The London Restoration Rachel McMillan,2020-08-18 The secrets that might save a nation could shatter a marriage Madly in love Diana Foyle and Brent Somerville married in London as the

bombs of World War II dropped on their beloved city Without time for a honeymoon the couple spent the next four years apart Diana an architectural historian took a top secret intelligence post at Bletchley Park Brent a professor of theology at King s College believed his wife was working for the Foreign Office as a translator when he was injured in an attack on the European front Now that the war is over the Somervilles long anticipated reunion is strained by everything they cannot speak of Diana s extensive knowledge of London s churches could help bring down a Russian agent named Eternity She s eager to help MI6 thwart Communist efforts to start a new war but because of the Official Secrets Act Diana can t tell Brent the truth about her work Determined to save their marriage and rebuild the city they call home Diana and Brent s love is put to the ultimate test as they navigate the rubble of war and the ruins of broken trust [The Complete Wooden Runabout Restoration Guide](#) Don Danenberg,2008-08-15 Now MBI Publishing Company s two top selling boating titles written by one of the world s top authorities on the subject of antique wooden boat restoration are available in one volume In this comprehensive restoration guide for owners and enthusiasts of wooden powerboats of all makes and models built from the early 1920s through the 1960s author Don Dannenberg covers all major woodworking aspects of restoration surveying disassembly repair reconstruction and varnishing But when it comes to restoring a classic wooden powerboat getting the frame planking and deck right is just one part of the story Danenberg also walks enthusiasts through the topics of hardware running gear electrical wiring plumbing instruments upholstery trailers and maintenance Fully illustrated with step by step color photos and written in an entertaining style in which the author stresses sound reconstruction techniques over preservation of original components this comprehensive volume also includes resource listings glossaries and School of Hard Knocks sidebars **Race and Restoration** Barclay Key,2020-05-06 From the late nineteenth century to the dawn of the civil rights era the Churches of Christ operated outside of conventional racial customs Many of their congregations even deep in the South counted whites and blacks among their numbers As the civil rights movement began to challenge pervasive social views about race Church of Christ leaders and congregants found themselves in the midst of turmoil In Race and Restoration Churches of Christ and the Black Freedom Struggle Barclay Key focuses on how these churches managed race relations during the Jim Crow era and how they adapted to the dramatic changes of the 1960s Although most religious organizations grappled with changing attitudes toward race the Churches of Christ had singular struggles Fundamentally restorationist these exclusionary churches perceived themselves as the only authentic expression of Christianity compelling them to embrace peoples of different races even as they succumbed to prevailing racial attitudes The Churches of Christ thus offer a unique perspective for observing how Christian fellowship and human equality intersected during the civil rights era Key reveals how racial attitudes and practices within individual congregations elude the simple categorizations often employed by historians Public forums designed by churches to bridge racial divides offered insight into the minds of members while revealing the limited progress made by individual churches Although the Churches of Christ did have a more

racially diverse composition than many other denominations in the Jim Crow era Key shows that their members were subject to many of the same aversions prejudices and fears of other churches of the time Ironically the tentative biracial relationships that had formed within and between congregations prior to World War II began to dissolve as leading voices of the civil rights movement prioritized desegregation
