Ritz Other Plays:

The Ritz and Other Plays Terrence McNally, 1976 Terrence McNally's hilarious farce is set in a gay bathhouse in the mid 1970s. When Gaetano Proclo, a hapless middle-aged overweight very married man, takes it on the lam from his mafioso brother-in-law Carmine Vespucci, he ducks into The Ritz, the last place anyone would look for him. What he encounters there sets the scene for an old-fashioned door-slamming farce, albeit with towel-clad men, bumbling detectives, and Googie Gomez, an over-the-top would-be Bette Midler looking for her big break. *His Majesty's Embassy, & Other Plays* Maurice Baring, 1923 *The Ritz* Terrence McNally, 1976 **Broadway** Ken Bloom, 2013-04-15 This volume is another example in the Routledge tradition of producing high-quality reference works on theater, music, and the arts. An A to Z encyclopedia of Broadway, this volume includes tons of information, including producers, writers, composers, lyricists, set designers, theaters, performers, and landmarks in its sweep. *Routledge Guide to Broadway* Ken Bloom, 2013-10-18 The Routledge Guide to Broadway is the second title in our new student reference series. It will introduce the student to the Broadway theater, focusing on key performers, writers, directors, plays, and musicals, along with the theaters themselves, key awards, and the folklore of Broadway. Broadway is the center of American theater, where all the great plays and musicals make their mark. Students across the country in theater history, performance, and direction production look to Broadway for their inspiration. While there are illustrated coffee-table-type books on Broadway, there are few that offer a comprehensive look at the key figures and productions of the last two centuries. The Routledge Guide to Broadway offers this information in an easy-to-use, inexpensive format that will appeal to students, professors, and theatrical professionals. **Terrence McNally** Toby Silverman Zinman, 2014-04-08 This collection of essays and interviews is the first book about the drama of American playwright Terrence McNally. It examines his career to date, 30-plus years, focusing particularly on the two plays for which McNally won Tony Awards for Best Play of 1995, *Love, Valour, Compassion*, and Best Play of 1996, *Master Class*. Toby Zinman, a distinguished scholar and critic, has invited none-respected authorities to write about McNally's work and has included records of the long conversations she had with the playwright about his work, his love of opera, his ideas about acting and education, and life in general. Also included are two interviews she conducted with two of his leading actors: one with the legendary Zoe Caldwell, who played the even more legendary Maria Callas in *Master Class*, a performance that earned her the Tony Award for Best Actress in 1996, a role McNally wrote for her; and another with the great American comic actor Nathan Lane, whom McNally considers his foremost interpreter. The collection moves chronologically, beginning with Howard Stein's essay on the promise of the plays of the first decade, through to Cary Mazer's essay on the diva in *Master Class*, a play about Maria Callas' master classes at Juilliard. That essay is preceded by an essay on those famous master classes by John Ardoin, the world's foremost authority on Maria Callas. In between, there are two essays debating McNally's position as a gay playwright: one by John Clum and one by Steven Drukman, both centering on the firestorm of controversy generated by *Love, Valour*.

Compassion In addition there is an essay on *The Lisbon Traviata* by Sam Abel which discusses the play's much revised conclusion to murder or not to murder and another on McNally's screenplays of *Frankie and Johnny in the Clair de Lune* and *The Ritz* by Helen Buttel a film critic This is followed by Stephen Watt's examination of McNally as a postmodernist using *Lips Together Teeth Apart* as his focus and Benilde Montgomery's essay on Indian myth as it informs McNally's play soon to be a film *A Perfect Ganesh* The volume also includes in its introduction the latest information on McNally's newest projects an extensive bibliography and a chronology of the playwright's career

Acting Gay John M. Clum, 1992 Clum English and theater Duke U examines 20th century American and British plays that revolve around gay men including those by Noel Coward Arthur Miller Tennessee Williams Edward Albee Harold Pinter and Peter Shaffer He considers the representation of bodies and acts the closet dramas between 1930 and 1968 and recent works portraying a culture that has to do with more than sex Annotation Book News Inc Portland Ore

The Theater of Terrence McNally Raymond-Jean Frontain, 2019-10-04 Terrence McNally's canon of plays books for musicals and opera libretti possesses such a breadth of subject matter and diversity of dramatic modes that critics have had difficulty assessing his accomplishment This book is the first critical study to identify the four major stages of McNally's development in terms of his understanding of how theater helps the modern person trapped in a seemingly profane existence to find a gateway to the transcendent Drawing upon such diverse religious thinkers as Martin Buber Mircea Eliade Ilia Delio and Carter Heyward Frontain analyzes the evolution of McNally's understanding of grace not as a gift bestowed by an all powerful deity upon a desperate soul but as the unwarranted and thus all the more unusual act of devotion McNally's phrase that one person performs for another By seeking to foment community most importantly at the height of the AIDS pandemic McNally's theater itself proves to be a channel of grace McNally's greatest success is shown to be the creation of a theater of empathy and compassion in contradistinction to Artaud's theater of cruelty and Albee's Americanization of the theater of the absurd
