## **Reflections On Blue Water:**

**Reflection City** Jesse P. Ward, 2015-06-18 Reflection City is a magical place visible for only one month every fifteen years. Its inhabitants have been hidden away for two generations by a spell designed to keep the city safe from war, the cruelty of others, and extremes of weather. When Joel, the new king of Regstar, discovers Reflection City hidden in the mountains of his own kingdom, he is amazed. He meets a beautiful princess named Phyllass, and they fall in love. In spite of her father's wishes, Phyllass leaves Reflection City to be with Joel, knowing that she will be unable to return home for the next fifteen years. They are married, and soon the queen gives birth to a daughter named Donella, but in the process loses her life. When the princess is fourteen, however, she is kidnapped and taken to the city where her mother would have reigned. With Donella trapped inside, as Reflection City disappears, Joel has no way to save his only child, and now invaders are approaching his kingdom. His only hope is Asher, a young knight who grew up with Donella. Can Asher rescue the princess and save the kingdom of Regstar? In this fantasy novel, a king and his knight must work together to protect their kingdom and rescue a kidnapped princess from a magical city.

**Waters' Reflection** Jennifer Driscoll, 2016-05-30 At the age of nine, Jillian Waters' idyllic childhood dissolved the day her mother disappeared. She somehow survived the loss, but that doesn't mean she emerged with her heart intact. She spent the next twenty years moving from town to town with her police officer father as he worked on the case of his life. She built up sturdy walls to protect her heart from anything close to love. Now living in Chicago, within arm's reach of Lake Michigan, which along with her dad has been the only constant in her life, she meets Drew Montgomery. He is a boat builder and a man of passion searching for someone with whom to build his life.

his way with a solid foundation and plenty of heart Their mutual love of the lake draws Jillian and Drew into a relationship unlike any she has ever dared to risk When Jillian discovers a connection to her mother she must decide to walk away or risk her heart on a man who may hold answers to so many questions that have lingered throughout her life Waters Reflection is a story of connections loss and strength in the face of danger and on the chance of love Love always matters Reflections of a Whale-watcher Michelle A. Spiller,2001-01-28 A dark and poetic look into the End of the World Can one man really make a difference Is the road to Hell truly paved with good

intentions Will the world really end not with a bang but with a whimper Ms Spiller offers her answer to all of these questions in her dark and poetic look into the end of mankind The narrator is a mysterious omniscient poet who speaks directly to the reader much like the Muses in an ancient tragedy The narrator looks back on the events of the book some time after The End has occurred The book is full of ironies and symbols The story of The End takes place over the course of seven days an ironic parallel of The Creation Ms Spiller s concept of Hell is portrayed as a shattered and broken world yet shockingly similar to the world around us in the present day The End of the World we find is not caused by a nuclear holocaust or global warming or an incurable disease but rather the simple but deadly combination of good intentions and misguided decisions The concept and the story are excellent insightful and hypnotic This book is a quick read but it will make a lasting impression Highly recommended Chris Tringali as posted at Amazon com
