**Reforming China** Qixian Yang, 2010-09-01 Enrich Series on China's Economic Reform provides a comprehensive analysis of China's 30 year process of economic reform Based on an analysis of the interplay between theory and implementation this volume Reforming China Theoretical Framework outline

*Administrative Reform in Post-Mao China* Stephen K. Ma, 1996 This book analyzes China's bureaucratic behavior since the inauguration of administrative reform in the late 1970s Although bureaucratic behavior in China in the past decade was increasingly corrupted this aspect of China's post Mao reform has not been subjected to a rigorous scrutiny This book explores the gulf between desired and the actual bureaucratic behavior among China's public administrators The author argues that this behavioral gap in China's modernization stems from several factors including the nation's cultural heritage the ruling party's approach to government and the absence of trusted full fledged academic groups assigned to advise on administrative reform The book then probes one of the gravest consequences of the behavioral gap reform corruption a phenomenon which seems to be a mixed blessing of modernization

*Law Reform in Developing and Transitional States* Timothy Lindsey, 2007 Law reform in developing countries has become an increasingly topical subject in recent years A critical issue is why so many law reform projects in developing economies are regarded by their sponsors and recipients as unsuccessful This informative book examines examples of law reform projects in post socialist and post authoritarian states in Asia identifies common problems proposes analytical frameworks for understanding the problems identified Though parallels between Asian models and those in developing states elsewhere in the world are strong the book has been developed to avoid suggestion that the issues covered are somehow peculiarly Asian indeed it is shown that cultural relativist approaches to Asia are unsustainable This is an invaluable reference for those involved in the areas of development economics Asian studies and comparative politics

*Reforming China* Dongtao Zhou, 2010-09-01 Enrich Series on China's Economic Reform illustrates China's Reform Experiences from an executive perspective This book reviews the background to and achievements of China's economic reforms It analyzes the reforms processes from the perspective of priv

**From Reform to Revolution** Minxin PEI, Minxin Pei, 2009-06-30 This is the first comprehensive effort to compare the recent political experiences of the Union of Soviet Socialist Republics and the People's Republic of China by tracing their overlapping and diverging paths of regime change

Foreign Direct Investment in Transitional Economies Michael Du Pont, 2000-08-17 Foreign Direct Investment in Transitional Economies presents a detailed investigation into the recent changes in the patterns and determinants in inflows of FDI to transitional economies. The author re-evaluates conventional theories of FDI and analyses the many changes taking place in the nature of international business both in terms of the drives of the trans-border transactions and the strategic orientation of the firms that engage in those transactions. This comparative investigation is based on original research detailing the experiences of FDI in the economies of China and Poland through case studies of over 200 multinationals and takes into account the dynamic forces of globalization and their effects on FDI.

*Dynamics of Local Governance in China During the Reform Era* Tse-Kang Leng, Yun-han Chu, 2009-12-23 Since the Chinese economic reform was realized in the early 1990s a significant revolution has been launched socially, economically and politically in China. At present, China is an indispensable actor in the international arena so that the transitions domestically bring about substantial influence on the whole world. *Dynamics of Local Governance in China during the Reform* takes close look at China's current transformation and its broader implications. Through their thought-provoking essays, the contributors to this volume dissect China's transformation by examining various topics in the field of contemporary China studies, such as rural industrialization, development of civic society, socio-economic transformation and local self-governance.

**Reforming China** Sen Peng, 2010-09-01 This book offers an in-depth study of the historical background to China's economic reforms and analyzes the reforms process with reference to the experiences of different countries. It studies the resultant changes in belief and ideology as well as the culture.

**Dictionary of the Politics of the People's Republic of China** Colin Mackerras, Donald H. McMillen, Andrew Watson, 2003-12-16 As China's political and economic development comes under closer scrutiny, this Dictionary will prove invaluable to anyone with an interest in contemporary China. As well as proving valuable to students and academics of political science, economics, history and Asian studies, it will be of use to government officials, business people and media professionals with current or future connections in the region. The main topics covered by the Dictionary are major political processes and events, key issues in domestic policy, China's evolving foreign policy, environment, key political personalities, major political institutions and groupings, important aspects of the legal system.

China's Enterprise Reform You Ji, 2013-04-15 China's basic work units, collectively known as the danwei system, have undergone significant reform, particularly since 1984. The author examines how this system operates and how reform is generating change in the party at grassroots level. The author demonstrates how China's post-Mao reforms have produced a quiet revolution from below as the process of political and economic liberalization has accelerated. This book presents new research findings that will be invaluable to those wishing to understand the nature of change in China.

**China's Development Challenges** Richard Schiere, 2009-12-21 This book argues that a major potential source of social tension in transition and developing countries is not poverty as such but vulnerability to poverty, the risk of becoming poor. It demonstrates how in China many

recent public sector reforms have made many households extremely vulnerable to poverty      China in the Global Economy

Reforming China's Enterprises OECD,2000-09-05 This volume describes the main reforms that are being undertaken in China's enterprises the progress that is being made the problems that are being encountered and the challenges that remain to be overcome      **China's Provinces in Reform** David Goodman,2002-11 Explores the impact of social and political change on China's provinces during the reform era Offering an in depth comparative analysis of a number of major provinces it challenges generalizations over the nature of change in China      *China's Economic Reform* Robert Ash,Christopher Howe,Y Y Kueh,Y. Y. Kueh,2013-10-18 This book presents a collection and analysis of original policy documents newly translated into English from a key period of Chinese development providing both a current and a retrospective analysis of China's economic reform efforts Topics dealt with include the evolution of Chinese economic strategy economic planning and the spread of market mechanisms technology transfer in industry evolution of an agricultural system the development of population policy and foreign economic relations The collection will be of great interest not only to scholars and students of Chinese studies but also to professionals and social scientists concerned with China but unable to read source documents in Chinese
