Bonevento, 2015-06-11 There are reflections on life then there are truer reflections It took a six year hiatus for poet F M Bonevento to return to the written word but he does so now with passion wit and a better understanding of things he thought he once knew He now knows with certainty that time passes and as it does we change and gain deeper understandings The Ashen Song reflects Boneventos increasing concern for the future of humanity and our uncertain fate The Moons Song recalls an evening spent studying the autumn moon in a shimmering Texas sky His work goes beyond observation and into the realm of science as well due to the authors lasting fascination with the relationship between the power of human thought and the infinite depth of the universe around us Boneventos first two collections prepared him for this his third and most powerful volume yet His words bring resolution to the flights of heart and mind that visit our days here on Earth The winds of time blow us back and forth emotional winds shape us into who we are and who we will become Take another closer look at your life and hear the words on the winds Reflections Helen Brown, 2015-07-06 My parents grew up in a time that most of us only read about in history books They saw history made many times Their generation created the advantages that we take for granted today Like us they too had to rely on the Lord Jesus for strength courage and pure grit to get through the dangers they faced each day They still managed to raise five healthy children all of whom are capable productive members of society There was a great variety of experiences throughout their lives and through these have been able to learn and grow as part of the Australian community These lessons have been passed on to not only their children but to the many people that they have come into contact with throughout their days in ministry farming and community service as well They unselfishly offered me this project I am pleased to be able to share some of their lessons with the whole wide world through this book As I presented each article I was made aware that there was an extra blessing that I could claim I have added these at the end of each contribution We their children have been very blessed to have had such wonderful parents as our role models in life My prayer is that this book may bring some insight into what life was like in times past May it also help us all to be grateful for the determination that their generation had to give us the advantages we have today **The General Magazine and Impartial Review**, 1792 Includes prose poems letters biog sketches reviews of books plays foreign domestic news births deaths marriages promotions dividends certificates etc Cometh Up as a Flower Rhoda Broughton, 1872 **"Pimp: Reflection of My Life "** Noble Dee, 2013-02-01 In our society today although used out of their original contexts the words Pimp and Pimpin have been embraced whole heartedly by todays hip hop generation and

frequently used in slang to describe a motif of a newly set standard of flamboyant living However in his debut release Donald Ray Lavan AKA Noble Dee provides the true definition of both words separating the real and the facts from the faade and the fiction of todays controversial terminology Best of all he describes in very minute details what the Game Pimpin was like for him in his era the 1960s to Y2K The New Millienium In this tell all non fiction Noble Dee illustrates in a very blaxploitation mannerhis personal existence in the game Not only does he exploit his successes he also exposes the very grim details of the life both in tones whereas you the reader bask in his glory and share his pains the pain of possibly regret in the life that he cherished for almost four calendar decades Wholeheartedly Noble Dee expresses how his own glorification of the game indirectly allured his first born daughter into a position to be manipulated and exploited by pimps just as he had manipulated and exploited so many daughters throughout his 35 years plus career Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book Pimp The Story of My Life By Iceberg Slim has the entrenching truth behind the lifestyle termed pimpin been exposed to this degree Thus the primary title Pimp Reflections of My Life www JumpInterstateN biz
