

Ritual Of The Mask

Brendan January

Ritual Of The Mask:

Ritual of the Mask Jono Ohlgren, 1997-03-01 Ritual Mask Making Theresa Walton, AI, 2025-03-29 *Ritual Mask Making* explores the captivating world of indigenous masks revealing them not merely as artifacts but as vital components of spiritual rituals cultural preservation and governance These masks passed down through generations serve as conduits to the spirit world enabling connections with deities and ancestors in various indigenous cultures Intriguingly masks also function as instruments of social and political order reflecting authority and resolving conflicts thereby challenging Western centric views on art and power The book traces the historical evolution of mask making traditions examining the impact of colonialism and globalization Through ethnographic studies archaeological findings and visual analysis it presents a holistic view of these dynamic expressions of cultural identity By delving into specific case studies across different cultures the book highlights the materials techniques and symbolism inherent in these masks emphasizing their contemporary relevance in promoting cultural revitalization and addressing ethical considerations surrounding their study and display *Ritual Masks* Henry Pernet, 2006-03-01 Ritual masking is an important institution in many traditional societies and has attracted much attention from Western scholars In *Ritual Masks* Pernet provides a thorough survey of masks and masking traditions in Africa Oceania and the Americas based on a close analysis of the literature in several languages Pernet s approach provides him with an opportunity to examine issues of importance to the history of religion and anthropology These include the influence of theory on the interpretation of prehistoric documents androcentrism in anthropology and the history of religions and Western scholarship s recurrent problems in interpreting preliterate or traditional societies Masks of the Spirit Peter T. Markman, Roberta H. Markman, 1989-01-01 Drawing on secondary works in archaeology art history folklore ethnohistory ethnography and literature the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica Chapters 1 the metaphor of the mask in Pre Columbian Mesoamerica the mask as the God in ritual and as metaphor II metaphoric reflections of the cosmic order and III the metaphor of the mask after the conquest syncretism the Pre Columbian survivals the syncretic compromise and today s masks Over 100 color and black white photos **Masks and Rituals** Dr. Sky , 2013-08-13 The third volume in Dr Sky s inspiring five part SohKiDo series Pathways III and IV Masks and Rituals focuses on two powerful tools for use in therapeutic healing and self discovery SohKiDo a Japanese hybrid word created by Dr Sky essentially means the way of Transpersonal creativity This book explains the third and fourth of its seven pathways Using masks and rituals as therapy can be extremely effective as an alternative to more traditional and clinical methods Using a myriad of discoveries from Dr Sky s own creative and spiritual journey including centuries old Japanese Noh Theater techniques and Finnish lamenting traditions Pathways III and IV Masks and Rituals will inspire you to access the healing power available to us all through SohKiDo and its unique and life changing

insights into spirituality and the self **Soul Unmasked** ,2005 **Masks in Modern Drama** Susan H. Smith,Susan Harris Smith,John Chandler,Susan V. Smith,1984-01-01 **Revealing Masks** W. Anthony Sheppard,2001-02 This book is about the use of exoticism particularly the use of masks and stylized movement in opera and other musical theater genres of the twentieth century The author explores in depth a topic that effects a wide variety of important composers dancers and dramatists but has never been comprehensively studied **Native American Art & Culture** Brendan January,2005-08-04 This series takes an in depth look at both the decorative and functional art and design of a given culture The engaging text explains how the art ties in to the culture what it means why it was created and what it s used for or represents Fine art architecture music and theater cookware clothing and textiles and other topics are all discussed Feature boxes highlight fascinating bits of information on a specific topic such as African embroidery **Creating Communities** Nourit Melcer-Padon,2018-05-15 How does historical reality interrelate with fiction And how much are readers themselves involved in the workings of fictional literature With innovative interpretations of various well known texts Nourit Melcer Padon introduces the use of literary masks and illustrates literature s engagement of its readers ethical judgement She promotes a new perception of literary theory and of connections between thinkers such as Iser Castoriadis Sartre Jung and Neumann The book offers a unique view on the role of the community in post existentialist modern cultural reality by emphasizing the importance of ritual practices in literature as a cultural manifestation **Mask** Sharrona Pearl,2024-05-30 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things From the theater mask and masquerade to the masked criminal and the rise of facial recognition software masks have long performed as an instrument for the protection and concealment of identity Even as they conceal and protect masks as faces are an extension of the self At the same time they are a part of material culture what are masks made of What traces do they leave behind Acknowledging that that mask wearing has become increasingly weaponized and politicized Sharrona Pearl looks at the politics of the mask exploring how identity itself is read on this object By exploring who we do and do not seek to protect through different forms of masking Sharrona Pearl s long history of masks helps us to better understand what it is we value Object Lessons is published in partnership with an essay series in The Atlantic **Bodies, Ontology, and Bioarchaeology** Ann M. Palkovich,2024-05-11 This volume introduces the place of Arroyo Hondo Pueblo in our understanding of Southwestern Archaeology in the Northern Rio Grande The author discusses the reanalysis of the skeletal and mortuary remains that draws on a half century of research since the original excavations were conducted by the School of American Research from 1970 1974 under the direction of Douglas W Schwartz The volume offers a close read of the mortuary evidence at Arroyo Hondo Pueblo and integrates ideas about corn as a central feature of Tewa cosmology with this crop as the paramount dietary staple The author discusses the health consequences of dry farming subsistence and present evidence for malnutrition and other dietary issues and finally describes the impact of malnutrition and other maladies on the everyday lives of Arroyo Hondo s

villagers This volume is for readers interested in bioarchaeology paleopathology and Southwestern Archaeology

The Roots of Theatre Eli Rozik, 2005-04 The topic of the origins of theatre is one of the most controversial in theatre studies with a long history of heated discussions and strongly held positions In *The Roots of Theatre* Eli Rozik enters the debate in a feisty way offering not just another challenge to those who place theatre's origins in ritual and religion but also an alternative theory of roots based on the cultural and psychological conditions that made the advent of theatre possible Rozik grounds his study in a comprehensive review and criticism of each of the leading historical and anthropological theories He believes that the quest for origins is essentially misleading because it does not provide any significant insight for our understanding of theatre Instead he argues that theatre like music or dance is a *sui generis* kind of human creativity a form of thinking and communication whose roots lie in the spontaneous image making faculty of the human psyche Rozik's broad approach to research lies within the boundaries of structuralism and semiotics but he also utilizes additional disciplines such as psychoanalysis neurology sociology play and game theory science of religion mythology poetics philosophy of language and linguistics In seeking the roots of theatre what he ultimately defines is something substantial about the nature of creative thought a rudimentary system of imagistic thinking and communication that lies in the set of biological primitive and infantile phenomena such as daydreaming imaginative play children's drawing imitation mockery caricature parody storytelling and mythmaking

Spirit Possession and Exorcism Patrick McNamara Ph.D., 2011-04-26 This two volume text reviews spirit possession throughout history analyzes case studies from a cognitive neuroscience perspective and examines rites for exorcism From the beginning of civilization to the present day and across all major religions and cultures there have been documented cases of people seemingly overtaken by an unseen entity The invading force whether good or bad appears to replace the possessor's soul with the spirit's own persona resulting in mystifying symptoms such as levitation or other supernatural feats speaking in tongues and even horrific and inexplicably accelerated physical distortion and deterioration This is a two volume chronological history and examination of spirit possession that addresses its phenomenological psychological and neurobiological aspects and its effects on societies Volume one reviews spirit possession from the upper Paleolithic era to modern times while Volume two focuses on case studies and rites of exorcism

Round We Dance Mark A. Green, 2024-04-08 *Sacred Celebrations for the Skeptical Seeker* Invite more joy and meaning into your life with nature based rituals ceremonies and workings that are spiritually powerful but rooted in material reality Rituals transform a moment that might otherwise seem ordinary into a special occasion However it can feel awkward to start these practices particularly for atheists agnostics humanists and other nonbelievers With this book Mark A Green teaches you how to meaningfully ritualize your life without asking you to believe in anything science can't prove With an emphasis on the cycles of nature instead of deity worship Mark shows you how to celebrate wheel of the year holidays rites of passage and personal observances He provides dozens of rituals workings crafts and recipes to bring greater happiness and connection to every

occasion Through Atheopagan principles and practices you can spiritually honor the passage of time important milestones your community and yourself Includes a foreword by Arwen Gwyneth former chair of the Atheopagan Society Council The Handbook of Contemporary Animism Graham Harvey,2014-09-11 The Handbook of Contemporary Animism brings together an international team of scholars to examine the full range of animist worldviews and practices The volume opens with an examination of recent approaches to animism This is followed by evaluations of ethnographic cognitive literary performative and material culture approaches as well as advances in activist and indigenous thinking about animism This handbook will be invaluable to students and scholars of Religion Sociology and Anthropology Encyclopaedia of Religion and Ethics: Suffering-Zwingli James Hastings,John Alexander Selbie,1922 **Encyclopaedia of Religion and Ethics** James Hastings,John Alexander Selbie,Louis Herbert Gray,1928 Ritual, Play, and Belief in Evolution and Early Human Societies Colin Renfrew,Iain Morley,Michael Boyd,2018 This book presents unique new insights into the development of human ritual and society through our heritage of play and performance Walking the Twilight Path Michelle Belanger,2008 Introduces a spiritual path of personal transformation and rebirth This book draws on the wisdom of shamans Tibetan Buddhists and ancient Egyptians Michelle Belanger and illuminates death as a beautiful gateway to change and regeneration Worldcat
