Rivers Of Shadow Rivers Of Sun:

Rivers of Shadow, Rivers of Sun Norm Zeigler, 2004-01-01 This is a book about falling in love with the true essence of a geographical area its sights smells and sounds The author s passion for fly fishing provides a rich lyrical backdrop for his beautifully crafted observations **In the Shadow of the River** Ann H. Gabhart, 2023-05-09 If all the world s a stage Jacci will play her part She only hopes her story does not turn out to be a tragedy In 1881 Jacci Reed is only five years old when a man attempts to kidnap her from the steamboat her mother Irena works on Badly wounded during the confrontation Irena takes Jacci aboard the Kingston Floating Palace a showboat tied up beside them There Jacci s actor grandfather tends to her mother and Jacci gets a first taste of the life she will come to lead Fifteen years later Jacci is an actress aboard that same showboat and largely contented with her adopted family of actors singers and dancers Especially Gabe who has always supported her and the gruff grandfather she has come to know and love Jacci s mother has been gone for years but the memory of the altercation that ultimately took her life and the cryptic things Jacci has overheard about her past is always there lurking in the back of her mind When someone on the showboat tries to kill Jacci it s clear her questions demand answers But secrets have a way of staying in the shadows and the answers she craves will not come easily Gabhart delivers an atmospheric romance set on an 1890s showboat with plenty of secrets below deck Publishers Weekly Gabhart s masterful storytelling glows with personality and page turning surprises Booklist *Stones in a River* Lee Ribich, 2014-10-25 *Stones in a River* is a book of poetry Some poems are influenced by news events too often gloom laden The Alaskan environment inspires other poems Southeast Alaska is where mountains meet the all important Pacific Ocean Lives here above and below the seas surface are co dependent and call for expression in poetry Then as is often true with poetry much written here is personal Experiences observations and views are a good part of most artistic pursuits *The Indian Tribes of the Lower Fraser River* Franz Boas, 1894 *River* Colin Fletcher, 2014-10-15 At age sixty seven Colin Fletcher the guru of backpacking in America undertook a rigorous six month raft expedition down the full length of the Colorado River alone He needed something to pare the fat off my soul to make me grateful again for being alive The 1 700 miles between the Colorado s source in Wyoming and its conclusion at Mexico s Gulf of California contain some of the most spectacular vistas on earth and Fletcher is the ideal guide for the terrain As his privileged companions we travel to places like Disaster Falls and Desolation Canyon observe beaver and elk experience sandstorms and whitewater rapids and share Fletcher s thoughts on the human race the environment and the joys of solitude *In That Sweet Country* Harry Middleton, 2016-07-05 A moving collection of fishing stories by one of America s legendary outdoor writers Throughout his career Harry Middleton contributed hundreds of stories essays and book reviews to some of the most respected periodicals including the New York Times Sports Illustrated Gray s Sporting Journal and Field Stream among others When he died in 1993 Middleton left behind a legacy rich with mountain streams wild trout and fishermen s dreams *In That Sweet Country* is a fresh exhilarating collection of a renowned

fishing writer's previously published works. A recognized name in outdoor writing, Middleton brings us inspiring selections such as *An Angler's Lament* from *Southern Living* 1987, *Spring on the Miramichi* from *The Flyfisher* 1991, *A Haunting Obsession with Brown Trout* from the *New York Times* 1992, and many more. Readers who love Middleton's work will cherish this compilation, while novice fishermen will gain a view of the world as Middleton saw it. There are so few left, so few who believe the earth is enough. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

River Science David J. Gilvear, Malcolm T. Greenwood, Martin C. Thoms, Paul J. Wood, 2016-03-02. River Science is a rapidly developing interdisciplinary field at the interface of the natural sciences, engineering, and socio-political sciences. It recognises that the sustainable management of contemporary rivers will increasingly require new ways of characterising them to enable engagement with the diverse range of stakeholders. This volume represents the outcome of research by many of the authors and their colleagues over the last 40 years and demonstrates the integral role that River Science now plays in underpinning our understanding of the functioning of natural ecosystems and how societal demands and historic changes have affected these systems. The book will inform academics, policy makers, and society in general of the benefits of healthy functioning riverine systems and will increase awareness of the wide range of ecosystem goods and services they provide.

Nine-Headed Dragon River Peter Matthiessen, 1998-04-28. In August 1968, naturalist explorer Peter Matthiessen returned from Africa to his home in Sagaponack, Long Island, to find three Zen masters in his driveway, guests of his wife, a new student of Zen. Thirteen years later, Matthiessen was ordained a Buddhist monk. Written in the same format as his best-selling *The Snow Leopard*, *Nine-Headed Dragon River* reveals Matthiessen's most daring adventure of all: the quest for his spiritual roots.

Kingdom River Mitchell Smith, 2025-09-23. Sam Monroe is the reluctant commander of a tough-minded warrior people living in what was once northern Mexico. His tiny country is flanked on the northeast by the Kingdom River, a vast trade-driven nation that replaced the southern United States, and on the northwest by the Khanate, an empire of nomads who swept down the west coast after crossing the ice from what was once Russia. Sam's people cling to a precarious, hard-won freedom. Toghrul Khan, leader of the Khanate, wants Kingdom's lucrative trade and lush farmlands. To get them, Sam Monroe knows the Khan's forces will march right over his people's small towns and precious homesteads. His country's only hope is an alliance with Kingdom, but the far larger Kingdom may simply swallow them up. Unless Sam's proven ability in the field attracts the attention of Queen Joan, who rules Kingdom with a heart as cold as the Colorado ice where she was raised.

But if she gives Sam Monroe command of Kingdom's forces her loyal generals and admirals may feel a lot less loyal Unless Young bookish princess Rachel is the key A marriage between Sam and the princess unites both their nations and their fighting forces and gives the commanders a way to save face Has the alliance been made in time The Khan's armies are sweeping east in a rush threatening both sides of the vast Mississippi River Kingdom's large army and navy move excruciatingly slowly Sam's people are fleet but greatly outnumbered And there are other dangers Sam Monroe is just beginning to comprehend The technologically advanced people of New England who breed monsters in women's wombs and have learned to levitate are watching the growing conflict between the Khan and Kingdom and more important watching Sam as he learns not just to command but to rule At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
