate insights from recent scholarship on the United States in the world These sections devote more attention to the international framework as well as the domestic constraints under which American foreign policymakers operated This edition also emphasizes the role of non state actors such as missionaries aid workers activists and business leaders in shaping policies and contributing to international relations As a result the text considers a broader and more diverse range of people and voices than many other histories of U S foreign policy Expanded final chapters bring the story of U S foreign relations to the present and explore some of the contemporary challenges facing American and global leaders including terrorism the effects of climate change China s increasing influence and globalization Updated controversial issues sections and suggestions for further reading at the end of each chapter reflect important contributions from new studies This engaging text is an invaluable resource for students interested in the history of American foreign policy and international relations

Eisenhower's New-Look National Security Policy, 1953-61 S. Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill s incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years

The Ashgate Research Companion to US Foreign Policy Robert J. Pauly, Jr., 2016-03-23 Examining the past present and future formulation and implementation of US foreign policy this research companion provides a range of interpretations of the topic so that the reader comes away with a clear knowledge of the academic and policy debates that define the field The volume focuses on American foreign policy from both historical and political science analytical perspectives and divides into three sections

Explaining the History of American Foreign Relations Michael J. Hogan, Thomas G. Paterson, 2004-01-19 Originally published in 1991 Explaining the History of American Foreign Relations has become an indispensable volume not only for teachers and students in international history and political science but also for general readers seeking an introduction to American diplomatic history This collection of essays highlights a variety of newer innovative and stimulating conceptual approaches and analytical methods used to study the history of American foreign relations including bureaucratic dependency and world systems theories corporatist and national security models psychology culture and ideology Along with substantially revised essays from the first edition this volume presents entirely new material on postcolonial theory borderlands history modernization theory gender race memory cultural transfer and critical theory The book seeks to define the study of

American international history stimulate research in fresh directions and encourage cross disciplinary thinking especially between diplomatic history and other fields of American history in an increasingly transnational globalizing world

A Companion to Dwight D. Eisenhower Chester J. Pach, 2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

History of the Office of the Secretary of Defense: Strategy, money, and the New Look, 1953-1956 Alfred Goldberg, 1984

Strategy, Money, and the New Look, 1953-1956 Richard M. Leighton, 2001 Examines the role of Office of the Secretary of Defense and Secretary Charles E Wilson in the transformation of national security policy during the first Eisenhower administration Includes bibliography and index

Shadow on the White House David L. Anderson, 1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In Shadow on the White House seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war

Amazon.com

Outposts of Empire Steven Lee, 1996-06-08 Drawing on a wide range of recently declassified documents Lee outlines the regional and international context of American diplomatic history towards Korea and Vietnam and analyses the relationship between containment the bipolar international system and European and

American concepts of empire at the beginning of the era of decolonization He argues that although policy makers in the United Kingdom and Canada adopted a more defensive containment policy towards Communist China than the United States did they generally supported American attempts to promote pro Western elites in Korea and Vietnam This is an important book for anyone interested in American foreign policy Anglo American relations Asia and the international system and British and Canadian foreign policies

America and the Postwar World: Remaking International Society, 1945-1956 David Mayers, 2018-03-13 The main tide of international relations scholarship on the first years after World War II sweeps toward Cold War accounts These have emphasized the United States and USSR in a context of geopolitical rivalry with concomitant attention upon the bristling security state Historians have also extensively analyzed the creation of an economic order Bretton Woods mainly designed by Americans and tailored to their interests but resisted by peoples residing outside of North America Western Europe and Japan This scholarship centered on the Cold War as vortex and a reconfigured world economy is rife with contending schools of interpretation and bolstered by troves of declassified archival documents will support investigations and writing into the future By contrast this book examines a past that ran concurrent with the Cold War and interacted with it but which usefully can also be read as separable Washington in the first years after World War II and in response to that conflagration sought to redesign international society That society was then and remains an admittedly amorphous thing Yet it has always had a tangible aspect drawing self regarding states into occasional cooperation mediated by treaties laws norms diplomatic customs and transnational institutions The U S led attempt during the first postwar years to salvage international society focused on the United Nations Relief and Rehabilitation Administration the Acheson Lilienthal plan to contain the atomic arms race the Nuremberg and Tokyo tribunals to force Axis leaders to account the 1948 Genocide Convention the 1948 Universal Declaration of Human Rights and the founding of the United Nations None of these initiatives was transformative not individually or collectively Yet they had an ameliorative effect traces of which have touched the twenty first century in struggles to curb the proliferation of nuclear weapons bring war criminals to justice create laws supportive of human rights and maintain an aspirational United Nations still striving to retain meaningfulness amid world hazards Together these partially realized innovations and frameworks constitute if nothing else a point of moral reference much needed as the border between war and peace has become blurred and the consequences of a return to unrestraint must be harrowing

Western Foreign Policy and the Middle East Christian Kaunert, Sarah Leonard, Lars Berger, Gaynor Johnson, 2017-10-02 This book examines Western foreign policy towards the Middle East and the extent to which the promotion of democracy has been in conflict with or supported by other goals geo strategic economic and cultural in the policies of the major actors towards the Middle East Does the Arab Spring provide a new opening for cooperation with the region Contributions are offered by scholars with research interests in Middle Eastern politics and by those analysing the policies and interests of external actors Against the backdrop of the recent War on Terror the comparative and

interdisciplinary outlook of the book will offer the opportunity for much needed intellectual exchanges between political scientists contemporary historians and international relations scholars from Europe North America and the Middle East Since it coincides with and or follows the final phases of US and British withdrawal from Iraq and Afghanistan this book will be highly relevant to both academics and policy makers in the UK and abroad making a significant contribution not only to the scholarly investigation of Western foreign policies but also to the study of the Middle East in general This book was originally published as a special issue of the Cambridge Review of International Affairs *John Foster Dulles and the Diplomacy of the Cold War* Richard H. Immerman, 2021-03-09 As Dwight D Eisenhower s Secretary of State John Foster Dulles came to personify the shortcomings of American foreign policy This collection of essays representing the first archivally based reassessment of Dulles s diplomacy examines his role during one of the most critical periods of modern history Rejecting familiar Cold War stereotypes this volume reveals the hidden complexities in Dulles s conduct of foreign policy and in his own personality *Latin America's Democratic Crusade* Allen Wells, 2023-09-26 By emphasizing Latin American reformers decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region s political evolution Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington s abiding preoccupation but between democracy and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere Dictators retaliated often with deadly results exporting strategies that had been honed at home to guarantee their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the aftershocks of which are still felt today

The Presidency of Dwight D. Eisenhower Chester J. Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency Stephen E Ambrose author of *Eisenhower* **How Presidents Test Reality** John P. Burke, Fred L. Greenstein, 1989-09-19 Just as famines and plagues can provide opportunities for medical research the unhappy course of United States relations with Vietnam is a prime source of evidence for students of American political institutions *How Presidents Test Reality* draws on the record of American decision making about Vietnam to explore the capacity of top government executives and their advisers to engage in effective reality testing Authors Burke and Greenstein compare the Vietnam decisions of two presidents whose leadership styles and advisory systems diverged as sharply as any in the modern presidency Faced with a common challenge an incipient Communist take over of Vietnam presidents Eisenhower and Johnson

engaged in intense debates with their aides and associates some of whom favored intervention and some of whom opposed it In the Dien Bien Phu Crisis of 1954 Eisenhower decided not to enter the conflict in 1965 when it became evident that the regime in South Vietnam could not hold out much longer Johnson intervened How Presidents Test Reality uses declassified records and interviews with participants to assess the adequacy of each president's use of advice and information This important book advances our historical understanding of the American involvement in Vietnam and illuminates the preconditions of effective presidential leadership in the modern world An exceptionally thoughtful exercise in what contemporary history ought to be Illuminates the past in a way that suggests how we might deal with the present and the future John Lewis Gaddis Burke and Greenstein have written what amounts to an owner's manual for operating the National Security Council This is a book Reagan's people could have used and George Bush ought to read Bob Schieffer The Washington Monthly

Reevaluating Eisenhower American Foreign Policy In The Fifties Introduction

In today's digital age, the availability of Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reevaluating Eisenhower American Foreign Policy In The Fifties versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reevaluating Eisenhower American Foreign Policy In The Fifties books and manuals for download and embark on your journey of knowledge?

FAQs About Reevaluating Eisenhower American Foreign Policy In The Fifties Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reevaluating Eisenhower American Foreign Policy In The Fifties is one of the best book in our library for free trial. We provide copy of Reevaluating Eisenhower American Foreign Policy In The Fifties in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reevaluating Eisenhower American Foreign Policy In The Fifties. Where to download Reevaluating Eisenhower American Foreign Policy In The Fifties online for free? Are you looking for Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? This is definitely going to save you time and cash in something you should think about.
