Sacajawea's People John W. W. Mann, 2004-12-01 On October 20 2001 a crowd gathered just east of Salmon Idaho to dedicate the site of the Sacajawea Interpretive Cultural and Education Center in preparation for the Lewis and Clark Bicentennial In a bitter instance of irony the American Indian peoples conducting the ceremony dedicating the land to the tribe the city of Salmon and the nation the Lemhi Shoshones Sacajawea's own people had been removed from their homeland nearly a hundred years earlier and had yet to regain official federal recognition as a tribe John W W Mann's book at long last tells the remarkable and inspiring story of the Lemhi Shoshones from their distant beginning to their present struggles Mann offers an absorbing and richly detailed look at the life of Sacajawea's people before their first contact with non Natives their encounter with the Lewis and Clark Expedition in the early nineteenth century and their subsequent confinement to a reservation in northern Idaho near the town of Salmon He follows the Lemhis from the liquidation of their reservation in 1907 to their forced union with the Shoshone Bannock tribes of the Fort Hall Reservation to the south He describes how for the past century surrounded by more populous and powerful Native tribes the Lemhis have fought to preserve their political economic and cultural integrity His compelling and informative account should help to bring Sacajawea's people out of the long shadow of history and restore them to their rightful place in the American story

In Struggle Clayborne Carson, 1995-04-03 With its radical ideology and effective tactics the Student Nonviolent Coordinating Committee SNCC was the cutting edge of the civil rights movement during the 1960s This sympathetic yet evenhanded book records for the first time the complete story of SNCC's evolution of its successes and its difficulties in the ongoing struggle to end white oppression At its birth SNCC was composed of black college students who shared an ideology of moral radicalism This ideology with its emphasis on nonviolence challenged Southern segregation SNCC students were the earliest civil rights fighters of the Second Reconstruction They conducted sit ins at lunch counters spearheaded the freedom rides and organized voter registration which shook white complacency and awakened black political consciousness In the process Clayborne

Carson shows SNCC changed from a group that endorsed white middle class values to one that questioned the basic assumptions of liberal ideology and raised the fist for black power. Indeed SNCC's radical and penetrating analysis of the American power structure reached beyond the black community to help spark wider social protests of the 1960s such as the anti Vietnam War movement. Carson's history of SNCC goes behind the scene to determine why the group's ideological evolution was accompanied by bitter power struggles within the organization. Using interviews, transcripts of meetings, unpublished position papers and recently released FBI documents, he reveals how a radical group is subject to enormous, often divisive pressures as it fights the difficult battle for social change. Superintendent of Documents, 1968 **Infidels** Abdellah Taïa, 2016-11-01 Set in Sal Morocco the hometown Abdellah Taïa fled but to which he returns again and again in his acclaimed fiction and films. *Infidels* follows the life of Jallal, the son of a prostitute, a witch doctor, a woman who knew men, humanity better than anyone. In *sex*, *Beyond sex*. As a ten year old sidekick to his mother, Jallal spits in the face of her enemies, both real and imagined. The cast of characters that rush into their lives are unforgettable for their dreams of love and belonging that unravel in turn. Built as a series of monologues that are emotionally relentless, a mix of confession, heart's murmuring and shouting, the book follows Jallal out of boyhood on the path to Jihad. It's a path that surprises even him.
