Ritual Murder:

Jewish Ritual Murder Ñ A Historical Investigation JRBooksOnline, Hellmut Schramm, 2017 *The Myth of Ritual Murder* R. Po-chia Hsia, 1988-01-01 From the mid fifteenth century to the early seventeenth German Jews were persecuted and tried for the alleged ritual murders of Christian children whose blood purportedly played a crucial part in Jewish magical rites In this engrossing book R Po Chia Hsia traces the rise and decline of ritual murder trials during that period Using sources ranging from Christian and Kabbalistic treatises to judicial records and popular pamphlets Hsia examines the religious sources of the idea of child sacrifice and blood symbolism and reconstructs the political context of ritual murder trials against the Jews This volume combines clarity of thinking elegance of style and exemplary scholarly attention to detail with intellectual sobriety and human compassion Jerome Friedman Sixteenth Century Journal Hsia has succeeded in turning established knowledge to illuminatingly new purposes G R Elton New York Review of Books This meticulously researched and unusually perceptive book is social and intellectual history at its best Library Journal A fresh perspective on an old problem by a major new talent Steven Ozment Harvard University R Po chia Hsia professor of history at the University of Massachusetts Amherst is also the author of *Society and Religion in Münster 1535-1618* Ritual Murder in Russia, Eastern Europe, and Beyond Eugene M. Avrutin, Jonathan Dekel-Chen, Robert Weinberg, 2017-07-12 A collection of essays exploring the history of an antisemitic accusation that haunted Jewish people in Europe and Russia and how it spread This innovative reassessment of ritual murder accusations brings together scholars working in history folklore ethnography and literature Favoring dynamic explanations of the mechanisms evolution popular appeal and responses to the blood libel the essays rigorously engage with the larger social and cultural worlds that made these phenomena possible In doing so the book helps to explain why blood libel accusations continued to spread in Europe even after modernization seemingly made them obsolete Drawing on untapped and unconventional historical sources the collection explores a range of intriguing topics popular belief and scientific knowledge the connections between antisemitism prejudice and violence the rule of law versus the power of rumors the politics of memory and humanitarian intervention on a global scale This important contribution to our understanding of the evolution of ritual murder charges in Eastern Europe brings together a number of innovative studies on the topic several of which could become standard reading on the subject Glenn Dynner Sarah Lawrence College While the topic was not exactly novel to me I enjoyed reading this book and I was constantly learning from the significant new information and fresh insights from the authors analyses Shaul Stampfer Hebrew University A Memorandum on Ritual Murders V.I. Dal, JRBooksOnline, 2016 Mortal Remains Henry Scammell, 1991 **The Murder of Andrei Yushchinsky** G.G. Zamyslovsky, JRBooksOnline, 2016 **Martyrdom, Murder, and Magic** Patricia Healy Wasyliw, 2008 Martyrdom Murder and Magic Child Saints and Their Cults in Medieval Europe is a comprehensive history of child saints and their cults from late Antiquity to the end of the fifteenth century The child martyrs of the persecutions including the Holy Innocents

were the first child saints recognized by the Church and their cults spread throughout Europe in the early Middle Ages. Alongside these cults, medieval society also venerated child martyrs, victims of political or domestic violence. The increasing role of the papacy in the canonization process after the tenth century resulted in the veneration of saintly child confessors in the high Middle Ages, but from the end of the twelfth century, most children worshipped as saints were the alleged victims of ritual murder by Jews. This book considers the formation and transformation of child saints and their cults in the context of popular belief and the history of childhood.

Key Concepts in the Study of Antisemitism Sol Goldberg, Scott Ury, Kalman Weiser, 2020-12-02. This volume is designed to assist university faculty and students studying and teaching about antisemitism, racism, and other forms of prejudice. In contrast with similar volumes, it is organized around specific concepts instead of chronology or geography. It promotes conversation about antisemitism across disciplinary, geographic, and thematic lines rather than privileging a single methodological paradigm, a specific academic field, or an overarching narrative. Its twenty-one chapters, by leading scholars in diverse fields, address the relationship to antisemitism of concepts ranging from Anti-Judaism to Zionism. Each chapter not only traces the history and major scholarly debates around a key concept, it also presents an original argument, points to avenues for further research, and exemplifies a method of investigation.

Witchcraft Marion Gibson, 2024-01-16. National Bestseller. A New Yorker Best Book of 2024. A thought-provoking and timely work. The Times London: global history of witch trials across Europe, Africa, and the Americas, told through thirteen distinct trials that illuminate a pattern of demonization and conspiratorial thinking that has profoundly shaped human history. This inventive and compelling work of social history travels through thirteen witch trials across history, some famous like the Salem witch trials and some lesser known, on Vardø island, Norway, in the 1620s where an indigenous Sami woman was accused of murder; in France in 1731 during the country's last witch trial where a young woman was pitted against her confessor and cult leader; in Lesotho in 1948 where British colonial authorities executed local leaders. Exploring how witchcraft was feared, then decriminalized, and then reimagined as gendered persecution, *Witchcraft* takes on the intersections between gender and power, indigenous spirituality and colonial rule, political conspiracy and individual resistance. Offering a striking dramatic journey unspooling over centuries and across continents, *Witchcraft* is a well-rounded insight into some of the strangest and cruelest moments in history. Buzz Magazine: giving voice to those who have been silenced by history.

Violence Impacting Children and Youth Icarbord Tshabangu, Aluko Opeyemi Idowu, 2025-09-02. While much of the Global North has experienced relative peace after World War 2, the same cannot be said about the Global South, where there have been numerous political and military conflicts. Out of these forms of violence, other subsequent forms of deprivation and state repression have resulted, causing further spinoffs and inducing more forms of violence impacting children and youth in homes, schools, street life, and in war zones as refugees and child soldiers. This book provides informative perspectives on violence impacting children and youth, examining trends, dynamics, and experiences of violence in

the Global South's varied settings. It enables policymakers to develop useful strategies to protect children and youth since the future of every society lies in the quality of life given to its children and youth. The book will be of great value to educators, social workers, scholars, and researchers in violence-related areas of practice. **T.G. Masaryk (1850-1937)** Robert B.

Pynsent, 1989-11-13. Between the wars a personality cult grew around Masaryk. These three volumes constitute the first balanced critical assessment of the actual achievement of the university professor who became the first president of Czechoslovakia. In this, the first volume, scholars from Europe and North America offer new insights into the career and ideas of Masaryk during the three decades preceding the outbreak of World War I. They appraise his role as critic of injustice and outworn tradition, providing a most significant interpretation of his place in modern history. **Poland: Annexed**

Territories August 1941-1945 Ingo Loose, 2024-12-02. Executive editor Ingo Loose. English language edition prepared by Elizabeth Harvey, Russell Alt Haaker, Johannes Gamm, Georg Felix Harsch, Dorothy Mas, and Caroline Pearce. This source edition on the persecution and murder of the European Jews by Nazi Germany presents in a total of 16 volumes a thematically comprehensive selection of documents on the Holocaust. The work illustrates the contemporary contexts, the dynamics, and the intermediate stages of the political and social processes that led to this unprecedented mass crime. It can be used by teachers, researchers, students, and all other interested parties. The edition comprises authentic testimony by persecutors, victims, and onlookers. These testimonies are furnished with academic annotations, and the vast majority of them are published here for the first time in English. Learn more about the PMJ on <https://pmjdocuments.org>. **Violence, Peace and Everyday Modes of Justice and Healing in Post-Colonial Africa** Ngonidzashe Marongwe, Fideli Thomas, 2019-02-06. Violence in its various proportions, genres, and manifestations has had an enduring historical legacy the world over. However, works speaking to approaches aimed at mitigating violence characteristic of Africa are very limited. As some scholars have noted, Africans have experienced cycles of violence since the pre-colonial epoch such that overt violence has become banalised on the African continent. This has had the effect of generating complex results, legacies, and perennial emotional wounds that call for healing, reconciliation, justice, and positive peace. Yet, in the absence of systematic and critical approaches to the study of violence on the continent, discourses on violence would hardly challenge the global matrices of violence that threaten peace and development in Africa. This volume is a contribution in the direction of such urgently needed systematic and critical approaches. It interrogates from different angles and with inspiration from a multidisciplinary perspective the contentious production and resilience of violence in Africa. It calls for a paradigm shift, an alternative approach that forges and merges African customary dispute resolution and Western systems of dispute resolution towards a framework of positive peace, holistic restoration, sustainable development, and equity. The book is a welcome contribution to students and practitioners in security studies, African studies, development studies, global studies, policy studies, and political science.

Social History of the True Orthodox Christians Wandering in Russia Igor Kuziner, 2025-11-05. This book explores

the social history of the radical religious community of Old Believer Wanderers during the period of rapid Late Imperial Early Soviet and Stalinist modernization The self titled True Orthodox Christians believed the 17th century reforms of the Russian Orthodox Church ushered in the reign of an invisible Antichrist Rejecting the corrupted world they advocated extreme asceticism renouncing property marriage and all contact with the state Yet despite their apocalyptic ideology the Wanderers thrived in Late Imperial and Early Soviet society engaging in capitalism pioneering agricultural cooperatives and even participating in Stalinist repression Focusing on three key figures this book examines how these seemingly isolated millenarians adapted to rapid modernization from imperial capitalism to Soviet revolution and Stalinist terror Their surprising integration challenges assumptions about radical religious groups revealing both the adaptability of fringe communities and the unexpected flexibility of modernizing regimes Through their stories this book offers new insights into the relationship between marginalized beliefs and societal transformation This book offers a nuanced and realistic model of the social outcasts existence that recovers their agency and subjectivity from the layers of discursive projections by elite commentators It is a significant contribution to the history of religion and popular religiosity in the Russian Empire and the early Soviet Union and it presents a new and rare perspective on Russian modernity It will be of interest to researchers in the fields of Russian history Christianity Orthodoxy and the history of religion

The Critics and the Prioress Hannah Johnson, Heather Blurton, 2017-04-19 Of all the Canterbury Tales Geoffrey Chaucer s Prioress s Tale in which a young schoolboy is murdered by Jews for singing a song in praise of the Virgin Mary poses a problem to contemporary readers because of the antisemitism of the story it tells Both the Tale s antisemitism and its Chaucerianism its fitness or aptness as part of the Chaucerian canon are significant topics of reflection for modern readers who worry about the Tale s ethical implications as well as Chaucer s own implications Over the past fifty years scholars have asked Is the antisemitism in the tale that of the Prioress Or of Chaucer the pilgrim Or of Chaucer the author Or indeed whether one ought to discuss antisemitism in the Prioress s Tale at all considering the potential anachronism of expecting medieval texts to conform to contemporary ideologies *The Critics and the Prioress* responds to a critical stalemate between the demands of ethics and the entailments of methodology The book addresses key moments in criticism of the Prioress s Tale particularly those that stage an encounter between historicism and ethics in order to interrogate these critical impasses while suggesting new modes for future encounters It is an effort to identify engage and reframe some significant and perennially repeated arguments staked out in this criticism such as the roles of gender aesthetics source studies and the appropriate relationship between ethics and historicism *The Critics and the Prioress* will be an essential resource for Chaucer scholars researching as well as teaching the Prioress s Tale Scholars and students of Middle English literature and medieval culture more generally will also be interested in this book s rigorous analysis of contemporary scholarly approaches to expressions of antisemitism in Chaucer s England

Promoting the Socio-Economic Wellbeing of Marginalized Individuals Through Adult Education Tawiah,

Sampson,Setlhodi, Itumeleng Innocentia,2023-07-17 The socioeconomic exclusion of marginalized individuals including youths and adults persists in society leading to inequality poverty and lack of fulfillment in life The digital divide continues to widen the gap between those who have access to education and those who do not particularly in the adult education space Promoting the Socio Economic Wellbeing of Marginalized Individuals Through Adult Education is a research book which offers a comprehensive solution to the problem of the widening divide This book provides a collection of original research and best practices in adult education that focus on integrating ICT into teaching and learning This approach is particularly relevant in the current era of the digital divide where access to education is crucial for socioeconomic development Moreover the book emphasizes the importance of decolonization and social justice in the era of digital migration a crucial step toward creating a fair and just society Edited by Dr Sampson Tawiah a leading scholar in the field of adult education this book offers theoretical and scientific research reports that benefit postgraduate students scholars policymakers and education providers in general The book covers a wide range of topics including sustainable economic change leadership and management within adult education and quality assurance in adult education among others This must read book is ideal for anyone interested in creating a fair and just society and is an essential resource for anyone working in the field of adult education The integration of ICT into adult education practices is a major focus of the book offering a practical approach to bridging the digital divide and improving access to education for marginalized individuals

Imperial Justice Bonny Ibhawoh,2013-09 This is a vital study of the motivations of the British Imperial Appeal Courts and the tensions between the demands of imperial law and justice and those of African law and custom Examining the central role of the Privy Council and the Courts it reveals the impact of the colonized peoples in shaping the processes and outcomes of imperial justice

Sites of European Antisemitism in the Age of Mass Politics, 1880-1918 Robert Nemes,Daniel Unowsky,2014-08-05 This innovative collection of essays on the upsurge of antisemitism across Europe in the decades around 1900 shifts the focus away from intellectuals and well known incidents to less familiar events actors and locations including smaller towns and villages This from below perspective offers a new look at a much studied phenomenon essays link provincial violence and antisemitic politics with regional state and even transnational trends Featuring a diverse array of geographies that include Great Britain France Austria Hungary Romania Italy Greece and the Russian Empire the book demonstrates the complex interplay of many factors economic religious political and personal that led people to attack their Jewish neighbors

From the beginning until the death of Alexander I Simon Dubnow,1916

The Velizh Affair Eugene M. Avrutin,2018 The Velizh case was the longest ritual murder investigation in the modern world Drawing on newly discovered trial records historian Eugene M Avrutin looks beyond antisemitism as the single most important factor in understanding ritual murder accusations and in the process provides an intimate glimpse of small town life in eastern Europe
