Cornelie Usborne

Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195:

Reforming Sex Atina Grossmann, 1995 This study analyzes a mass movement of doctors and laypeople that demanded women's right to abortion and public access to birth control and sex education in Germany Their story sheds light on current controversies about abortion and the role of doctors and the state in controlling women's rights **Reforming Sex** Atina Grossmann, 1995 *Reforming Sex* takes on questions of international context and comparison as well as continuity and discontinuity in twentieth century German history in a manner that other studies have not The book follows Weimar sex reformers into the Third Reich to exile around the world and into both the Eastern and Western zones of postwar Germany It demonstrates how deeply rooted eugenics ideology and American and Bolshevik models of modernity were in the Weimar movement It also examines the drastic rupture between sex reform notions of social health and National Socialist population policy The story of German sex reform provides a new perspective on post World War II family planning programs it sheds light on the long and lively background to current controversies about abortion the role of doctors and the state in determining women's right to control their own bodies and the possibilities for reforming and transforming sexual relations between men and women *The Politics of Fertility in Twentieth-Century Berlin* Annette F. Timm, 2010-08-30 How a declining population influenced reproductive and sexual health policy in Germany *Women in the Holocaust* Zoë Waxman, 2017-01-26 Despite some pioneering work by scholars historians still find it hard to listen to the voices of women in the Holocaust Learning more about the women who both survived and did not survive the Nazi genocide through the testimony of the women themselves not only increases our understanding of this terrible period in history but makes us rethink our relationship to the gendered nature of knowledge itself *Women in the Holocaust* is about the ways in which socially and culturally constructed gender roles were placed under extreme pressure yet also about the fact that gender continued to operate as an important arbiter of experience Indeed paradoxically enough the extreme conditions of the Holocaust even of the death camps may have reinforced the importance of gender Whilst Jewish men and women were both sentenced to death gender nevertheless operated as a crucial signifier for survival Pregnant women as well as women accompanied by young children or those deemed incapable of hard labour were sent straight to the gas chambers The very qualities which made them women were manipulated and exploited by the Nazis as a source of dehumanization Moreover women were less likely to survive the camps even if they were not selected for death Gender in the Holocaust therefore became a matter of life and death *Cultures of Abortion in Weimar Germany* Cornelie Usborne, 2007-12-01 Abortion in the Weimar Republic is a compelling subject since it provoked public debates and campaigns of an intensity rarely matched elsewhere It proved so explosive because populationist ecclesiastical and political concerns were heightened by cultural anxieties of a modernity in crisis Based on an exceptionally rich source material e.g. criminal court cases doctors case books personal diaries feature films plays and literary works this study explores different attitudes and experiences of those women

who sought to terminate an unwanted pregnancy and those who helped or hindered them. It analyzes the dichotomy between medical theory and practice and questions common assumptions, i.e. that abortion was a necessary evil which needed strict regulation and medical control or that all back street abortions were dangerous and bad. Above all, the book reveals women's own voices frequently contradictory and ambiguous, having internalized medical ideas they often also adhered to older notions of reproduction which opposed scientific approaches.

Sex between Body and Mind Katie Sutton, 2019-11-25. Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century. As scholars such as Magnus Hirschfeld, Iwan Bloch, Albert Moll and Karen Horney in Berlin and Sigmund Freud, Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields, the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines: sexology and psychoanalysis. This is the first book to closely examine vital encounters among this era's German speaking researchers across their emerging professional and disciplinary boundaries. Although psychoanalysis was often considered part of a broader sexual science, sexologists increasingly distanced themselves from its mysterious concepts and clinical methods. Instead, they turned to more pragmatic interventionist therapies, in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance. As sexology and psychoanalysis diverged, heated debates arose around concerns such as the sexual life of the child, the origins and treatment of homosexuality and transgender phenomena, and female frigidity. This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were always part of a dialogic and competitive process. It fundamentally revises our understanding of the production of modern sexual subjects.

The Totalitarian Experiment in Twentieth Century Europe David Roberts, 2006-04-27. By developing a long term supranational perspective, this ambitious multi-faceted work provides a new understanding of totalitarianism, the troubling common element linking Soviet communism, Italian fascism and German Nazism. The book's original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes. Through this fresh appreciation of their initial frame of mind, Roberts demonstrates how the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization, myth making and failure. Providing deep historical analysis, the book proves that totalitarianism best characterizes the common features in the originating aspirations, the mode of action and even the outcomes of Soviet communism, Italian fascism and German Nazism. By enhancing our knowledge of what totalitarianism was and where it came from, Roberts affords important lessons about the ongoing challenges, possibilities and dangers of the modern political experiment.

Catholicism and American Freedom: A History John T. McGreevy, 2004-09-17. A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance. *New York Times Book Review*. Catholicism and American Freedom is a groundbreaking historical account of the tensions and occasional alliances between Catholic and

American understandings of a healthy society and the individual person including dramatic conflicts over issues such as slavery public education economic reform the movies contraception and abortion Putting scandals in the Church and the media's response in a much larger context this stimulating history is a model of nuanced scholarship and provocative reading

Medicine and Modernity Manfred Berg, Geoffrey Cocks, 2002-08-22 This collection of essays addresses in a comprehensive and critical fashion fundamental issues in the history of medicine in modern Germany The essays also investigate important continuities and discontinuities in German history and between Germany and the West The central focus is on the professionalisation of modern medicine and the medicalisation of modern society The problem of Nazi Germany is addressed in many of the essays partly because of its influence on the debate over the nature of modern German government and society in relation to Western social political and economic development Other topics include the place of hospitals in the early nineteenth century various forms of Social Darwinism the politics of state run health insurance the influence of eugenics social control and shell shock in World War I sterilization and euthanasia Nazi experimentation the abortion debate and the role of former Nazis in the postwar medical leadership Gender in Germany and Beyond Jennifer V. Evans, Shelley E. Rose, 2023-05-12 Jean Quataert redefined the boundaries of at least five historical fields including European socialism women's history and gender history and international law and human rights In this volume dedicated to her pioneering work established and emerging scholars showcase the signature ways in which Quataert as one of the discipline's first women's historians has influenced how subsequent generations think about history writing as a form of intellectual activism *Gender in Germany and Beyond* presents cutting edge historiographical commentary alongside new work which address subjects such as the history of German colonialism and women's colonial leagues human rights advocacy during the Cold War and the complexities of turn of the century gay and lesbian rights organizing **Sexuality, Family**

Planning, and Reproduction Fritz Dross, Birgit Nemec, Igor Kąkolewski, 2025-08-12 The history of sexuality family planning and reproduction in Central and Eastern Europe sounds out the historical dimensions across a broad field where human biology medicine policy and government social programmes intersect with fundamental conceptions of desired or feared social developments From contraception to representations of motherhood and controversies over reproductive rights using the example of the historically changing political social cultural and scientific interconnections in Central and Eastern Europe the contributors to this volume invite reflections on historical developments that open new perspectives for the 21st century

Representing Social Precarity in German Literature and Film Sophie Duvernoy, Karsten Olson, Ulrich Plass, 2023-10-05 Using Germany as a national case study this volume examines the historical genesis of precarity its evolution from 19th century industrial modernity to the present and its reflections and reconfigurations in artistic production in particular with relation to work gender and sexuality Precarity is everywhere now sociologist Pierre Bourdieu declared almost thirty years ago Not only declining middle class standards of living but also debt drug addiction housing and food insecurity depression

and deaths of despair are now being recognized as symptoms of the downward pull of social precarity. Although these and similar ills have been attributed to neoliberal policies of deregulation, privatization, and willful neglect of the common good, precarization has accompanied the booms and busts of industrial modernity from its beginnings. *Representing Social Precarity in German Literature and Film* explores how German and Austrian literature, film, and social history have engaged with social precarity from the period of Romanticism and early industrialization to the present. The chapters in this volume deal with precarity as both an objective phenomenon reflected in literary and filmic representations and as a subjective phenomenon that gives these representations their particular shape. *Representing Social Precarity in German Literature and Film* opens new critical perspectives on diverse forms of lived precarity and their creative manifestations by reflecting on the history of capitalist modernity from the vantage points of weakness, vulnerability, marginality, impoverishment, and otherness.

Reproductive States Rickie Solinger, Mie Nakachi, 2016. This is a collection of case studies that explore when and how half of the twenty most populous countries in the world invented and implemented population policies. It presents analyses of reproductive politics in Brazil, China, Egypt, Germany, India, Iran, Japan, Nigeria, the USSR, Russia, and the United States. The essays focus on the official, organized efforts that states pursued to facilitate state decisions about how many people and which people would be born within their borders.

Screening War Paul Cooke, Marc Silberman, 2010. Re-examines German cinema's representation of the Germans as victims during the Second World War and its aftermath. The recent discovery of German wartime suffering has had a particularly profound impact in German visual culture. Films from Margarethe von Trotta's *Rosenstrasse* (2003) to Oliver Hirschbiegel's Oscar-nominated *Downfall* (2004) and the two-part television mini-series *Dresden* (2006) have shown how ordinary Germans suffered during and after the war. Such films have been presented by critics as treating a topic that had been taboo for German filmmakers. However, the representation of wartime suffering has a long tradition on the German screen. For decades, filmmakers have recontextualized images of Germans as victims to engage shifting social and ideological discourses. By focusing on this process, the present volume explores how the changing representation of Germans as victims has shaped the ways in which both of the postwar German states and the now unified nation have attempted to face the trauma of the past and to construct a contemporary place for themselves in the world.

Contributors: Sen Allan, Tim Bergfelder, Daniela Berghahn, Erica Carter, David Clarke, John E. Davidson, Sabine Hake, Jennifer Kapczynski, Manuel Kopp, Rachel Palfreyman, Brad Prager, Johannes von Moltke. Paul Cooke is Professor of German Cultural Studies at the University of Leeds, and Marc Silberman is Professor of German at the University of Wisconsin.

Secrets of the Soul Eli Zaretsky, 2005-08-09. The fledgling science of psychoanalysis permanently altered the nineteenth-century worldview with its remarkable new insights into human behavior and motivation. It quickly became a benchmark for modernity in the twentieth century, though its durability in the twenty-first may now be in doubt. More than a hundred years after the publication of Freud's *The Interpretation of Dreams*, we're no longer in thrall, says cultural historian Eli Zaretsky, to

the romance of psychotherapy and the authority of the analyst Only now do we have enough perspective to assess the successes and shortcomings of psychoanalysis from its late Victorian Era beginnings to today's age of psychopharmacology In *Secrets of the Soul* Zaretsky charts the divergent schools in the psychoanalytic community and how they evolved sometimes under pressure from sexism to feminism from homophobia to acceptance of diversity from social control to personal emancipation From Freud to Zoloft Zaretsky tells the story of what may be the most intimate science of all The Emotional Politics of the Alternative Left Joachim C. Häberlen, 2018-09-20 Presents a fascinating account of the emotional politics and practices in the West German alternative left **Strength Through Joy** Shelley Baranowski, 2007-05-28 This is the first book on the giant Nazi leisure and tourism agency Strength through Joy KdF KdF's low cost cultural events factory beautification programs organized sports and especially mass tourism became the primary means by which the Nazi regime mitigated the tension between the investment in rearmament and German consumers' desire for a higher standard of living Strength through Joy mitigated the sacrifices of the present while its programs present visions of a prosperous future once living space was acquired As an agency open to racially acceptable Germans only it segregated the regime's victims from the Nazi racial community **American Book Publishing Record**, 1995 **Women Doctors Refashion a Men's Profession** Paulette Ann Meyer, 1997 *Karrieren im Nationalsozialismus* Gerhard Hirschfeld, Tobias Jersak, 2004

Decoding **Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195**: Revealing the Captivating Potential of Verbal Expression

Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 has opened up a world of possibilities. Downloading Reforming Sex The German Movement For Birth

Control And Abortion Reform 1920 195 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

1. Where can I buy Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Reforming Sex The German Movement For Birth Control And Abortion Reform 1920 195 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
