was well positioned at the end of the cold war to make a successful transition to a market economy and westernization Yet two years later the country had ceased to exist and devastating local wars were being waged to create new states Between the fall of the Berlin Wall in November 1989 and the start of the war in Bosnia Herzegovina in March 1992 the country moved toward disintegration at astonishing speed The collapse of Yugoslavia into nationalist regimes led not only to horrendous cruelty and destruction but also to a crisis of Western security regimes Coming at the height of euphoria over the end of the cold war and the promise of a new world order the conflict presented Western governments and the international community with an unwelcome and unexpected set of tasks Their initial assessment that the conflict was of little strategic significance or national interest could not be sustained in light of its consequences By 1994 the conflict had emerged as the most challenging threat to existing norms and institutions that Western leaders faced And by the end of 1994 more than three years after the international community explicitly intervened to mediate the conflict there had been no progress on any of the issues raised by the country s dissolution In this book Susan Woodward explains what happened to Yugoslavia and what can be learned from the response of outsiders to its crisis She argues that focusing on ancient ethnic hatreds and military aggression was a way to avoid the problem and misunderstood nationalism in post communist states The real origin of the Yugoslav conflict Woodward explains is the disintegration of governmental authority and the breakdown of a political and civil order a process that occurred over a prolonged period The Yugoslav conflict is inseparable from international change and interdependence and it is not confined to the Balkans but is part of a more widespread phenomenon of politic

Yugoslavia, the Former and Future Payam Akhavan, Robert Howse, 2010-12-01 This book contains a unique collection of essays written by scholars from the former Yugoslavia exploring the events that led to the devastating disintegration of their homeland The scholars who are from the different ethnic groups now in conflict provide insightful multicultural perspectives on the crisis The essays lead readers to reconsider the assumptions behind the predominant western views of the post cold war order and the place of ethnic conflict and ethnic nationalism in that order Most of the authors point to the causes of the federal breakup and the war that are specific to the social political and economic situation of Yugoslavia as it evolved since Tito The existence of these causes largely ignored in western analysis of the crisis questions the view that conflicting or overlapping claims of different ethnic groups must result in nationalism and national conflict The variety of viewpoints by scholars from Bosnia Herzegovina Croatia Serbia and Slovenia provides a much needed dialogue about the combination of forces events and personalities that led to the crisis and offers the opportunity to look ahead to a brighter future for the region This book is essential reading for everyone who wants a better understanding of what caused the breakup of Yugoslavia as well as the more general problems of nationalism and post cold war international struggles The contributors are Vojin Dimitrijevic University of Belgrade Dusan Janjic University of Belgrade Dusan Necak University of Ljubljana Albina Necak Luk University of Ljubljana Zoran Pajic University of Sarajevo Zarko Puhovski University of Zagreb Milorad Pupovac
