Children, Theology, and Bioethics Jessica Bratt Carle, 2024-12-15 Children remain at the periphery when bioethics envisions autonomous adults as normative human beings Children Theology and Bioethics Beyond Autonomy explores the full humanity of children inviting greater recognition of their place in the moral landscape of healthcare Theological insights into vulnerability dependence and agency summon appreciation for the experiences of pediatric patients and reveal what it means to be human at every age Interdisciplinary dialogue between bioethics childhood studies and pastoral theology is woven throughout with illustrative clinical vignettes from Bratt Carle's experience as a pediatric chaplain and clinical ethicist

Children and Childhood in American Religions Don S. Browning, Bonnie J. Miller-McLemore, 2009-02-16 Whether First Communion or bar mitzvah religious traditions play a central role in the lives of many American children In this collection of essays leading scholars reveal for the first time how various religions interpret reconstruct and mediate their traditions to help guide children and their parents in navigating the opportunities and challenges of American life The book examines ten religions among other topics How the Catholic Church confronts the tension between its teachings about children and actual practice The Oglala Lakota's struggle to preserve their spiritual tradition The impact of modernity on Hinduism Only by discussing the unique challenges faced by all religions and their followers can we take the first step toward a greater understanding for all of us

Children, Adults, and Shared Responsibilities Marcia J. Bunge, 2012-09-27 This collection of essays by Jewish Christian and Muslim scholars underscores the significance of sustained and serious ethical inter religious and interdisciplinary reflection on children Essays in the first half of the volume discuss fundamental beliefs and practices within the religious traditions of Judaism Christianity and Islam regarding children adult obligations to them and a child's own obligations to others The second half of the volume focuses on selected contemporary challenges regarding children and faithful responses to them Marcia J Bunge brings together scholars from various disciplines and diverse strands within these three religious traditions representing several views on essential questions about the nature and status of children and adult child relationships and responsibilities The volume not only contributes to intellectual inquiry regarding children in the specific areas of ethics religious studies children's rights and childhood studies but also provides resources for child advocates religious leaders educators and those engaged in inter religious dialogue

"Streetism" Isaac Ishmael Arthur, 2013-09-10 This book is a study that investigates the phenomenon of streetism the manner of life of homeless or unmonitored youth on the streets of Accra Ghana and other urban centers in a country where barrenness and childlessness are socially undesirable The study utilizes a qualitative ethnographic and critical theory based approach to present a socio culturally nuanced addition to the literature on street children The work engages in theological reflection on the basis of the experiences of poverty and marginalization of the youth on the streets and for their

liberation This thesis also utilizes an intercultural methodology to examine the causes of streetism and liberation praxis for its eradication The findings of the study include how poverty dropping out of school breakdown of the extended family systems parental death urbanization adventure and earning of personal income influence the migration of youth to the streets The study also examines the effects of rape and the resilient and hopeful attitudes of the homeless youth The study proposes pastoral responses on three ecological levels At the macro level advocacy is proposed for addressing the problems embedded in social structures and government policies and ideologies At the meso level congregational and community response is offered to deal with issues emanating from local communities and institutions Dealing with the psychosocial effects at the micro level the study offers pastoral counseling for street youth and parents and individual group and narrative counseling approaches for individuals and groups within the community

The Child in American Evangelicalism and the Problem of Affluence David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity's underside The result is the AAEC's spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro's theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century

Quivering Families Emily Hunter McGowin, 2018-05-01 American evangelicals are known for focusing on the family but the Quiverfull movement intensifies that focus in a significant way Often called Quiverfull due to an emphasis on filling their quivers with as many children as possible Psalm 127 5 such families are distinguishable by their practices of male only leadership homeschooling and prolific childbirth Their primary aim is multigenerational faithfulness ensuring their descendants maintain Christian faith for many generations Many believe this focus will lead to the Christianization of America in the centuries to come Quivering Families is a first of its kind project that employs history ethnography and theology to explore the Quiverfull movement in America The book considers a study of the movement s origins its major leaders and institutions and the daily lives of its families Quivering Families argues that despite the apparent strangeness of their practice Quiverfull is a thoroughly evangelical and American phenomenon Far from offering a countercultural vision of the family Quiverfull represents an intensification of longstanding tendencies The movement reveals the weakness of evangelical theology of the family and underlines the need for more critical and creative approaches

Family Diversity Olaf Kapella, Christiane Rille-Pfeiffer, Marina Rupp, Norbert F. Schneider, 2010-03-17 Family in all its aspects Familienbande International experts provide an overview of the current state of the art of European family research and outline the multiple formations structures and configurations of family in Europe Four aspects are discussed in depth family images sex gender roles globalisation and family development processes Influenced by globalisation European countries experience processes which still have greatly varying consequences Cultural differences reflected in a range of family schemes and national family policies are one reason for the continued existence of differences in the scope and speed of change processes Quite generally

images and concepts of family have become more heterogeneous and flexible The flip side of this coin is that family members are increasingly faced with the challenges of achieving a satisfactory work life balance a task aggravated by globalisation We therefore need to ask how family policy can help families enjoy adequate freedom of action and latitude for their decision making To summarise a read well worth the effort for all experts working in family research and family policy

Translating Nephesh in the Psalms into Chinese Hui Er Yu, 2018-08-31 This interdisciplinary study tackles the controversy of translating nephesh by using an intergenerational translation team to deepen our understanding of this term and providing a more valuable translation in Chinese especially for use in specialist Children s Bibles Traditionally nephesh is often translated in the Bible as soul but despite the limitations of this popular rendering it has led Christians in Chinese contexts to falsely understand views regarding the nature of human beings as a trichotomy Dr Hui Er Yu s study offers different options for translating nephesh using the context of where the word appears in Scripture as well as in reference to linguistic and cultural meanings in Chinese contexts The findings in this book will help to remove anthropological misunderstandings among many Chinese Christians related to nephesh as a result of historic translation decisions Dr Yu takes a unique approach to translation by using an intergenerational Bible translation team ranging from seven to fifty one years of age which not only demonstrates the importance of intergenerational ministry but also presents a way to fulfill the growing need for well translated Children s Bibles in China for thousands of young believers This book provides important lessons for the many translation projects working towards Children s Bibles but also for how translation of biblical terms can be better reached through this intergenerational process
