The Churchman ,1903 On Rest and Pain John Hilton,1879 Seneca's Characters Erica M. Bexley,2022-07-07 *Seneca s Characters* addresses one of the most enduring and least theorised elements of literature fictional character and its relationship to actual human selfhood Where does the boundary between character and person lie While the characters we encounter in texts are obviously not real people they still possess person like qualities that stimulate our attention and

engagement How is this relationship formulated in contexts of theatrical performance where characters are set in motion by actual people actual bodies and voices This book addresses such questions by focusing on issues of coherence imitation appearance and autonomous action It argues for the plays sophisticated treatment of character their acknowledgement of its purely fictional ontology alongside deep and often dark appreciation of its quasi human qualities Seneca s Characters offers a fresh perspective on the playwright s powerful tragic aesthetics that will stimulate scholars and students alike Dictionary of National Biography ,1889 **The Dictionary of National Biography, Founded in 1882 by George Smith** ,1922

Truxes,2017-04-21 In March 1757 early in the Seven Years War a British privateer intercepted an Irish ship the Two Sisters of Dublin as it returned home from Bordeaux with a cargo of wine and French luxury goods Amongst the cargo seized were 125 letters from members of the Irish expatriate community which were to lay undisturbed in the British archives for the next 250 years Re discovered in 2011 by Dr Truxes this cache of mostly unopened letters provides a colorful intimate and revealing glimpse into the lives of ordinary people caught up in momentous events Taking this correspondence published by the British Academy in 2013 as a shared starting point the ten essays in this volume are not so much about the Bordeaux Dublin letters themselves but rather reflect upon themes perspectives and questions embedded within the mail of ordinary men women and children cut off from home by war The volume s

introduction situates these essays within a broad Atlantic context allowing the succeeding chapters to explore a range of topics at the cutting edge of early modern British and Irish historical scholarship including women in the early modern world the consequences of war across all classes in society the eighteenth century penal laws and their impact and Irish expatriate communities on the European continent Leavening these broad themes with the personal snapshots of life provided by the Bordeaux Dublin letters this edited collection enlarges complicates and challenges our understanding of the mid eighteenth century Atlantic world **Monthly Packet** ,1872 **The Book and Its Story** L.
