Reflections Man And Boy:

Fang & Claw - Tooth & Nail Douglas Christian Larsen, 2011-03-26 Rodolphus and Larsen together in one book for the very first time Although very different writers these two storytellers stir emotions produce chills and introduce people we soon know and love and sometimes hate and fear Collected here are such singular works as Fearsweat wherein a supernatural stalker threatens an entire town In My Father The Killer we meet a young man who has always believed the worst about his father a famed terrorist Interstate Chimes accompanies twins completing their separate destinies outside of time and space We enter an amazing little girl's creative genius in Four Leaf Clovers And for a dark laugh and scream we ride along with The Dread Cowboy Included herein is the unfinished Rodolphus master work the novella Contest Darkly which taps into the incredible world of Larsen's Vanya Song a novel 40 years in the making Rodolphus and Larsen like coffee and cream or hemlock and wine we experience a world incredibly dark yet vividly bright **Early years and late**

The Boy-Man, Masculinity and Immaturity in the Long Nineteenth Century Pete Newbon, 2018-09-04 This book explores the evolution of male writers marked by peculiar traits of childlike immaturity The Boy Man emerged from the nexus of Rousseau's counter Enlightenment cultural primitivism Sensibility's Man of Feeling the Chattertonian poet maudit and the Romantic idealisation of childhood The Romantic era saw the proliferation of boy men who congregated around such metropolitan institutions as The London Magazine These included John Keats Leigh Hunt Charles Lamb Hartley Coleridge Thomas De Quincey and Thomas Hood In the period of the French Revolution terms of childishness were used against such writers as Wordsworth Keats Hunt and Lamb as a tool of political satire Yet boy men writers conversely used their amphibian child adult literary personae to critique the masculinist ideologies of their era However the growing cultural and political conservatism of the nineteenth century and the emergence of a canon of serious literature inculcated the relegation of the boy men from the republic of letters
