Experience Mary Ann Suppes,Carolyn Cressy Wells,1996 Community Mental Health in Canada Simon Davis,2011-11-01 In Canada at least 5 percent of the population suffers from a serious persistent mental illness such as schizophrenia or bipolar disorder While recent years have seen many changes and improvements in the way we respond to the needs of mentally ill persons there remain divisions of opinion among stakeholder groups about the way mental health services are delivered Community Mental Health in Canada offers a timely critical overview of the provision of public mental health services in Canada looking at where we have come from the current situation and where we may be heading Concise yet comprehensive coverage includes the prevalence and impact of mental illness in Canada the complementary and conflicting interests of stakeholder groups such as mental health professionals clients families government and drug companies current and developing initiatives in treatment rehabilitation housing and criminal justice programs the clinical benefits and costs of particular interventions among them pharmacotherapy and cognitive behavioural treatments the recovery model diversity and cultural competence the legal and ethical basis of mental health practice particularly as it applies to the use of coercion and involuntary treatment Community Mental Health in Canada fills a gap in the literature in its analysis of both clinical mental health practice as well as the structural context within which it is situated An indispensable resource for students practitioners and policymakers it also is essential reading for all those interested in how services are provided to our most vulnerable citizens **Nosotros** Alvin O. Korte,2012-03-01 Much knowledge and understanding can be generated from the experiences of everyday life In this engaging study Alvin O Korte examines how this concept applies to Spanish speaking peoples adapted to a particular locale specifically the Hispanos and Hispanas of northern New Mexico Drawing on social philosopher Alfred Schutz s theory of typification Korte looks at how meaning and identity are crafted by quotidian activities Incorporating phenomenological and ethnomethodological strategies the author investigates several aspects of local Hispano culture including the oral tradition leave taking death and remembrances of the dead spirituality and the circle of life Although avoiding a social problems approach the book devotes necessary attention to mortification the death of the self desmadre chaos and disorder and mancornado cuckoldry Nosotros is a vivid and insightful exploration with applications in numerous fields **Community Mental Health in Canada, Revised and Expanded Edition** Simon Davis,2013-11-15

Community Mental Health in Canada offers a timely critical overview of the provision of public mental health services in Canada past present and future This new edition has been substantially revised and expanded and includes a deeper discussion of stigma the recovery vision the pharmaceutical industry and mental health law in addition to an array of new topics Recent developments such as the creation of the Mental Health Commission of Canada in 2007 and the release of its national mental health strategy document in 2012 are also discussed Accessibly written and highly informative it is an indispensable resource for students practitioners and policy makers as well as service recipients and their families
