Riverside Preachers:

Prophetic Preaching Leonora Tubbs Tisdale, 2010-08-09 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale's work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake The History of the Riverside Church in the City of New York Peter J. Paris, John W. Cook, James Hudnut-Beumler, Lawrence Mamiya, 2004-05-01 It was from the pulpit of the Riverside Church that Martin Luther King Jr first publicly voiced his opposition to the Vietnam War that Nelson Mandela addressed U S church leaders after his release from prison and that speakers as diverse as Cesar Chavez Jesse Jackson Desmond Tutu Fidel Castro and Reinhold Niebuhr lectured church and nation about issues of the day The greatest of American preachers have served as senior minister including Harry Emerson Fosdick Robert J McCracken Ernest T Campbell William Sloane Coffin Jr and James A Forbes Jr and at one time the New York Times printed reports of each Sunday's sermon in its Monday morning edition For seven decades the church has served as the premier model of Protestant liberalism in the United States Its history represents the movement from white Protestant hegemony to a multiracial and multiethnic church that has been at the vanguard of social justice advocacy liberation theologies gay and lesbian ministries peace studies ethnic and racial dialogue and Jewish Christian relations A collaborative effort by a stellar team of scholars The History of the Riverside Church in the City of New York offers a critical history of this unique institution on Manhattan's Upper West Side including its cultural impact on New York City and beyond its outstanding preachers and its architecture and assesses the shifting fortunes of religious progressivism in the twentieth century *The Riverside Preachers*, 2012-10-01 The historic Riverside Church in New York City has been blessed with great preachers Harry Emerson Fosdick Robert J McCracken Ernest T Campbell and William Sloane Coffin Jr Issued in honor of the 135th anniversary of the birthday of Dr Harry Fosdick this updated edition includes twenty sermons by these first four preaching ministers *Morningside Heights* Andrew S. Dolkart, 2001-03-15 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons surveys the major debates related to that decision and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945 He then provides a historical overview of the events in question beginning with the decision and program to build the atomic bomb Detailing the sequence of events leading to Japan's surrender he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders

Finally Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents scholarly books and articles

The Underground Church Robin Meyers, 2020-10-06 The Underground Church proposes that the faithful recapture the spirit of the early church with its emphasis on what Christians do rather than what they believe Prominent progressive writer speaker and minister Robin Meyers proposes that the best way to recapture the spirit of the early Christian church is to recognize that Jesus following was and must be again subversive in the best sense of the word because the gospel taken seriously turns the world upside down No matter how the church may organize itself or worship the defining characteristic of the church of the future will be its Jesus inspired countercultural witness Meyers debunks commonly held beliefs about the early church and offers a vision for the future rooted in the past He proposes that the church of the future must leave doctrinal tribalism behind and seek a unity of mission instead Archbishop Emeritus Desmond Tutu says of this volume Robin Meyers has spoken truth to power and the church he loves will never be the same

Harry Emerson Fosdick Robert Moats Miller, 1985-02-21 A major figure in American religious and cultural history Fosdick was famous as a preacher a pacifist and a champion of civil rights He was also the author of forty seven books

Towards Liturgies that Reconcile Scott Haldeman, 2016-12-05 Towards Liturgies that Reconcile reflects upon Christian worship as it is shaped and mis shaped by human prejudice specifically by racism African Americans and European Americans have lived together for 400 years on the continent of North America but they have done so as slave and master outsider and insider oppressed and oppressor Scott Haldeman traces the development of Protestant worship among whites and blacks showing that the following exist in tension African American and European American Protestant liturgical traditions are both interdependent and distinct and that multicultural communities must both understand and celebrate the uniqueness of various member groups while also accepting the risk and possibility of praying themselves into an integrated body one new culture

A Nation with the Soul of a Church O. C. Edwards Jr., James Dunkly, 2013-08-12 From the very beginning religious leaders have influenced the course of American history sometimes for better sometimes for worse This book examines those Christian sermons that set or changed the course of the nation What did 18th century preacher Jonathan Edwards really mean to convey with is Sinners in the Hands of an Angry God sermon What Southern minister did most to encourage secession of the Southern states from the Union And why does Martin Luther King Jr need to be remembered for more than his I Have a Dream speech This book examines the sermons that have shaped American history from the Massachusetts Bay Colony to the Obama administration It provides extended biographical treatments of those who preached them thereby providing readers with the historical context of the sermon an explanation of what made these orations so effective and an understanding of the role of religion in American history Author O C Edwards Jr supplies insightful and interesting coverage of Christian preachers and sermons that will engage anyone interested in America s religious or social history The book addresses the religious philosophies and speeches of individuals such as William Sloan

Coffin Jr Russell Conwell Charles Coughlin Ralph Waldo Emerson Billy Graham Anne Hutchinson Martin Luther King Jr Patricia Merchant John Winthrop and Jeremiah Wright A Whosoever Church Gary David Comstock,2001-01-01 This book features interviews with twenty black scholars and religious leaders who speak out from various theological perspectives against institutional prejudice toward gay and lesbian people The interviews are conducted in a conversational format in language that will be accessible and interesting to lay readers The American Church in Black and White Gregory Emanuel Bryant,2016-05-14 The American Church in Black and White is a book born out of the authors love for Gods church It was shaped and given form and text in the crucible of the authors experience as a pastor of several Indiana congregations congregations that attempted to create a Christian counter narrative to the tragic narrative and legacy of our nations history of slavery and racism Cautiously optimistic in tone the author posits that if the American church is going to live into Christs prayer request for His church to be one John 17 21 if the church is going to deal effectively with the fallen powers and win people to the Lord then Christians will have to face and overcome the complex and tragic history of racial antipathy in this country also the church will have to learn how to successfully navigate a spiritual and cultural minefield The author has distilled the three main cultural controversies mines that can explode implode the churchs intercultural hopes down to 1 Culturally Based Worship Preferences 2 Culturally Based Views on Ministerial Authority and 3 Biblical Hermeneutics in Black and White It is the authors conviction that in spite of these areas of potential conflict God has given the church the power to become an intercultural community that is distinctive attractive and authentically Christian
