Congress. Senate. Committee on Military Affairs, 1945      Perspectives on Kuhn Leandro Giri, Pablo Melogno, Hernán Miguel, 2023-01-16 This book presents essays and commentaries that continue on Thomas Kuhn's work from where he left off at the time of his death Contrary to other books this volume picks up the gauntlet to develop from a contemporary perspective some points that can be improved in the light of recent findings and conceptualizations in metatheory Thus this work pays a visit to the classical Kuhnian landscapes but rather proposing interpretations it takes them as the starting point to go further One hundred years after Kuhn's birth the editors and authors rekindle the passion and interest that have always surrounded the work of the great Boston philosopher and historian      Industrial Canada, 1923

**Just Peace After Conflict** Carsten Stahn, Jens Iverson, 2020-09-05 The interplay between peace and justice plays an important role in any contemporary conflict Peace can be described in a variety of ways as being negative or positive liberal or

democratic But what is it that makes a peace just This book draws together leading scholars to study this concept of a just peace analysing different elements of the transition from conflict to peace The volume covers six core themes conceptual approaches towards just peace macro principles the nexus to security and stability protection of persons and public goods rule of law and economic reform and accountability Contributions engage with understudied issues such as the pros and cons of robust UN mandates the link between environmental protection and indigenous peoples the treatment of illegal settlements the feasibility of vetting practices and the protection of labour rights in post conflict economies Overall the book puts forward a case that just peace requires not only negotiation agreement and compromise but contextual understandings of law multiple dimensions of justice and strategies of prevention This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is offered as a free PDF download from OUP and selected open access locations

**The International Handbook of Political Ecology** Raymond L Bryant, 2015-08-28 The International Handbook of Political Ecology features chapters by leading scholars from around the world in a unique collection exploring the multi disciplinary field of political ecology This landmark volume canvasses key developments topics iss **Annals of the American Academy of Political and Social Science**, 1922 A classified catalogue of ... educational works in use in Great Britain [by W. Low], Walter Low, 1871 The Outlook for Naval Stores D. B. King, 1962 **Postcolonial Literatures in English** Anke Bartels, Lars Eckstein, Nicole Waller, Dirk Wiemann, 2019-04-27 The term postcolonial literatures in English designates English language literatures from Africa Asia the Americas and Oceania as well as the literatures of diasporic communities who have moved from those regions to the global north This volume introduces the central themes of postcolonial literary studies and delineates how these themes are reflected and elaborated in exemplary literary works by postcolonial authors from around the world It also offers succinct definitions of key terms like Orientalism hybridity Indigeneity or writing back Turbulent Era, the Year of Europe in Retrospect, Florence, 1974 Benjamin S. Rosenthal, Donald MacKay Fraser, 1974 *The Palgrave Handbook of Development Economics* Machiko Nissanke, José Antonio Ocampo, 2019-08-12 This Handbook responds to the needs and aspirations of current and future generations of development economists by providing critical reference material alongside or in relation to mainstream propositions Despite the potential of globalisation in accelerating growth and development in low and middle income countries through the spread of technology knowledge and information its current practice in many parts of the world has led to processes that are socially economically and politically and ecologically unsustainable It is critical for development economists to engage with the pivotal question of how to change the nature and course of globalisation to make it work for inclusive and sustainable development Applying a critical and pluralistic approach the chapters in this Handbook examine economics of development paths under globalisation focusing on sustainable development in social environmental institutional and political economy dimensions It aims at advancing the frontier of development economics in these key aspects and generating more refined

policy perspectives It is critically reflective in examining effects of globalisation on development paths to date and in terms of methodological and analytical approaches as well as forward thinking in policy perspectives with a view to laying a foundation for sustainable development

Transnationalism and Translation in Modern Chinese, English, French and Japanese Literatures Ryan Johnson, 2020-12-15 The theory of literary worlds has become increasingly important in comparative and world literatures But how are the often contradictory elements of Eastern and Western literatures to cohere in the new worlds such contact creates Drawing on the latest work in philosophical logic and analytic Asian philosophy this monograph proposes a new model of literary worlds that is best suited to comparative literature dealing with Western and East Asian traditions Unlike much discussion of world literature anchored in North American traditions featured here is the transnational work of artists philosophers and poets writing in English French Japanese and Mandarin in the twentieth century Rather than imposing sharp borders this book suggests that vague boundaries link Eastern and Western literary works and traditions and that degrees of distance can better help us to see the multiple dimensions that both distinguish and join together literary worlds East and West As such it enables us to grasp not only how East Asian and Western writers translate one another's works into their own languages and traditions but also how modern writers East and West modify their own traditions in order to make them fit in the new constellation of literary worlds brought about by the complex flow of literary information across twentieth century Eurasia
