The American Almanac, Year-book, Cyclopaedia and Atlas ,1903 The Pictorial Field-Book of the Revolution, Vol I & II Benson John Lossing,2021-08-30 Excerpt As my journey was among scenes and things hallowed to the feelings of every American I felt a hope that a record of the pilgrimage interwoven with that of the facts of past history would attract the attention and win to the perusal of the chronicles of our Revolution many who could not be otherwise decoyed into the apparently arid and flowerless domains of mere history I accordingly determined to make the record of the tour to the important localities of the Revolution a leading feature in the work Here another difficulty was encountered So widely scattered are those localities and so simultaneous were many of the events that a connected narrative of the journey must necessarily break up the chronological unity of the history and at times produce some confusion To give incidents of the journey and sketches and descriptions of the scenery and relics as they appear at present in fragmentary notes would deny to the work the charm of a book of travel and thus almost wholly remove the prime object in view in giving such narrative The apparently less objectionable course was chosen and the history was broken into fragments arranged in the exhibition in accordance with the order in which each locality was visited the fragments individualized as much as possible yet always maintaining a tie of visible relationship with the whole The apparent difficulties in the way of the student which this plan suggests are removed by the aid of a complete Analytical Index at the close of the work while the narrative of the tour remains unbroken except by the continually recurring appendices of history How far this arrangement shall accomplish the desired result the candid judgment of the reader must determine *The Life of a Cowboy: Complete 5 Book Collection* Andy Adams,2017-10-06 The Log of a Cowboy is an account of a five month drive of 3 000 cattle from Brownsville Texas to Montana during 1882 along the Great Western Cattle Trail Although the book is fiction it is based on Adams s own experiences and it is considered by many to be literature s best account of cowboy life Adams was disgusted by the unrealistic cowboy fiction being published in his time The Log of a Cowboy was his response The Chicago Herald has said As a narrative of cowboy life Andy Adams book is clearly the real thing It carries its own certificate of authentic first hand experience on every page This edition also includes Adams other famous western novels like The Outlet A Texas Matchmaker Reed Anthony Cowman and The Wells Brothers Andy Adams 1859 1935 was an American writer of western fiction and was born in Indiana Since childhood Andy used to help his parents with the cattle and horses on the family farm Due to this Andy s works have been lauded widely for his first hand and authentic portrayal of the life of a cowboy unlike his contemporaries like Owen Wister who romanticized it **A Book of the United States** Various,2019-12-05 A Book of the United States is an anthology that elegantly weaves together the diverse narratives and philosophies that illuminate the American experience This collection features contributions from a variety of authors each reflecting on the themes of identity freedom and the American landscape The book s literary style ranges from folk tales and essays to poetry and historical accounts presenting a
