Rivalry And The Disruption Of Order In Moliere's Theater

Emilia Wilton-Godberfforde

Rivalry And The Disruption Of Order In Moliere's Theater:

Rivalry and the Disruption of Order in Molière's Theater Michael S. Koppisch, 2004 In critical readings of ten of Molière's most important plays this book argues that a rivalry that endangers order by collapsing differences structures the works and provides a key to their understanding Molière's great comic characters all want desperately something that they cannot have The objects of their desire may vary but the presence of desire itself remains a constant In *L'Ecole des femmes* Amolphe wants above all to avoid cuckoldry The title character in *Dom Juan* covets women The bourgeois Monsieur Jourdain does all in his power to become a gentleman in *Le Bourgeois gentilhomme* and the eponymous character in *George Dandin* views his woes as the price of an ill-fated marriage that he had hoped would elevate him to noble rank *Le malade imaginaire* Argan has a seemingly crazy desire to be sick The list could go on

Mendacity and the Figure of the Liar in Seventeenth-Century French Comedy Emilia Wilton-Godberfforde, 2017-06-14 The first book-length study devoted to this topic *Mendacity and the Figure of the Liar in Seventeenth-Century French Comedy* offers an important contribution to scholarship on the theatre as well as on early modern attitudes in France specifically on the subject of lying and deception Unusually for a scholarly work on seventeenth-century theatre it is particularly alert to plays as performed pieces and not simply printed texts The study also distinguishes itself by offering original readings of Molière alongside innovative analyses of other playwrights The chapters offer fresh insights on well-known plays by Molière and Pierre Corneille but also invite readers to discover lesser-known works of the time by writers such as Benserade Thomas Corneille Dufresny and Rotrou Through comparative and sustained close readings including a linguistic and speech act approach a historical survey of texts with an analysis of different versions and a study of irony the reader is shown the manifest ways in which different playwrights incorporate the comedic tropes of lying and scheming confusion and unmasking Drawing particular attention to the levels of communicative or miscommunicative exchanges on the character to character axis and the character to audience axis this work examines the process whereby characters in the comedies construct narratives designed to trick misdirect dazzle confuse or exploit their interlocutors In the different incarnations of seducer parasite cross-dresser duplicitous narrator messenger and deluded mythomaniac the author underscores the way in which the figure of the liar both entertains and troubles making it a fascinating subject worthy of detailed investigation

Psychosomatic Disorders in Seventeenth-Century French Literature Bernadette Höfer, 2016-04-15 Bernadette Höfer's innovative and ambitious monograph argues that the epistemology of the Cartesian mind-body dualism and its insistence on the primacy of analytic thought over bodily function has surprisingly little purchase in texts by prominent classical writers In this study Höfer explores how Surin Molière Lafayette and Racine represent interconnections of body and mind that influence behaviour both voluntary and involuntary and that thus disprove the classical notion of the mind as distinct from and superior to the body The author's interdisciplinary perspective utilizes early modern medical and philosophical treatises as well as contemporary

medical compilations in the disciplines of psychosomatic medicine neurobiology and psychoanalysis to demonstrate that these seventeenth century French writers established a view of human existence that fully anticipates current thought regarding psychosomatic illness

The Art of Instruction ,2008-01-01 The Art of Instruction Essays on Pedagogy and Literature in 17th Century France aims to add a new dimension to the scholarly discussion on how culture is inculcated by focusing on the interplay between aesthetic forms and pedagogical agendas The nine essays in the collection take into account the full range of meanings associated with the term art science method learning beautiful expression artistic creation In exploring the role art plays in shaping an instructional system the volume s contributors examine literary genres that are both established comedies tragedies sonnets and nascent novels manuals gazettes as well as the works of a diverse group of seventeenth century writers Chassignet Subligny Scarron Lafayette La Bruy re Maintenon de Vis Boursault Moli re and Racine What emerges from this diversity is an invaluable exploration of how educational imperatives no matter their focus rely as much on manipulating artistic forms as they do on articulating didactic principles Broad in its scope while remaining thematically coherent The Art of Instruction will be of interest to students and scholars of early modern French literature history culture and pedagogy

Tartuffe Molière,2009 Widely hailed as the founder of the modern French comedy and known to be a gifted actor playwright and patron of fellow actors Moli re was a towering presence in seventeenth century France and the scourge of its political and religious Establishment

Literature Criticism from 1400 to 1800 ,2006 *American Book Publishing Record* ,2003 *Molière, the French Revolution, and the Theatrical Afterlife* Mechele Leon,2009-10 From 1680 until the French Revolution when legislation abolished restrictions on theatrical enterprise a single theatre held sole proprietorship of Moli re s works After 1791 his plays were performed in new theatres all over Paris by new actors before audiences new to his works Both his plays and his image took on new dimensions In Moli re the French Revolution and the Theatrical Afterlife Mechele Leon convincingly demonstrates how revolutionaries challenged the ties that bound this preeminent seventeenth century comic playwright to the Old Regime and provided him with a place of honor in the nation s new cultural memory Leon begins by analyzing the performance of Moli re s plays during the Revolution showing how his privileged position as royal servant was disrupted by the practical conditions of the revolutionary theatre Next she explores Moli re s relationship to Louis XIV Tartuffe and the social function of his comedy using Rousseau s famous critique of Moli re as well as appropriations of George Dandin in revolutionary iconography to discuss how Moli rean laughter was retooled to serve republican interests After examining the profusion of plays dealing with his life in the latter years of the Revolution she looks at the exhumation of his remains and their reentombment as the tangible manifestation of his passage from Ancien R gime favorite to new national icon The great Moli re is appreciated by theatre artists and audiences worldwide but for the French people it is no exaggeration to say that the Father of French Comedy is part of their national soul By showing how he was represented reborn and reburied in the new France how the

revolutionaries asserted his relevance for their tumultuous time in ways that were audacious irreverent imaginative and extreme Leon clarifies the important role of theatrical figures in preserving and portraying a nation s history *Theatre Histories* Bruce McConachie,Tobin Nellhaus,Carol Fisher Sorgenfrei,Tamara Underiner,2016-02-26 This thoroughly revised and updated third edition of the innovative and widely acclaimed Theatre Histories An Introduction offers a critical overview of global theatre and drama spanning a broad wealth of world cultures and periods Bringing together a group of scholars from a diverse range of backgrounds to add fresh perspectives on the history of global theatre the book illustrates historiographical theories with case studies demonstrating various methods and interpretive approaches Subtly restructured sections place the chapters within new thematic contexts to offer a clear overview of each period while a revised chapter structure offers accessibility for students and instructors Further new features and key updates to this third edition include A dedicated chapter on historiography New up to date case studies Enhanced and reworked historical cultural and political timelines helping students to place each chapter within the historical context of the section Pronunciation guidance both in the text and as an online audio guide to aid the reader in accessing and internalizing unfamiliar terminology A new and updated companion website with further insights activities and resources to enable students to further their knowledge and understanding of the theatre **Molière** Mrs. Oliphant (Margaret),Francis Tarver,1879

Thank you extremely much for downloading **Rivalry And The Disruption Of Order In Moliere's Theater**. Most likely you have knowledge that, people have look numerous times for their favorite books bearing in mind this Rivalry And The Disruption Of Order In Moliere's Theater, but end up in harmful downloads.

Rather than enjoying a fine PDF gone a cup of coffee in the afternoon, then again they juggled subsequent to some harmful virus inside their computer. **Rivalry And The Disruption Of Order In Moliere's Theater** is available in our digital library an online entrance to it is set as public for that reason you can download it instantly. Our digital library saves in fused countries, allowing you to acquire the most less latency epoch to download any of our books bearing in mind this one. Merely said, the Rivalry And The Disruption Of Order In Moliere's Theater is universally compatible later than any devices to read.
