A Third For Your Quiet Meditation William Flewelling, 2025-01-13 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as prescribed in the Revised Common Lectionary for context as needed I try to make the meditations worth the while of my readers having found a fairly broad readership among the congregations I served through the years This book covers the years 2020 through 2024 **A Second "For Your Quiet Meditation"** William Flewelling, 2019-12-04 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as described in the lectionary I try to make them worth the while of my readers finding a fairly broad readership among the congregations I served through the years The Cross on the cover was made by William Herbert Durst in his Florence workshop Mr Durst was the grandfather of Mary Bess Halford Staffer who calls it his Trinity Cross **Adult Bible Studies Summer 2020 Student** Robert P Gardner, 2020-04-21 Beginning with the summer quarter the focal Bible passages will again appear in print in both the student and teacher books We will mostly use the Common English Bible CEB version of the text while sometimes including the New Revised Standard Version NRSV when it will better help students engage and appreciate the biblical texts Summer Theme Community This summer our lessons support the theme of Community The writer of the student book lessons is Robert Gardner the teacher book writer is Martha Myre A New Thing Spiritual Practice Study Scripture Deuteronomy 8 1 10 1 Kings 18 20 39 2 Kings 22 8 20 Hosea 1 2 11 If you look at the texts of this unit in the sequence they are laid out over the four lessons it may not be immediately apparent why the unit theme is A New Thing While Lesson 1 presents God's charge to ancient Israel to keep the commandments Lessons 2 and 3 focus on incidents brought about by the people failing to keep the commandments and Lesson 3 adds the note of divine judgment It's only when we get to Lesson 4 that the new creation theme emerges But after the journey the first three lessons takes us through the need for a fresh start is obvious and the message of restoration that God announces through Hosea is most welcome A New People Scripture Jeremiah 23 1 8 Daniel 1 8 17 Daniel 3 19 30 Nehemiah 9 9 17 32 33 Spiritual Practice Prayer While the Lord invites all to be people of God the Old Testament is essentially the story of God's dealings with a specific group of people the Israelites The four lessons of this unit give us an opportunity to look at some key stories related to those dealings God and the remnant the community's connection to God God's care for the people in a time of great stress and how God's love for the people continued despite their unfaithfulness All these stories have applications to us today but we begin to learn about God's ways through biblical stories about God and the Israelites A New Way of Life Scripture Luke 19 1 10 John 4 7 30 39 42 Luke 10 25 37 Matthew 15 21 28 Mark 5 1 20 Spiritual Practice Hospitality The Bible passages in the five lessons of this unit are all intended to enlarge our understanding of the word neighbor Four of the five are incidents that directly involve Jesus and the fifth is a parable

and other small groups **Kerygmatic Hermeneutics** Swee Sum Lam, 2021-09-30 Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader navigates in a toing and froing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This toing and froing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters Spiritual Exercises Based on Paul's Epistle to the Romans Joseph A. Fitzmyer, 2004 Paul's letter to the Romans is often regarded as the most profoundly doctrinal book in the Bible While not overlooking its complex theology Joseph Fitzmyer here shows Romans to be also a wellspring of devotional insight accessible and deeply rewarding to all Christians In this book Fitzmyer recasts the text of Romans into the form of meditations for devotional reflection in spiritual retreats Bible studies church classrooms small groups and other prayerful gatherings Styled after the famous Spiritual Exercises of St Ignatius Loyola the book includes twenty four meditations that can be divided in a variety of ways and fit to a range of reading schedules Accompanying each meditation are questions to encourage reflection on the passage of Romans being considered and also a colloquy in the form of a psalm or New Testament hymn that matches the sentiment of the Pauline passage A truly fulfilling approach to spirituality Fitzmyer's Spiritual Exercises demonstrates the role of Scripture in properly ordering the Christian life **The Concise A to Z Guide to Finding It in the Bible**, 2013-08-15 This informative and easy to understand reference tool offers an at your fingertips guide to key Scripture references Bible stories and verses that relate to topics like anger controversy employment going green happiness leadership money relaxation sex worship The Concise A to Z Guide to Finding It in the Bible provides a quick and entertaining read for people interested in what the Bible has to say about a wide range of topics **Discovering God Through Action and Reflection** Mike Deeb, 2024-08-01 The See Judge Act or Review of Life methodology initially articulated by Fr later Cardinal Joseph Cardijn in the early 1900s has become widely accepted in the Catholic Church and in many other churches as an effective method of evangelisation However unfortunately See Judge Act has frequently become simply a slogan lacking precise content or it has been used to describe approaches that do not take all the elements intended fully into account To address this challenge in its own ranks the International Young Christian Students IYCS International Team of 2003 2007 commissioned the production of this book to assist the training of its

students and chaplains in this methodology as integral to its spirituality of critical reflection and action within the perspective of transforming their local and global realities It is therefore hoped that this book will contribute to deepening the understanding of See Judge Act as a timeless spirituality enabling effective evangelisation or communication of the Good News proclaimed by Jesus Christ in order to bring God s justice and peace to our world The Paths We Walk Trails Felicia Ferguson,2016-11-03 Set in Fairhope Alabama and the beach resort area of Scenic Highway 30A in Floridas panhandle four thirty something ladies support each other through the triumphs and hard decisions of life When their own ladies retreat is canceled by the sudden illness of its veteran coordinator Deli Jess Anne and Lindsay travel to Seaside Florida for a local churchs meeting on biblical reflection and meditation The verses they study bring unexpected insights into their relationships with God their families and even themselves Single ladies Deli and Jess gain greater insight into what it means to be a part of a godly relationship Deli battles her abuse history and takes a step of faith toward a future she never imagined could be hers Jess on the other hand struggles to come to terms with her failing three year relationship with a man who has little interest in God and faith Meanwhile Anne and Lindsay confront issues of motherhood Annes pre teen daughter has begun a slow descent into silence and moodiness leading Anne to question her long held beliefs about parenting Lindsay has her own questions but with two young daughters now both school aged hers is a battle of mothers guilt against a possible return to her first love a career in law Their questions are our questions Their journeys are our journeys Come join them as they discover their own answers and Gods plan for their lives on The Paths We Walk **Playful Courtesies** William Flewelling,2022-03-16 My poems sharpen my sight so that I see better what is there to be seen I will find some situation or image or nuance that catches my eye intrigues me Sometimes that seeing lends itself as an image for me and then a line just one at first that when written down enters into a cadence a rhythm a sense of sound and echo that emerges into a sequence of lines that flow usually quickly And then the lines stop the images seem complete and then they announce to me that the poem is complete That is true whether the image is a raindrop a face a pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated into the current year s file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in that book that brings it about Satisfaction is such a boon to life The Vines and the Branches Kenneth Caraballo,2024-05-11 In The Vines and the Branches readers are invited into the lush landscape of a vineyard where the ancient art of viticulture becomes a rich metaphor for the Christian life Drawing inspiration from Jesus teachings in John 15 the book explores the profound relationship between the True Vine and its branches At the heart of the narrative stands the Vinekeeper who tenderly cares

for His vineyard cultivating a community of branches destined for abundant fruitfulness Through the metaphor of pruning readers journey through the painful yet transformative process of spiritual growth discovering the beauty that emerges when they surrender to the Vinekeeper s loving hands As readers abide in Jesus they uncover the depth of His love and the power it holds to shape every aspect of their lives Through the fruitful branches they witness the tangible evidence of abiding in Christ as love joy peace patience kindness goodness faithfulness gentleness and self control blossom in abundance Yet the journey of abiding is not without its challenges From the struggles of remaining steadfast in the face of adversity to the pursuit of unity within the Body of Christ readers are called to persevere knowing that their faithfulness will ultimately yield a bountiful harvest for the Kingdom The Vines and the Branches is a timeless invitation to embrace the call to abide in Jesus to allow His life giving presence to flow through every fiber of our being and to bear fruit that will last for eternity Through practical insights and heartfelt encouragement readers are empowered to cultivate a deep and abiding relationship with the True Vine transforming their lives and the world around them with the power of His love Writings on the Spiritual Life
