

A Prayer for a Serene and Calm Transition

Loving God, as we release our beloved into Your eternal care, we beseech You for a gentle and serene passage.

May their spirit be carried on wings of peace, unburdened by the weight of earthly worries.

As they transition from this life to the next, may Your calming presence envelop them, and may the serenity of heaven embrace their soul.

Amen.

An illuminating overview of the development, benefits, and importance of ritual in everyday life, written by a leading cognitive anthropologist. *The Hidden Powers of Ritual* is an engaging introduction to ritual studies that presents ritual as an evolved form of human behavior of almost unimaginable significance to our species. Every day across the globe, people gather to share meals, brew caffeinated beverages, or honor their ancestors. In this book, Bradd Shore, a respected anthropologist, reaches beyond familiar big R rituals to present life's humbler, overshadowed moments, exploring everything from the Balinese peleton to baseball to family Zoom sessions in the age of Covid to the sobering reenactment rituals surrounding the Moore's Ford lynchings. In each ritual, Shore shows how our capacity to ritualize behavior is a remarkable part of the human story. Encompassing both the commonly unlabeled interaction rituals studied by sociologists and the symbolically elaborated sacred rituals of religious studies, Shore organizes his conception around detailed case studies drawn from international research and personal experience, weaving scholarship with a memoir of a life encompassed by ritual. A probing exploration that matches breadth with accessibility, *The Hidden Powers of Ritual* is a provocative contribution to ritual theory that will appeal to a wide range of readers curious about why these unique, repetitive acts matter in our lives.
