Cooper, 2012-12-07 Part ethnography part history and part memoir this volume chronicles the

complex past and dynamic present of an ancient Mizrahi community While intimately tied to the Central Asian landscape the Jews of Bukhara have also maintained deep connections to the wider Jewish world As the community began to disperse after the fall of the Soviet Union Alanna E Cooper traveled to Uzbekistan to document Jewish life before it disappeared Drawing on ethnographic research there as well as among immigrants to the US and Israel Cooper tells an intimate and personal story about what it means to be Bukharan Jewish Together with her historical research about a series of dramatic encounters between Bukharan Jews and Jews in other parts of the world this lively narrative illuminates the tensions inherent in maintaining Judaism as a single global religion over the course of its long and varied diaspora history *The Jew and Human Sacrifice* Hermann Leberecht Strack, 1909 [Jesus Is One of Us](#) Ron Simkins, 2021-08-13 The relationship between God and Jesus is the means and the model for God's renewal of humanity Jesus is the firstborn of God's future human society but he will not be the last God's purpose is to have a family made up of the completed and glorified humans we were always meant to become What an exciting future God is planning for us Human potential in the hands of God exceeds our wildest imagination Although Jesus's roles and titles are often seen as separating him from the rest of us humans they actually embed him deeply in our humanity Jesus was is and always will be one of us Becoming completed humans like Jesus is a road we are called to travel as we learn to increasingly depend upon God's promise to provide the gifts of forgiveness and empowerment Let's take the journey together with our brother who is the Son of God and the Son of Man Humanity
