

WHAT IS REFLECTION?

Reflection refers to the mental activity that allows us to think deeply and critically about our experiences, ideas, and actions.

It involves examining and analyzing our thoughts, feelings, and behaviors in order to understand their meaning and value.

Through **reflection**, we can gain a clearer perspective of ourselves, others, and the world around us. It helps us make more conscious decisions, learn from our mistakes, and grow personally.

Reflection invites us to question, to seek meaning, and to find purpose in our experiences.

Two Hours

Ivan Gavrilovic, 2025-01-30

The 2 Hours Method is your guide to identifying your dreams and goals while equipping you with the tools to stay on track. It emphasizes the importance of focus, discipline, consistency, and self-development as the foundation for becoming the best version of yourself. This method also teaches you to be mindful of what you allow into your mind and body, ensuring that every step you take is aligned with your progress and success. Throughout this book, I've shared my personal journey as proof that success is possible even when starting from nothing in a completely new environment. I went from working a regular job and managing a side hustle to gradually reducing my hours, focusing on developing new skills, and prioritizing my health. My path led me from being a translator and driver to becoming a Bitcoin and crypto investor, each step shaping the person I am today. I've also included stories of a friend who never dared to take the leap alongside my colleague Rudi, who transformed his life from being a forklift driver to becoming the respected owner of a successful renovation company. These examples show that this journey isn't just about me; it's proof that others too have dared to chase their dreams and achieved remarkable success, even as foreigners in a foreign country. Let this serve as a powerful reminder: your dream is achievable, no matter where you start or where you are. Stay consistent, stay disciplined, and believe in your journey. This book is for those curious about discovering a new version of themselves. It will guide you in breaking free from bad
