The Cinema of Isolation Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity awe humor or fear Others who somehow deserve to be isolated from the rest of society In this first history of the portrayal of physical disability in the movies Martin Norden examines hundreds of Hollywood movies and notable international ones finds their place within mainstream society and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and in their place Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of society's fluctuating relationship with its physically disabled minority He shows us sweet innocents like *Tiny Tim* obsessive avengers like *Quasimodo* variations on the disabled veteran and many others He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity Nordens in depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long overlooked issue in media studies

Bringing Song and Dance to the Screen Thomas Hischak, 2025-10-16 An introduction to movie musicals in the golden age of Hollywood and the directors that brought them to the big screen The role directors have played in American cinema cannot be overstated particularly how they shaped and developed the medium during Hollywood's golden age Little appreciation has been paid though to the individual directors accomplishments with regards to the musical film a genre that remains popular today When the first film musicals were made there were no experienced movie directors for the new genre Instead of recruiting stage directors Hollywood turned to the seasoned directors currently under contract and assigned them to make talkies with song and dance In *Bringing Song and Dance to the Screen* Thomas S Hischak looks at the contribution that twenty seven Hollywood directors made to the art of the movie musical during the exciting and prolific golden age of cinema Some directors flourished with the new genre others struggled and eventually were only assigned to traditional films Some unknown directors found their niche in making musicals and much of their subsequent careers were in the new genre Yet even those directors who made only a handful of musicals sometimes delivered musical classics This book will look at them all focusing on the directors musicals and how they compare to their non musical works *Bringing Song and Dance to the Screen* covers movie musicals made from the first talkies up through the 1950s from *The Jazz Singer* in 1927 to *Gigi* in 1958 Hischak explores the directors careers and film musicals chronologically and includes biographical information for each director Readers will learn about both famous and obscure film musicals making this the perfect guide for movie and musical fans alike

The Kennedy Women Laurence Leamer, 1996-09-29 A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING TALENTED AND DEEPLY FLAWED FAMILY Boston Herald Laurence Leamer was granted unheralded access to private Kennedy papers and he interviewed family and old friends many of whom had never been interviewed before for this incredible portrait of the

women in America's royal family From Bridget Murphy the foremother who touched shore at East Boston in 1849 to the intelligent independent Kennedy women of today Laurence Leamer tells their unforgettable stories Here are the private thoughts of Kathleen the flirtatious debutante in prewar England the truth behind Joe Kennedy's insistence that his mildly retarded daughter Rosemary be lobotomized the real story behind Joan and Ted's whirlwind romance Jackie's desire for a divorce from JFK in the 1950s Pat Lawford's disastrous Hollywood marriage how Caroline discovered her cousin David's death by overdose and more Tough enough to withstand the unimaginable these Kennedy women soldier on in the name of their extraordinary family and what they believe is right **MASTERFUL AN ENDLESSLY FASCINATING READ** A wealth of beautifully rendered social detail at times reading like a realist novel by Edith Wharton A page turner from start to finish *The Dallas Morning News*

The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry's most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs
